Centurion Apartment REIT is a connected issuer, and may be considered to be a related issuer, of Centurion Asset Management Inc. (the “Asset Manager”), its asset manager and an exempt market dealer, investment fund manager, and restricted portfolio manager in certain jurisdictions, in connection with the distribution of the REIT’s securities hereunder, which may result in potential conflicts of interest. Centurion Apartment REIT is a connected issuer of the Asset Manager due to the factors described in this Offering Memorandum under “Relationship between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager” as a result of the fact that the President of Centurion Apartment REIT and the Asset Manager are the same and Mr. Gregory Romundt and his family beneficially own all of the shares of the Asset Manager and its affiliates, including the Mortgage Manager and the Mortgage Servicer, each of which provides services to Centurion Apartment REIT. Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager’s right to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT. Centurion Apartment REIT owns 62% of a private mutual fund trust, Centurion Real Estate Opportunities Trust, which also has engaged Centurion Asset Management Inc. to be its asset manager. See “Trustees” and “Relationship between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager” and Item 7.

HOW TO READ THIS OFFERING MEMORANDUM

This offering of Units (the “**Offering**”) is being made by Centurion Apartment REIT pursuant to an exemption (the “**Offering Memorandum Exemption**”) from the prospectus requirements of applicable securities laws. The Units are sold only through investment dealers, exempt market dealers or other securities registrants who are permitted to offer and sell the Units.

The Offering Memorandum Exemption requires that Centurion Apartment REIT provide investors with a prescribed form of offering memorandum. Issuers are permitted to “wrap” the prescribed form of offering memorandum around another disclosure document by attaching that other disclosure document and referring to the disclosure contained in it.

Attached as Appendix I to this Offering Memorandum is the Confidential Offering Memorandum (the “**Confidential Offering Memorandum**”) of Centurion Apartment REIT used in connection with the Offering of Units to “**accredited investors**” in the Province of Ontario and Quebec. This Offering Memorandum references certain disclosures contained in the Confidential Offering Memorandum. Management of Centurion Apartment REIT believes that attaching the Confidential Offering Memorandum as Appendix I to this offering memorandum will provide investors with a better understanding of Centurion Apartment REIT.

Centurion Apartment REIT is not a “reporting issuer” within the meaning of applicable securities laws and therefore it is not required to publish, disseminate or file ongoing continuous disclosure regarding its operations and affairs. However, management of Centurion Apartment REIT has provided web links in selected sections of this Confidential Offering Memorandum to where (unaudited) updates of the information in these sections are periodically posted in an effort to keep holders of Units informed of developments involving Centurion Apartment REIT. Such information is provided for ongoing purposes and does not form a part of this Offering Memorandum.

These statements involve known and unknown risks (including the risks identified under “Item 8: Risk Factors”), uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. The Asset Manager (and its affiliates, as applicable) believe that the expectations reflected in those forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking statements included in this Offering Memorandum (and any provisions of the Offering Memorandum incorporated by reference herein) should not be unduly relied on. These statements speak only as of the date of this Offering Memorandum or as of the date specified in such statements, as the case may be and, except as may be required by applicable securities laws, the Trust, and the Asset Manager (and its affiliates) disclaim any intent or obligation to update any forward-looking statements whether as a result of new information, future events, or results or otherwise.

NON-IFRS MEASURES

Centurion Apartment REIT uses the terms Distributable Income, Normalized Net Operating Income (or “NNOI”) and Property Net Income as defined in the Glossary. Management of Centurion Apartment REIT considers such non-IFRS measures to be a valuable measure for evaluating its operating performance and in achieving its objectives. Such measures are not defined under IFRS nor should any of these measures be viewed as an alternative to net income, cash flow from operating activities or other measures of financial performance calculated in accordance with IFRS. Readers should be further cautioned that Distributable Income, NNOI and Property Net Income as calculated by Centurion Apartment REIT may not be comparable to similar measures presented by other issuers.

(the *“Asset Manager”*), its asset manager and an exempt market dealer, investment fund manager, and restricted portfolio manager in certain jurisdictions, in connection with the distribution of the REIT’s securities hereunder.

Centurion Apartment REIT is a connected issuer of the Asset Manager due to various factors, including the fact that Mr. Gregory Romundt is the President of both Centurion Apartment REIT and the Asset Manager and Mr. Romundt and his family beneficially own all of the shares of the Asset Manager and its affiliates, the Mortgage Manager and the Mortgage Servicer, each of which provides services to Centurion Apartment REIT. Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager’s right, during the term of the Asset Management Agreement, to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT as more particularly described under *“Trustees”*. The prescribed number of nominees that the Asset Manager is entitled to appoint varies depending on the size of the board, but the prescribed number exceeds 20% of the number of trustees. The regulator in Manitoba will consent to your trade if the regulator is of the opinion that to do so is not prejudicial to the public interest.

Ontario

Section 130.1 of the *Securities Act* (Ontario) provides that every purchaser of securities pursuant to an offering memorandum (such as this Offering Memorandum) shall have a statutory right of action for damages or rescission against the issuer and any selling security holder in the event that the offering memorandum contains a Misrepresentation. A purchaser who purchases securities offered by the offering memorandum during the period of distribution has, without regard to whether the purchaser relied upon the Misrepresentation, a right of action for damages or, alternatively, while still the owner of the securities, for rescission against the issuer and any selling security holder provided that:

- (a) if the purchaser exercises its right of rescission, it shall cease to have a right of action for damages as against the issuer and the selling security holders, if any;
- (b) the issuer and the selling security holders, if any, will not be liable if they prove that the purchaser purchased the securities with knowledge of the Misrepresentation;
- (c) the issuer and the selling security holders, if any, will not be liable for all or any portion of damages that it proves do not represent the depreciation in value of the securities as a result of the Misrepresentation relied upon;
- (d) in no case shall the amount recoverable exceed the price at which the securities were offered; and
- (e) the issuer will not be liable for a Misrepresentation in forward-looking information if the issuer proves:
 - (i) that the offering memorandum contains reasonable cautionary language identifying the forward-looking information as such, and identifying material factors that could cause actual results to differ materially from a conclusion, forecast or projection in the forward-looking information, and a statement of material factors or assumptions that were applied in drawing a conclusion or making a forecast or projection set out in the forward-looking information; and
 - (ii) the issuer has a reasonable basis for drawing the conclusion or making the forecasts and projections set out in the forward-looking information.

Section 138 of the *Securities Act* (Ontario) provides that no action shall be commenced to enforce these rights more than:

- (a) in the case of an action for rescission, 180 days after the date of the transaction that gave rise to the cause of action; or
- (b) in the case of an action for damages, the earlier of:
 - (i) 180 days after the date that the purchaser first had knowledge of the facts giving rise to the cause of action; or
 - (ii) three years after the date of the transaction that gave rise to the cause of action.

This Offering Memorandum may be delivered in reliance on the exemption from the prospectus requirements contained under section 2.3 of NI 45-106 (the "accredited investor exemption"). The rights referred to in section 130.1 of the *Securities Act* (Ontario) do not apply in respect of an offering memorandum (such as this Offering Memorandum) delivered to a prospective purchaser in connection with a distribution made in reliance on the accredited investor exemption if the prospective purchaser is:

- (a) a Canadian financial institution or a Schedule III bank (each as defined in NI 45-106);

- (b) the Business Development Bank of Canada incorporated under the Business Development Bank of Canada Act (Canada); or
- (c) a subsidiary of any person referred to in paragraphs (a) and (b), if the person owns all of the voting securities of the subsidiary, except the voting securities required by law to be owned by directors of that subsidiary.

Saskatchewan

Securities Act, 1988 (Saskatchewan), as amended (the “**Saskatchewan Act**”) provides that where an offering memorandum (such as this Offering Memorandum) or any amendment to it is sent or delivered to a purchaser and it contains a Misrepresentation (as defined in the Saskatchewan Act), a purchaser who purchases a security covered by the offering memorandum or any amendment to it is deemed to have relied upon that Misrepresentation, if it was a Misrepresentation at the time of purchase, and has a right of action for rescission against the issuer or a selling security holder on whose behalf the distribution is made or has a right of action for damages against:

- (a) the issuer or a selling security holder on whose behalf the distribution is made;
- (b) every promoter and director of the issuer or the selling security holder, as the case may be, at the time the offering memorandum or any amendment to it was sent or delivered;
- (c) every person or company whose consent has been filed respecting the offering, but only with respect to reports, opinions or statements that have been made by them;
- (d) every person who or company that, in addition to the persons or companies mentioned in (a) to (c) above, signed the offering memorandum or the amendment to the offering memorandum; and
- (e) every person who or company that sells securities on behalf of the issuer or selling security holder under the offering memorandum or amendment to the offering memorandum.

Such rights of rescission and damages are subject to certain limitations including the following:

- (a) if the purchaser elects to exercise its right of rescission against the issuer or selling security holder, it shall have no right of action for damages against that party;
- (b) in an action for damages, a defendant will not be liable for all or any portion of the damages that he, she or it proves do not represent the depreciation in value of the securities resulting from the Misrepresentation relied on;
- (c) no person or company, other than the issuer or a selling security holder, will be liable for any part of the offering memorandum or any amendment to it not purporting to be made on the authority of an expert and not purporting to be a copy of, or an extract from, a report, opinion or statement of an expert, unless the person or company failed to conduct a reasonable investigation sufficient to provide reasonable grounds for a belief that there had been no Misrepresentation or believed that there had been a Misrepresentation;
- (d) in no case shall the amount recoverable exceed the price at which the securities were offered; and
- (e) no person or company is liable in an action for rescission or damages if that person or company proves that the purchaser purchased the securities with knowledge of the Misrepresentation.

In addition, no person or company, other than the issuer or selling security holder, will be liable if the person or company proves that:

- (a) the offering memorandum or any amendment to it was sent or delivered without the person's or company's knowledge or consent and that, on becoming aware of it being sent or delivered, that person or company gave reasonable general notice that it was so sent or delivered; or
- (b) after the filing of the offering memorandum or the amendment to the offering memorandum and before the purchase of the securities by the purchaser, on becoming aware of any Misrepresentation in the offering memorandum or the amendment to the offering memorandum, the person or company withdrew the person's or company's consent to it and gave reasonable general notice of the person's or company's withdrawal and the reason for it;
- (c) with respect to any part of the offering memorandum or any amendment to it purporting to be made on the authority of an expert, or purporting to be a copy of, or an extract from, a report, an opinion or a statement of an expert, that person or company had no reasonable grounds to believe and did not believe that there had been a Misrepresentation, the part of the offering memorandum or any amendment to it did not fairly represent the report, opinion or statement of the expert, or was not a fair copy of, or an extract from, the report, opinion or statement of the expert.

A person or company that sells securities on behalf of the issuer or selling security holder under the offering memorandum or amendment to the offering memorandum is not liable for damages or rescission as provided in 138(1) or 138(2) of the Saskatchewan Act if that person can establish that he, she or it cannot reasonably be expected to have had knowledge of any Misrepresentation in the offering memorandum or the amendment or the offering memorandum.

Not all defences upon which we or others may rely are described herein. Please refer to the full text of the Saskatchewan Act for a complete listing.

Similar rights of action for damages and rescission are provided in section 138.1 of the Saskatchewan Act in respect of a Misrepresentation in advertising and sales literature disseminated in connection with an offering of securities.

Section 138.2 of the Saskatchewan Act also provides that where an individual makes a verbal statement to a prospective purchaser that contains a Misrepresentation relating to the security purchased and the verbal statement is made either before or contemporaneously with the purchase of the security, the purchaser is deemed to have relied on the Misrepresentation, if it was a Misrepresentation at the time of purchase, and has a right of action for damages against the individual who made the verbal statement.

Section 141(1) of the Saskatchewan Act provides a purchaser with the right to void the purchase agreement and to recover all money and other consideration paid by the purchaser for the securities if the securities are sold in contravention of the Saskatchewan Act, the regulations to the Saskatchewan Act or a decision of the Saskatchewan Financial Services Commission.

Section 141(2) of the Saskatchewan Act also provides a right of action for rescission or damages to a purchaser of securities to whom an offering memorandum or any amendment to it was not sent or delivered prior to or at the same time as the purchaser enters into an agreement to purchase the securities, as required by Section 80.1 of the Saskatchewan Act.

The rights of action for damages or rescission under the Saskatchewan Act are in addition to and do not derogate from any other right which a purchaser may have at law.

Section 147 of the Saskatchewan Act provides that no action shall be commenced to enforce any of the foregoing rights more than:

- (a) in the case of an action for rescission, 180 days after the date of the transaction that gave rise to the cause of action; or
- (b) in the case of any other action, other than an action for rescission, the earlier of:

- (i) one year after the plaintiff first had knowledge of the facts giving rise to the cause of action;
or
- (ii) six years after the date of the transaction that gave rise to the cause of action.

The Saskatchewan Act also provides a purchaser who has received an amended offering memorandum delivered in accordance with subsection 80.1(3) of the Saskatchewan Act has a right to withdraw from the agreement to purchase the securities by delivering a notice to the person who or company that is selling the securities, indicating the purchaser's intention not to be bound by the purchase agreement, provided such notice is delivered by the purchaser within two business days of receiving the amended offering memorandum.

New Brunswick

Section 150 of the *Securities Act* (New Brunswick) provides that where an offering memorandum (such as this Offering Memorandum) contains a Misrepresentation, a purchaser who purchases securities shall be deemed to have relied on the Misrepresentation if it was a Misrepresentation at the time of purchase and:

- (a) the purchaser has a right of action for damages against the issuer and any selling security holder(s) on whose behalf the distribution is made, or
- (b) where the purchaser purchased the securities from a person referred to in paragraph (a), the purchaser may elect to exercise a right of rescission against the person, in which case the purchaser shall have no right of action for damages against the person.

This statutory right of action is available to New Brunswick purchasers whether or not such purchaser relied on the Misrepresentation. However, there are various defences available to the issuer and the selling security holder(s). In particular, no person will be liable for a Misrepresentation if such person proves that the purchaser purchased the securities with knowledge of the Misrepresentation when the purchaser purchased the securities. Moreover, in an action for damages, the amount recoverable will not exceed the price at which the securities were offered under the offering memorandum and any defendant will not be liable for all or any part of the damages that the defendant proves do not represent the depreciation in value of the security as a result of the Misrepresentation.

If the purchaser intends to rely on the rights described in (a) or (b) above, such purchaser must do so within strict time limitations. The purchaser must commence on its action to cancel the agreement within 180 days after the date of the transaction that gave rise to the cause of action. The purchaser must commence its action for damages within the earlier of:

- (a) one year after the purchaser first had knowledge of the facts giving rise to the cause of action; or
- (b) six years after the date of the transaction that gave rise to the cause of action.

Nova Scotia

The right of action for damages or rescission described herein is conferred by section 138 of the *Securities Act* (Nova Scotia). Section 138 of the *Securities Act* (Nova Scotia) provides, in relevant part, that in the event that an offering memorandum (such as this Offering Memorandum), together with any amendment thereto, or any advertising or sales literature (as defined in the Securities Act (Nova Scotia)) contains a Misrepresentation, the purchaser will be deemed to have relied upon such Misrepresentation if it was a Misrepresentation at the time of purchase and has, subject to certain limitations and defences, a statutory right of action for damages against the issuer and, subject to certain additional defences, every director of the issuer at the date of the offering memorandum and every person who signed the offering memorandum or, alternatively, while still the owner of the securities purchased by the purchaser, may elect instead to exercise a statutory right of rescission against the issuer, in which case the purchaser shall have no right of

action for damages against the issuer, directors of the issuer or persons who have signed the offering memorandum, provided that, among other limitations:

- (a) no action shall be commenced to enforce the right of action for rescission or damages by a purchaser resident in Nova Scotia later than 120 days after the date on which the initial payment was made for the securities;
- (b) no person will be liable if it proves that the purchaser purchased the securities with knowledge of the Misrepresentation;
- (c) in the case of an action for damages, no person will be liable for all or any portion of the damages that it proves do not represent the depreciation in value of the securities as a result of the Misrepresentation relied upon; and
- (d) in no case will the amount recoverable in any action exceed the price at which the securities were offered to the purchaser.

In addition, a person or company, other than the issuer, will not be liable if that person or company proves that:

- (a) the offering memorandum or amendment to the offering memorandum was sent or delivered to the purchaser without the person's or company's knowledge or consent and that, on becoming aware of its delivery, the person or company gave reasonable general notice that it was delivered without the person's or company's knowledge or consent;
- (b) after delivery of the offering memorandum or amendment to the offering memorandum and before the purchase of the securities by the purchaser, on becoming aware of any Misrepresentation in the offering memorandum or amendment to the offering memorandum the person or company withdrew the person's or company's consent to the offering memorandum or amendment to the offering memorandum, and gave reasonable general notice of the withdrawal and the reason for it; or
- (c) with respect to any part of the offering memorandum or amendment to the offering memorandum purporting (i) to be made on the authority of an expert, or (ii) to be a copy of, or an extract from, a report, an opinion or a statement of an expert, the person or company had no reasonable grounds to believe and did not believe that (A) there had been a Misrepresentation, or (B) the relevant part of the offering memorandum or amendment to offering memorandum did not fairly represent the report, opinion or statement of the expert, or was not a fair copy of, or an extract from, the report, opinion or statement of the expert.

Further, no person or company, other than the issuer, will be liable with respect to any part of the offering memorandum or amendment to the offering memorandum not purporting (a) to be made on the authority of an expert or (b) to be a copy of, or an extract from, a report, opinion or statement of an expert, unless the person or company (i) failed to conduct a reasonable investigation to provide reasonable grounds for a belief that there had been no Misrepresentation or (ii) believed that there had been a Misrepresentation.

If a Misrepresentation is contained in a record incorporated by reference into, or deemed incorporated by reference into, the offering memorandum or amendment to the offering memorandum, the Misrepresentation is deemed to be contained in the offering memorandum or an amendment to the offering memorandum.

- (a) no person will be liable if it proves that the purchaser purchased the securities with knowledge of the Misrepresentation;
- (b) in the case of an action for damages, no person will be liable for all or any portion of the damages that it proves do not represent the depreciation in value of the securities as a result of the Misrepresentation relied upon; and
- (c) in no case will the amount recoverable in any action exceed the price at which the securities were offered to the purchaser.

In addition, a person or company, other than the issuer, will not be liable if that person or company proves that:

- (a) the offering memorandum was sent or delivered to the purchaser without the person's or company's knowledge or consent and that, on becoming aware of its delivery, the person or company promptly gave reasonable notice to the issuer that it was delivered without the person's or company's knowledge or consent;
- (b) after delivery of the offering memorandum and after becoming aware of the Misrepresentation, the person or company withdrew the person's or company's consent to the offering memorandum and gave reasonable notice to the issuer of the withdrawal and the reason for it; or
- (c) with respect to any part of the offering memorandum purporting (i) to be made on the authority of an expert, or (ii) to be a copy of, or an extract from, an expert's report, opinion or statement, the person or company proves that the person or company had no reasonable grounds to believe and did not believe that (A) there had been a Misrepresentation, or (B) the relevant part of the offering memorandum did not fairly represent the expert's report, opinion or statement, or was not a fair copy of, or an extract from, an expert's report, opinion or statement.

Further, where a Misrepresentation is contained in an offering memorandum, the directors of the issuer, and every person or company who signed the offering memorandum, shall not be liable with respect to any part of the offering memorandum not purporting to be made on the authority of an expert and not purporting to be a copy of, or an extract from, a report, opinion or statement of an expert, unless the person or company did not conduct an investigation sufficient to provide reasonable grounds for a belief that there had been no Misrepresentation, or believed there had been a Misrepresentation.

If a Misrepresentation is contained in a record incorporated by reference into, or deemed incorporated by reference into, the offering memorandum, the Misrepresentation is deemed to be contained in the offering memorandum.

Section 141.4(2) of *The Securities Act* (Manitoba) provides that no action shall be commenced to enforce these rights more than:

- (g) in no case shall the amount recoverable exceed the price at which the securities were offered under the offering memorandum;

Section 211 of the *Securities Act* (Alberta) provides that no action may be commenced to enforce these rights more than:

This Confidential Offering Memorandum is not, and under no circumstances is it to be construed as, a prospectus or advertisement or a public offering of securities. No securities commission or similar authority in Canada or in any other jurisdiction has reviewed this Confidential Offering Memorandum or in any way passed upon the merits of the securities offered hereunder and any representation to the contrary is an offence. This Confidential Offering Memorandum is intended for use by investors solely in connection with the consideration of the purchase of these securities. No person is authorized to give any information or to make any representation not contained in this Confidential Offering Memorandum in connection with the offering of these securities and, if given or made, no such information or representation may be relied upon. By their acceptance hereof, prospective investors agree that they will not transmit, reproduce or make available to anyone this Confidential Offering Memorandum or any information contained herein.

Centurion Apartment REIT is a connected issuer, and may be considered to be a related issuer, of Centurion Asset Management Inc. (the "Asset Manager"), its asset manager and an exempt market dealer, investment fund manager and restricted portfolio manager in certain jurisdictions, in connection with the distribution of the REIT's securities hereunder, which may result in potential conflicts of interest. Centurion Apartment REIT is a connected issuer of the Asset Manager due to the factors described in this Offering Memorandum under "Relationship Between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager" as a result of the fact that the President of Centurion Apartment REIT and the Asset Manager are the same and Mr. Gregory Romundt and his family beneficially own all of the shares of the Asset Manager and its affiliates. Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager's right to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT. Centurion Apartment REIT owns 62% of a private mutual fund trust, Centurion Real Estate Opportunities Trust, as at March 31, 2018, which also has engaged Centurion Asset Management Inc. to be its asset manager. See "Trustees" and "Relationship Between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager".

CENTURION APARTMENT REAL ESTATE INVESTMENT TRUST

Continuous Offering

Class "A", Class "F" and Class "I" REIT Units

This Confidential Offering Memorandum (the "**Offering Memorandum**") constitutes an offering (the "**Offering**") of units (the "**REIT Units**") in Centurion Apartment Real Estate Investment Trust ("**Centurion Apartment REIT**"). Centurion Apartment REIT is a limited purpose unincorporated open-end investment trust governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein. Centurion Apartment REIT is not a trust company and is not registered under applicable legislation governing trust companies as it does not carry on or intend to carry on the business of a trust company. The REIT Units are not "deposits" within the meaning of the Canadian Deposit Insurance Corporation Act (Canada) and are not insured under the provisions of that act or any other legislation.

The objectives of Centurion Apartment REIT are to: (i) provide registered holders of REIT Units (the “**Unitholders**”) with stable and growing cash distributions, payable monthly and, to the extent reasonably possible, tax deferred, from investments in a diversified portfolio of income-producing multi-unit residential properties located in Canada; and (ii) maximize REIT Unit value through the ongoing management of Centurion Apartment REIT’s assets and through the future acquisition of additional multiunit residential properties. See “Objectives of Centurion Apartment REIT”.

The price per REIT Unit will be determined by the Trustees of Centurion Apartment REIT from time to time and set forth in the subscription agreement(s) entered into between the Subscriber(s) and Centurion Apartment REIT.

The expenses of the Offering will be deducted from the Offering proceeds and the balance will be utilized to invest in income producing multi-residential properties in Canada, mortgage investments and for general Trust purposes. Closings of sales of REIT Units will occur at the discretion of the Asset Manager. (It is estimated that the first closing (the “**First Closing**”) will occur on or before June 1, 2018.

Closings will occur at the discretion of Centurion Apartment REIT as additional REIT Units are subscribed for and accepted by Centurion Apartment REIT.

Depending on the jurisdiction in which a Person is resident, each Person purchasing REIT Units pursuant to this Offering (the “**Subscriber**”) must be an “**accredited investor**”, “**eligible investor**”, invest subject to the “**minimum amount investment**” or have another available exemption defined in National Instrument 45-106 – *Prospectus and Registration Exemptions* (“**NI 45-106**”) in order to subscribe for REIT Units. See “Representations of Subscribers”.

The distribution of the REIT Units is being made on a private placement basis only and is exempt from the requirement that Centurion Apartment REIT prepare and file a prospectus with the relevant Canadian securities regulatory authorities. Accordingly, any resale of the REIT Units must be made in accordance with applicable Canadian securities laws which may require resale’s to be made in accordance with prospectus and dealer registration requirements or exemptions from the prospectus and dealer registration requirements. Subscribers of REIT Units are advised to seek legal advice prior to any resale of the REIT Units. See “Resale Restrictions”.

Investing in the REIT Units involves significant risks. There is currently no secondary market through which the REIT Units may be sold and there can be no assurance that any such market will develop. A return on an investment in REIT Units of Centurion Apartment REIT is not comparable to the return on an investment in a fixed-income security. The recovery of an initial investment is at risk, and the anticipated return on such an investment is based on many performance assumptions. Although Centurion Apartment REIT intends to make regular distributions of its available cash to Unitholders, such distributions may be reduced or suspended. The actual amount distributed will depend on numerous factors, including Centurion Apartment REIT’s financial performance, debt covenants and obligations, interest rates, the occupancy rates of Centurion Apartment REIT’s properties, redemption requests, working capital requirements and future capital requirements. In addition, the market value of the REIT Units may decline if Centurion Apartment REIT is unable to meet its cash distribution targets in the future, and that decline may be material. It is important for an investor to consider the particular risk factors that may affect the industry in which it is investing and therefore the stability of the distributions that it receives. There can be no assurance that income tax laws and the treatment of mutual fund trusts will not be changed in a manner which adversely affects Centurion Apartment REIT or the REIT Unitholders. See “Risk Factors”.

ELIGIBILITY FOR INVESTMENT

In the opinion of Cassels Brock and Blackwell LLP, counsel to Centurion Apartment REIT, provided that at all times Centurion Apartment REIT qualifies as a mutual fund trust for the purposes of the *Income Tax Act*, (Canada), as amended (the “**Tax Act**”), the REIT Units will be on the date of closing of the Offering, qualified investments under the Tax Act and the regulations thereunder for trusts governed by registered retirement savings plans (“**RRSP**”), registered retirement income funds (“**RRIF**”), registered disability savings plans (“**RDSP**”), registered education savings plans (“**RESP**”), deferred profit sharing plans, and tax-free savings accounts (“**TFSA**”).

Notwithstanding that REIT Units may be qualified investments for a trust governed by a TFSA, RRSP or RRIF, the holder of a TFSA or the annuitant of an RRSP or RRIF (each, an “**Annuitant**”), as the case may be, will be subject to a penalty tax if the REIT Units are a “prohibited investment” (as defined in the Tax Act). The REIT Units will not be a prohibited investment if the holder of the TFSA or the Annuitant, as the case may be, (i) deals at arm’s length with the Centurion Apartment REIT for the purposes of the Tax Act, and (ii) does not have a “significant interest” (as defined in the Tax Act) in the Centurion Apartment REIT. In addition, the REIT Units will not be a “prohibited investment” if the REIT Units are “excluded property” (as defined in the Tax Act) for trusts governed by a TFSA, RRSP, and RRIF. Pursuant to proposals to amend the Tax Act released on March 22, 2017, the rules in respect of “prohibited investment” are also proposed to apply to (i) RDSP’s and the holders thereof, and (ii) RESP’s and the subscribers thereof. Prospective investors who intend to hold their REIT Units in a TFSA, RRSP, RRIF, RDSP or RESP should consult with their own tax advisors regarding the application of the foregoing having regard to their particular circumstances.

Description of Centurion Apartment REIT

Management of Centurion Apartment REIT

Pursuant to MI 52-110, an "**Independent Trustee**" is one who has no direct or indirect material relationship with Centurion Apartment REIT which could, in the view of the Board of Trustees, reasonably interfere with a trustee's independent judgment. The Declaration of Trust provides for a minimum of five (5) and a maximum of eleven (11) trustees. During the term of the Asset Management Agreement and any renewal thereof, the Asset Manager is entitled to appoint two (2) trustees on a board of five (5) or fewer trustees and four (4) trustees on a board of nine (9) or ten (10) trustees and five

trustees on a board of eleven (11), provided that a majority of the trustees are Independent Trustees. The balance of the trustees are to be elected annually by resolution passed by a majority of the votes cast at a meeting of the Unitholders. Certain decisions respecting the affairs of Centurion Apartment REIT must be made by the Independent Trustees. The Declaration of Trust provides for the appointment by the Trustees of an audit committee (the "**Audit Committee**") and additional committees (the "**Additional Committees**") as required. The majority of the members of each committee must be Independent Trustees. See "Management of Centurion Apartment REIT".

The Asset Manager

Centurion Asset Management Inc. (the Asset Manager) is a corporation governed by the laws of the Province of Ontario. The Asset Manager is responsible for sourcing and conducting due diligence on acquisitions and dispositions of investments for the REIT and to provide advice and guidance to REIT management. The Asset Manager receives an acquisition fee pursuant to the Asset Management Agreement which has a term expiring on December 31, 2027 unless terminated or extended.

REIT Management

The REIT Management is responsible for the day-to-day operations of Centurion Apartment REIT. Among other duties, REIT Management is responsible for: identifying multi-unit residential property investment opportunities and other investment opportunities, along with the Asset Manager, that meet the investment criteria of Centurion Apartment REIT, within the guidelines set out in the Declaration of Trust; providing the Trustees with information and advice relating to proposed acquisitions, dispositions and financings; establishing, at least on an annual basis, investment and operating plans for the ensuing period; supervising the due diligence required in connection with proposed acquisitions and supervising the completion of any resulting transactions; maintaining the books and financial records of Centurion Apartment REIT; advising as to designations, elections and determinations to be made for tax and accounting purposes; preparing reports and other information required to be sent to Unitholders and other disclosure documents; calculating and determining all allocations, communicating with Unitholders and other persons, including investment dealers, lenders and professionals; providing office space and equipment and the necessary clerical and secretarial personnel for the administration of the day-to-day affairs of Centurion Apartment REIT; and administering or supervising the administration on behalf of Centurion Apartment REIT of the payment of Distributable Income and other distributions by Centurion Apartment REIT. See 'History of the REIT Since REIT Conversion'. "Management of Centurion Apartment REIT" and "The Asset Manager".

Management of the Properties

Effective January 1, 2015, Centurion Property Associates Inc. was transferred to the REIT resulting in all the property management functions being performed within the REIT structure. In some locations where the REIT does not have sufficient scale to manage the property internally, the REIT may outsource to a third-party property manager.

Following the internalization of Centurion Property Associates Inc., effective January 1, 2015, the REIT is not charged a property management fee and the property management agreement between the REIT and Centurion Property Management Inc. was cancelled. See "History of Centurion Apartment REIT Since REIT conversion.

Management and Investment Strategy

The personnel of the REIT and the Asset Manager have significant experience in all aspects of the rental housing business, including acquisitions and dispositions, finance and administration, property management, construction and renovation, and marketing and sales and mortgage investments. These skills will permit Centurion Apartment REIT to capitalize upon many multi-unit residential real estate and mortgage investment opportunities which may be unavailable to other real estate investors who lack the requisite diversity of real estate experience.

The REIT Management intends to enhance the value of Centurion Apartment REIT's properties through a number of distinct and well executed strategies, including: a commitment to customer satisfaction; maintenance and repair programs; quality on-site building staff; detailed financial reporting; strategic debt management; enhancement of Centurion Apartment REIT's portfolio; and timely communications and

disclosure. The REIT Management will also use the strength of the portfolio to obtain more competitive financing and pricing on commodities and contracted expense items.

The REIT Management believes that multi-unit residential properties offer an attractive investment opportunity with potential for stability of yield, inflation protection and growth. Focusing predominantly on one asset class is expected to enable Centurion Apartment REIT to acquire a critical mass of residential units. It is expected to enable Centurion Apartment REIT to bolster its market presence, thereby enhancing Centurion Apartment REIT's opportunities for future multi-unit residential property acquisitions at attractive prices. Through future acquisitions of properties, in compliance with its investment guidelines, Centurion Apartment REIT intends to geographically diversify its portfolio over time by purchasing properties in thriving communities that will continue to strengthen Centurion Apartment REIT and reduce its risk of owning properties in one community or geographic area. As well, as Centurion Apartment REIT grows through the acquisition of new properties and the issuance of additional REIT Units, Centurion Apartment REIT expects to increase the stability of its income stream and provide Unitholders with increased liquidity.

The REIT Management will generally concentrate on communities that have low vacancy levels, and strong population demographics that align with the class of multi-residential properties that are acquired by Centurion Apartment REIT. See "Multi-Unit Residential Real Estate Market". The Asset Manager intends to create mass for Centurion Apartment REIT's portfolio through the acquisition and consolidation of Canadian markets where opportunities for value added properties exist.

Properties

Effective August 31, 2009 Centurion Apartment REIT entered into the Rollover Agreement with CAP 1 LP that conferred certain benefits of the Existing Properties to Centurion Apartment REIT. As at March 31, 2018, the Existing Properties consist of 51 multi-unit residential apartment buildings including four joint ventures containing an aggregate of 6,329 rental units.

The properties (the "**Properties**") represent a source of stable and secure cash flow to Centurion Apartment REIT and may provide opportunities for capital appreciation. The Properties represent a well-diversified portfolio of multi-unit residential properties located in strategic locations that meet the investment strategy. Since many of the Properties have current rents below the legally permitted maximum rents, the Asset Manager believes that such Properties represent an opportunity for enhanced value through capital improvements which will lead to increased net rental income as vacancies are reduced and tenant creditworthiness is upgraded. As well, the purchase price attributable to each of the Properties is below its respective replacement cost. See "Properties".

Capital Improvements and Expenditures

The majority of the Properties are typical of multi-unit residential apartment buildings constructed between the 1960s and 2000s. Repairs and maintenance to the component systems of the Properties were to a large extent dependent on the policies and financial capability of the previous owners of each of the Properties. At the time of acquisition of each of the Properties, due diligence investigations were conducted, including with respect to financial, title, construction, environmental and operational matters.

During the due diligence period, REIT Management uses its own experience to inspect the properties under consideration. When required, the Asset Manager calls upon various trades-people to inspect and report on systems that they specialize in. The Asset Manager suggests and supervises upgrades and investments in the buildings that the REIT Management believes will be potentially accretive to the portfolio and will be undertaken with price and efficiency taken into consideration. The experience of the REIT Management is utilized to employ non-quantitative improvements that will also add value to the portfolio through enhancement of the property value and/or revenue stream. Where engineering reports are required by the

lending institutions, the REIT Management retains qualified firms to assess the building condition and make recommendations.

Investment Guidelines and Operating Policies

The Declaration of Trust contains investment guidelines and operating policies. The investment guidelines include, among other things, criteria with respect to the types of properties which Centurion Apartment REIT can acquire and the maximum amount of mortgage loans in which Centurion Apartment REIT may invest. The operating policies address, among other things, the level of Centurion Apartment REIT's debt and the requirements for appraisals, insurance coverage and environmental audits.

The investment guidelines and certain of the operating policies may only be changed upon the approval of a two-thirds majority of the votes cast by Unitholders at a meeting called for such purpose. The remaining operating policies may be changed upon the approval of a majority of the votes cast by Unitholders at a meeting called for such purpose. See "Investment Guidelines and Operating Policies".

Borrowing

No indebtedness shall be incurred or assumed by Centurion Apartment REIT if, after giving effect to the incurring or assumption thereof of the indebtedness, the total indebtedness as a percentage of Gross Book Value, would be more than 75%. See "Investment Guidelines and Operating Policies".

Distribution Policy

The Declaration of Trust provides that Centurion Apartment REIT may distribute to REIT Unitholders such percentage of the "**Distributable Income**" for the calendar month then ended as the Trustees determine in their discretion. For the twelve-month period following the date of this Confidential Offering Memorandum, it is Centurion Apartment REIT's current intention to distribute cash distributions of \$0.8200 per Class "A" REIT Unit and \$0.9300 per Class "F" and Class "I" REIT Units per annum, payable on a monthly basis.

In addition, the Trustees may declare to be payable and make distributions, from time to time, out of income of Centurion Apartment REIT, net realized capital gains of Centurion Apartment REIT, the net recapture income of Centurion Apartment REIT, the capital of Centurion Apartment REIT or otherwise, in any year, in such amount or amounts, and on such dates on or before December 31 of that year as the Trustees may determine, to the extent such income, capital gains and capital has not already been paid, allocated or distributed to the REIT Unitholders.

Each year Centurion Apartment REIT shall deduct in computing its income for purposes of the Tax Act such portion of the amounts paid or payable to the REIT Unitholders for the year as is necessary to ensure that Centurion Apartment REIT is not liable for income tax under Part I of the Tax Act for that taxation year. The Trustees shall deduct or withhold from distributions payable to any REIT Unitholder amounts required by law to be deducted or withheld from such REIT Unitholder's distributions. See "Distribution Policy". Distributions are declared and paid at the discretion of the Trustees.

Canadian Federal Income Tax Considerations

This is a general summary only and is not intended to be exhaustive. Investors should seek the advice of their own tax advisors with respect to the tax consequences of investing in the Units.

This summary assumes Centurion Apartment REIT will qualify as a "**mutual fund trust**" under the provisions of the Tax Act at all relevant times. In the event that Centurion Apartment REIT was not to

qualify as a mutual fund trust, the Canadian federal income tax consequences described below would, in some aspects, be materially and adversely different.

Centurion Apartment REIT will generally be subject to tax under the "Tax Act" in respect of its taxable income and net realized capital gains in each taxation year, except to the extent such taxable income and net realized capital gains are paid or payable or deemed to be paid or payable in such year to REIT Unitholders and deducted by Centurion Apartment REIT for tax purposes.

A REIT Unitholder is required to include in computing income for tax purposes in each year the portion of the amount of net income and net taxable capital gains of Centurion Apartment REIT, determined for the purposes of the Tax Act, paid or payable to such REIT Unitholder in the year that Centurion Apartment REIT deducts in computing its income for tax purposes. Distributions in excess of Centurion Apartment REIT's taxable income in a year will not be included in computing the income of the REIT Unitholders from Centurion Apartment REIT for tax purposes. However, a REIT Unitholder is required to reduce the adjusted cost base of his REIT Units by the portion of any amount paid or payable to him by Centurion Apartment REIT (other than the non-taxable portion of certain capital gains) that was not included in computing his income and will realize a capital gain in the year to the extent the adjusted cost base of his REIT Units would otherwise be a negative amount. Centurion Apartment REIT will designate to the extent permitted by the Tax Act the portion of the taxable income distributed to REIT Unitholders as may reasonably be considered to consist of net taxable capital gains of Centurion Apartment REIT. Any such designated amount will be deemed for tax purposes to be received by REIT Unitholders in the year as a taxable capital gain. Upon the disposition or deemed disposition by a REIT Unitholder of a REIT Unit, a capital gain (or a capital loss) will generally be realized to the extent that the proceeds of disposition of the REIT Unit exceed (or are exceeded by) the aggregate of the adjusted cost base to the REIT Unitholder of the REIT Unit immediately before the disposition and any reasonable costs of the disposition. The adjusted cost base to a REIT Unitholder of a REIT Unit will be determined by averaging the cost base of all REIT Units owned by a REIT Unitholder as capital property at a particular time. Generally, one-half of any capital gain (a "taxable capital gain") realized by a REIT Unitholder will be included in the REIT Unitholder's income for the year of disposition. One-half of any capital loss so realized (an "allowable capital loss") may generally be deducted against taxable capital gains of the REIT Unitholder for the year of disposition. See "Canadian Federal Income Tax Considerations" "Risk Factors" "Tax Related Risks".

Risk Factors

There are certain risk factors inherent in an investment in the REIT Units and in the activities of Centurion Apartment REIT, including risks related to real property ownership, future property acquisitions, revenue producing properties, no guarantees or insurance on mortgage investments, mortgage extensions and mortgage defaults, foreclosure or power of sale and related costs on mortgage investments, litigation, competition for real property investments, competition for tenants, interest rates, debt financing, general economic conditions, general uninsured losses, availability of cash for distributions, government regulation, environmental matters, Unitholder liability, dependence on key personnel, failure or unavailability of computer and data processing systems and software, potential conflicts of interest, taxes, critical estimates assumptions and judgements, dilution, restrictions on potential growth and reliance on credit facilities, potential inability to fund investments, liquidity of the REIT Units and redemption risk and the nature of the REIT Units.. See "Risk Factors".

Tax-Related Risks

There can be no assurance that income tax laws and the treatment of mutual fund trusts will not be changed in a manner which adversely affects Centurion Apartment REIT or the Unitholders. If Centurion Apartment REIT ceases to qualify as a mutual fund trust, the Canadian federal tax considerations described under "*Canadian Federal Income Tax Considerations*" and "*Eligibility for Investment*" would be materially and adversely different, and Centurion Apartment REIT, its subsidiaries and the REIT Unitholders may be

reassessed for additional taxes from time to time. Such reassessments together with associated interest and penalties could adversely affect Centurion Apartment REIT. See “Risk Factors” and “Tax Related Risks”. Investors should consult their own tax advisors with respect to the tax consequences of investing in the Units.

Representations of Subscribers

Each Subscriber of REIT Units will represent to Centurion Apartment REIT and any dealer who sells the REIT Units to such Subscriber that such Subscriber is an “accredited investor” as defined in NI 45-106 in the case of a resident of Ontario or Quebec (where required under applicable securities laws), or that such Subscriber is an “eligible investor” as defined in NI 45-106 in the case of a resident outside of Ontario or Quebec, or the Subscriber will subscribe under the “minimum amount investment” exemption as defined in NI 45-106 in the case of a resident outside of Quebec. See “Representations of Subscribers”.

Resale Restrictions

The REIT Units are not listed on an exchange. There is currently no secondary market through which the REIT Units may be sold, there can be no assurance that any such market will develop and the REIT has no current plans to develop such a market. Accordingly, the sole method of liquidation of an investment in REIT Units is by way of a redemption of the REIT Units. Aggregate redemptions are limited to \$50,000 per month unless approved by the Board of Trustees. Depending upon the Purchase Option selected and the amount of time the REIT Units have been held, there may be a Deferred Sales Charge or Short-Term Trading Fee associated with an early redemption (see “Redemption of REIT Units”).

Subscribers of REIT Units may subsequently trade their REIT Units provided that such trades are made pursuant to an exemption from registration and prospectus requirements contained in applicable securities legislation. See “Resale Restrictions”.

Purchasers’ Rights of Action

Securities legislation provides purchasers of REIT Units pursuant to this Offering Memorandum with a remedy for damages or rescission, or both, in addition to any other rights they may have at law, where the Offering Memorandum and any amendment to it contain an untrue statement of a material fact or an omission to state a material fact that is required to be stated or that is necessary to make any statement not misleading in light of the circumstances in which it was made. These remedies, or notice with respect to these remedies, must be exercised or delivered, as the case may be, by the purchaser within the time limits prescribed by applicable securities legislation. See “Purchasers’ Rights of Action”.

See “Declaration of Trust” and “Description of Units”. The objectives of Centurion Apartment REIT are: (i) to provide Unitholders with stable and growing cash distributions, payable monthly and, to the extent reasonably possible, tax deferred, from investments in a diversified portfolio of income-producing multi-unit residential properties located in Canada; and (ii) to maximize REIT Unit value through the ongoing management of Centurion Apartment REIT’s assets and through the future acquisition of additional multi-unit residential properties. See “Objectives of Centurion Apartment REIT”.

The Trustees are responsible for the general control and direction of Centurion Apartment REIT. The day-to-day management of Centurion Apartment REIT is carried out by the REIT Management. See “Management of Centurion Apartment REIT” and “Management of the Properties”.

Future acquisitions will be subject to specific investment guidelines and the operation of Centurion Apartment REIT will be subject to specific operating policies. See “Investment Guidelines and Operating Policies”. Centurion Apartment REIT holds all of its interests in the Existing Properties and will hold all of its interest in the Properties Under Contract in the name of Centurion Apartment Properties GP Inc. in the name of nominee corporations, on behalf of the REIT, all of the shares of which nominee corporations are owned, directly or indirectly, by Centurion Apartment REIT. The head office of Centurion Apartment REIT is located at: 25 Sheppard Avenue West, Suite 710, Toronto, ON M2N 6S6.

History of Centurion Apartment REIT Prior to REIT Conversion

Centurion Apartment REIT evolved over a number of years into its current form as a REIT. Gregory G. Romundt, the founder of the REIT began acquiring the first properties in the portfolio in 2003. In March 2006, Centurion Apartment Properties I LP (“CAP I LP”), a growth-oriented private apartment investment fund was launched and issued its first equity at \$10/Unit. On June 1, 2007, Mr. Romundt rolled over his six-property personal apartment portfolio into CAP I LP and opened CAP I LP to investment on a private placement basis. It continued to issue new equity to fuel growth, with the last subscriptions in November of 2008 occurring at

\$22.21/Unit. During this period the portfolio grew to 1,179 apartment suites (including joint ventures) at 23 properties in 14 cities and towns across Ontario. In 2009, preparations began to convert CAP I LP into a REIT. On August 31, 2009 Centurion Apartment REIT was established by Declaration of Trust and it entered into Rollover and Exchange Agreements with CAP I LP for the Rollover of CAPLP’s property portfolio into the REIT. This Rollover occurred on June 30, 2010 at a price of \$22.65/Unit at which time 1,477,500 Exchangeable “B” Units of CAP II LP were issued (equivalent to 1,477,500 Class “A” REIT Units) in exchange for their CAP I LP Units. This represented an exchange ratio of 2.265 CAP II LP Units per CAP I LP Unit.

History of Centurion Apartment REIT Since REIT Conversion

Since the REIT conversion in 2009, Centurion Apartment REIT has grown to assets of over \$1.3 billion as at March 31, 2018. The property portfolio has more than 51 buildings and 6,329 units located in Ontario, Quebec, Nova Scotia, Saskatchewan, and Alberta. Purpose-built student housing, considered a niche market, represents ten buildings within the property portfolio.

Acquisitions, combined with significant capital improvements has resulted in significant increases in asset values since the conversion (See “Properties”). In 2012, the Asset Manager of Centurion Apartment REIT had identified the provision of debt and equity financing for growth-oriented real estate transactions,

particularly in its core area of expertise of apartments and student housing, and the development thereof, as significant opportunities that would be a potentially accretive source of profit and an acquisition pipeline for Centurion Apartment REIT.

Since the beginning of 2013, the Asset Manager has been building this financing business for Centurion Apartment REIT and in May of 2013 began its first capital deployments. As the business grew, the Asset Manager believed that the potential scale of these opportunities, particularly in the development of new apartments and student housing which Centurion Apartment REIT could buy, would ultimately require a larger capital allocation than could be supported on its balance sheet alone. Further, the Asset Manager was seeing a regular flow of other real estate debt and equity investment opportunities that fell outside of the acquisition pipeline goals of Centurion Apartment REIT by virtue of its' activities in the market that it had to forego.

The Asset Manager believed that there was sufficient scope to create a fund to focus on these and other similar opportunities. To maximize the number of opportunities upon which it could execute potential Property Purchase Options and Property Offer Options, the Board of Trustees of Centurion Apartment REIT decided to set up a new fund, the Centurion Real Estate Opportunities Trust ("CREOT") to which it would contribute a portion of Centurion Apartment REIT's mortgage investments portfolio in return for equity in CREOT. Centurion Apartment REIT and CREOT would be strategic partners in providing developers an end-to-end solution for debt and equity financing and ultimately a potential exit in a sale of the stabilized development to Centurion Apartment REIT (See "Strategic Relationship with Centurion Real Estate Opportunities Trust"). CREOT was established by declaration of trust on August 13, 2014 and on September 12, 2014 Centurion Apartment REIT contributed a mortgage portfolio of \$58,927,228 in return for 5,897,722.80 Class "R" Units of CREOT at \$10.00 per Class R Unit. Centurion Apartment REIT and CREOT signed the Warehouse Agreement (See "Warehouse Agreement") and the Asset Transfer Agreement as part of the transaction.

Internalization of the Property and Asset Management Teams

Effective January 1, 2015, the REIT, along with Centurion Real Estate Opportunities Trust, internalized its property and asset management teams. Management believes that internalizing these teams better aligns the management structure of the REIT and the other trusts with the interests of the unitholders and will reduce costs.

The key benefits of the internalization include the elimination of the property and asset management fees while maintaining the REIT's ability to draw upon the expertise of management.

PROPERTIES

Summary

The Existing Properties and Properties Under Contract (collectively, the "**Properties**") represent a source of stable and secure cash flow and may provide opportunities for capital appreciation. The Properties represent a well-diversified portfolio of multi-unit residential and commercial properties located in strategic locations that meet the investment strategy. Since many of the Properties currently have rents below the legally permitted maximum rents, the Asset Manager believes that the Properties represent an opportunity for enhanced value through capital improvements which will lead to increased net rental income as vacancies are filled and tenant creditworthiness is upgraded. As well, the current value attributable to some of the Properties is below their respective replacement cost. Certain aspects of the Properties are summarized in Appendix "D".

Existing Properties

Effective August 31, 2009 CAP I LP and Centurion Apartment REIT entered into the Rollover Agreement conferring certain benefits of the Rolled Properties to Centurion Apartment REIT as well as conferring certain benefits of CAP II LP and Centurion Apartment REIT to CAP I LP. The “Existing Properties” consist of 51 properties of which 48 are wholly owned multi-unit residential apartment buildings and 4 are joint ventures in multi-unit residential apartment buildings containing an aggregate of suites comprising rental units. Of the 51 properties, 41 are standard apartment buildings and 10 are student residences. See “Appendix “A” – Existing Properties”. Under the Rollover Agreement, CAP I LP and CAP II LP agree to share in the profits (or losses) associated with properties owned or to be owned by the other, in proportion to their respective interest in Centurion Apartment REIT, as evidenced by the number of REIT Units owned by each. All the properties owned by Centurion Apartment REIT will be managed and operated by the Asset Manager and Property Manager or a sub manager reporting to the Property Manager in certain circumstances. As per the Exchange Agreement, Centurion Apartment REIT issued to CAP I LP Unitholders one Special Voting Unit (as described in the Declaration of Trust) for everyone unit of CAP II LP when CAP I LP was rolled into CAP II LP. See Appendix “A” for a list of the Existing Properties and Appendix “D” for summary information about the Existing Properties.

Joint Venture Properties

Certain of the Existing Properties are also Joint Venture Properties in which Centurion Apartment REIT has an investment partner(s) that participates in the ownership of certain properties. See Appendix “B” for a list of the Joint Venture Properties as at the date hereof.

Properties Under Contract

See Appendix “C” for a list of Properties Under Contract (if any) as at the date hereof. As at April 30, 2018, there were no properties under contract.

Description of the Properties

See Appendix “D” for a detailed description of the Properties as of the date hereof.

Financing

See attached audited consolidated financial statements in Appendix “F” for a summary of the mortgages that are in place on the Properties as at December 31, 2017.

Acquisition and Operating Facilities

On a consolidated basis, Centurion Apartment REIT has Acquisition and Operating Facilities (the “**Acquisition and Operating Facilities**”) of \$95,750,000 to fund working capital, acquisitions and mortgage principal repayments. The Acquisition and Operating Facilities are revolving credit facilities and amounts drawn thereunder will not, after giving effect to the incurring of such indebtedness, cause the total amount of indebtedness of Centurion Apartment REIT and the amount then advanced under the Acquisition and Operating Facilities, to exceed 75% of the Gross Book Value, unless a majority of the Trustees, in their discretion, determine that the maximum amount of indebtedness will be based on the appraised value of the real properties of Centurion Apartment REIT. Periodic equity financing will be used to pay down the Acquisition and Operating Facilities. The Acquisition and Operating Facilities will also facilitate acquisitions by Centurion Apartment REIT by enabling it to enter into negotiations for the purchase of properties without the need for an equity financing condition.

Centurion Real Estate Opportunities Trust, which is consolidated as part of the Trust, has a credit facility totaling \$30,000,000 with a Canadian Chartered bank.

26	Other Income						14.43%	15.54%	15.57%	25.90%

In 2017, Other Income increased as a portion of total returns to 25.90%. This was driven by the increase in interest income earned by the investment in Centurion Real Estate Opportunities Trust. Given the strategic importance of continuing to build a future pipeline for accretive growth, and additional investing in

mortgages, management expects that this income will stay relatively the same for the next while as the REIT continues to deploy into similar opportunities until these turn into actual property acquisitions upon project stabilization. Once these opportunities become property rather than mortgage investments, we expect that the proportion of returns for tax purposes classified as Other Income will decline.

Centurion Apartment REIT's primary investment areas are described below.

Multi-Unit Residential Real Estate Market

The real estate industry in Canada is divided into two segments: (i) residential – where people live, and (ii) commercial – including office, retail and industrial properties. Centurion Apartment REIT's focus is primarily on multi-unit residential rental properties where large numbers of individuals live either in apartment buildings, townhouses or land lease communities. The following chart depicts the size of the rental market universe in Canada and further outlines the distribution of rental stock, by Province and within census metropolitan areas with populations greater than 10,000.

Province	Rental Universe	% of Total	Vacancy Rate
Newfoundland and Labrador	6,025	0.3%	6.40%

Rental universe is total provincial rental universe of row/apartments (CMHC - October 2017)

While Centurion's current portfolio is concentrated primarily in Ontario and Quebec, these two provinces represent just shy of 74% of the total rental stock in Canada. Ontario alone represents just under 36% of the rental stock, and presents vacancy rates that are lower than the national average with anticipated growth of household formation that is higher than the national average. The following chart outlines, for the period indicated therein, the annual growth rate in households in Canada, according to Statistics Canada.

Province	Households 2011	Households 2016	Average Annual Growth Rate

Census-based estimates of total private households (Statistics Canada - 2011 and 2016 Census)

The following chart outlines, for the period indicated therein, the percentage of household dwelling ownership in Canada, which in the inverse presents the propensity for rental households, where Ontario and Quebec have the lowest household dwelling ownership rates in the country.

Province	Household Ownership 1996	Household Ownership 2006	Household Ownership 2016
Newfoundland and Labrador	77.1%	78.7%	76.7%
Prince Edward Island	72.1%	74.1%	70.3%

Ownership rates are computed as owners divided by total of all tenure types (CMHC, adapted from Statistics Canada - 1996/2006 and Statistics Canada - 2016)

Centurion Apartment REIT generally focuses acquisition efforts in outer lying areas that have a lower cost per unit than in urban areas, where tighter markets present relative pricing barriers. Based on the growing population in the Province of Ontario, and the lack of new construction of multi-unit residential buildings in these secondary and tertiary markets (see below), tenant demand for these properties has increased over the years.

Proportion of New Construction by Type - 2017

(Source: CMHC)

According to Canada Mortgage and Housing Corporation (“CMHC”), the vacancy rates in Canadian apartments were 3.0% in 2017, 3.4% in 2016, 3.5% in 2015, 3.0% in 2014, 2.9% in 2013, 2.8% in 2012, 2.5% in 2011, 2.9% in 2010 and 3.0% in 2009. While CMHC does not track and report statistics for all the smaller markets that Centurion Apartment REIT invests in, the Asset Manager does monitor and consider CMHC statistical data and forecasts as a benchmark tool when developing its investment objectives for Centurion Apartment REIT. Assuming the population in Ontario continues to grow and the declining relative costs of renting versus owning increases overall rental demand, the Asset Manager also expects an increase in demand for multi-unit residential rentals to accommodate new immigrants seeking long-term rental households and an aging population that is moving from both rural and over-populated/over-priced urban centers for better value. It is the experience of the Asset Manager that by purchasing or repositioning properties to be the ‘best in class’ in a community that they will attract a higher class of tenant that is respectful and will take pride living in the buildings.

Rental Vacancy Rates 1992-2017

(Source: CMHC)

The Asset Manager believes that its strategies may provide REIT Unitholders with property acquisitions in a value-added approach. The Asset Manager generally focuses on communities that show consistently low vacancy levels and strong population demographics that align with the class of properties acquired by Centurion Apartment REIT. Centurion Apartment REIT targets a vacancy rate range of 3 to 5% for its portfolio. Many properties that the Asset Manager is identifying as potential acquisitions are under-managed in terms of rental revenues, operating expenses and capital improvements. Many previous or existing private owners, being generally less sophisticated operators, tend not to have taken advantage of scale or other efficiencies in managing the properties. Moreover, many of these private owners rely upon the cash flow of the property’s operations to fund necessary capital improvements and expenditures, which increase with the age of the property.

Management believes there are limited opportunities for new acquisitions in Canada due to the current market conditions. Management believes that there are significant opportunities for portfolio growth in the United States. The market in the United States is significantly larger than Canada and one that trades more actively. Management will be actively seeking investment opportunities in the United States on an opportunistic basis.

These capital-intensive improvements and expenditures that many private owners are unwilling or unable to fund often unlock potential incremental income which can be realized from increased rents or reduced operating expense.

THE STUDENT HOUSING MARKET

Purpose-built student housing is a niche and underserved multi-residential market in Canada that the Asset Manager believes may provide potentially attractive opportunities for Centurion Apartment REIT.

In the opinion of the Asset Manager, there are many student housing markets with some or all of the following potentially positive characteristics:

- high occupancy rates due to a shortage of quality, well located properties
- higher rents per square foot, generally translating into higher yields on student properties
- low correlation to the economy; in slow economic periods, students may be more inclined to stay in school, and unemployed persons may return to school, creating further demand
- a highly-fragmented industry with few dominant competitors, ripe for consolidation by a well-capitalized and focused acquisition strategy

- good inflation hedge characteristics due to frequency of lease turnover at market rates
- generally strong tenant quality due to multiple lease guarantors
- the specialized management skills in the business act as a barrier to entry
- the large dollar purchase price (as most are new construction) and higher equity requirements act as a barrier to entry
- the niche and emerging nature of the business hasn't as yet attracted a large institutional following or participation, further acting to limit potential competition
- student demands are becoming more discerning with a willingness to pay for premium lifestyle accommodation with security and amenities driving demand for new purpose-built product
- off campus residents tend to be second through fourth year students with most first-year students opting to stay on campus and remain in university residence

In the opinion of the Asset Manager, student housing also has some potentially negative characteristics such as:

- students move in and move out at the start and end of the academic year respectively. This means that if a property has some vacancy at the start of the academic year, that there is little potential to fill these units until the next term or academic year meaning that vacancies, if any will be less easy to fill than standard apartments.
- students require a higher level of oversight than standard apartments as it often is their first independent living experience. Properties require this increased oversight to reduce the risk of property damages and noise that may otherwise disturb other residents
- student properties are less well understood by financial institutions. This means fewer of them offer mortgage financing and the terms offered may not be as attractive as for regular apartments
- student apartments with higher bedroom density (like 4 and 5-bedroom units) that are off campus, are generally not eligible for CMHC insured mortgage financing.

According to the Association of University and Colleges of Canada, for 2017 there are over 1.3 million students enrolled in 92 universities across Canada with enrollment greater than 10,000; this includes 1,040,460 full-time students. Currently, Centurion Apartment REIT serves markets where approximately 18% of these full-time students attend University at eight of these institutions. With increasing enrollment anticipated at most Canadian post-secondary institutions, including colleges, it is the opinion of the Asset Manager that the student housing market in Canada is under-serviced and demand will remain high for quality properties in premium locations that are within walking distance of the schools.

Centurion Penetration of Target Universe Locations in Markets with Full-time University Students

The chart above illustrates that the REIT has residences serving 18% of the university campuses that it is currently targeting.

Management remains optimistic about this space however we believe the number of opportunities for growth by development or acquisition have declined. Student condominiums have become hot with retail investors. As a result, a large number of the potential student sites are being built as for sale to retail investor condominiums. It makes sense for developers to do so as retail investor condominiums. It makes sense for developers to do so as retail investors will pay substantially more than the REIT will for the same property.

Mortgage Investments

Centurion Apartment REIT, within the parameters set in the Investment Guidelines makes investments in mortgages on an opportunistic basis. The primary focus of the mortgage investment program is to (where possible) create potential future acquisition opportunities for the REIT. As the Asset Manager currently

believes that there are opportunities in new construction rental apartments and student properties, the Asset Manager has been sourcing mortgage investment opportunities for the REIT where the REIT may be granted purchase options upon the completion and/or stabilization of the properties. The Asset Manager believes that providing funding to apartment developers and securing related purchase options (where possible) positions Centurion Apartment REIT to earn income during construction and to build a future acquisition pipeline. In addition to apartment and student housing development mortgages, the REIT has also made other mortgage investments consistent with the Investment Guidelines to further diversify the portfolio.

The market conditions for mortgage investment are reasonably favorable. Conventional lenders remain somewhat cautious but active and there are constraints on the availability of development funding for both multi-unit residential and student housing, which are the REIT's key markets. Developers are attracted to the REIT to assist with construction financing particularly outside of the Greater Toronto Area, given the REIT's unique market position in being able to finance the construction, providing rental market experience and being a potential end purchaser of the completed product.

With the prospects for the opportunities that may grow out of the mortgage investment program, the REIT created and seeded a new fund with its existing mortgage portfolio, the Centurion Real Estate Opportunities Trust ("CREOT") and opened this to outside investment on September 15, 2014. The REIT subscribed and continues to subscribe for Class "R" Units of CREOT which do not attract any additional asset management fees and as such, there are no duplication of fees between the REIT and CREOT with the Asset Manager.

The intention was to create a strategic partnership between the REIT and CREOT to offer a complete end-to-end solution for developers of apartments and student housing (See "Strategic Relationship with Centurion Real Estate Opportunities Trust"). While the REIT may also continue to invest in mortgage investments independently of CREOT, it is anticipated that the majority of the REIT's future mortgage investment activity would likely be via its investment in CREOT and Warehoused Mortgages with CREOT (See "Warehouse Agreements").

Please refer to Appendix "E" - Summary Information About the Mortgage Investment Portfolio for further information.

The traditional sources of real estate mortgage financing include Schedule I and II banks, trust companies, insurance companies and pension funds ("Institutional Lenders"). The larger Institutional Lenders in Canada are generally focused on mortgage loans that comply with the often-restrictive lending criteria established by the Canadian banks. These criteria became much more restrictive after the 2008 credit crisis, resulting in a pullback by traditional lending sources from the mortgage market in general and in particular the commercial mortgage market. Due to the focus of large financial institutions on limited types of mortgage loans and increasingly conservative loan exposure levels, quality lending opportunities exist in some segments of the mortgage market at premium interest rates secured by high quality mortgage loans. Below are the areas of focus for Centurion Apartment REIT in the mortgage market.

Construction loans for purpose built rental apartments and student housing buildings

Mortgage financing to support the construction of purpose built rental apartments and student housing buildings is provided on a strictly limited basis by only a few large financial institutions, primarily a few of the Schedule I and Schedule II Banks and some Trust Companies. In spite of vacancy rates upon completion and stabilization for these types of projects remaining extremely low, these lending institutions are very conservative and limited in the amount of financing they will provide. This allows Centurion Apartment REIT to potentially find abundant lending opportunities on high quality projects, typically structured as either first or second mortgages, in particular for those projects which Centurion Apartment REIT may have an interest in acquiring upon completion. The loan exposure levels provided by the

Company are typically well within the price point at which Centurion Apartment REIT would be interested in acquiring the completed projects.

Multi-Family Residential, Investment Properties and Commercial Mortgages

Mortgage lending in the income producing investment property market is dominated by a few large Institutional Lenders. These institutions tend to be more conservative and focus only on the highest quality of income producing properties owned by large real estate investors. As a result, Centurion Apartment REIT is able to find attractive lending opportunities providing first and second mortgage financing on other income producing properties and owners, including attractive lending opportunities on purpose built multifamily rental and student housing.

Developer and Builder Pre-Construction Loans

Builders and developers require loans to acquire land to build low rise and high-rise developments. The Institutional Lenders lend on a very limited basis on land, presenting potentially attractive lending opportunities to Centurion Apartment REIT.

Mezzanine and Subordinated Debt Financing

Mezzanine or subordinated debt financing for residential and commercial development projects is highly fragmented. Institutional Lenders typically do not provide this type of specialized financing for developers, and the capital providers are typically small private entities with limited access to capital. Given the lack of participation from the larger financial institutions, there is less competition in this market segment, which provides Centurion Apartment REIT with opportunities to underwrite well-structured, secure mortgage loans with attractive pricing.

Residential Mortgages

The single family conventional mortgage market in Canada is dominated by the Schedule I Banks which are aggressive in underwriting single family Conventional Mortgage loans provided they strictly comply in all aspects with rigid underwriting criteria. The five largest Schedule I Banks are generally less aggressive in pursuing single family Conventional Mortgage loans where (i) the borrower is self-employed, (ii) the borrower lacks a well-developed domestic credit history due to having recently immigrated to Canada, (iii) the borrower intends to substantially renovate the property, or (iv) the borrower or the loan is otherwise outside the strict lending guidelines of the Schedule I Banks. Consequently, the borrowers who do not meet the rigid underwriting criteria of the Schedule I Banks find it more difficult to obtain financing from traditional financial institutions, regardless of loan-to-value ratios or security offered, presenting attractive lending opportunities to Centurion Apartment REIT.

Strategic Relationship with Centurion Real Estate Opportunities Trust

Since the beginning of 2013, the Asset Manager had been building a financing business for Centurion Apartment REIT and in May of 2013 began its first capital deployments. As the business grew, the Asset Manager believed that the potential scale of these opportunities, particularly in the development of new apartments and student housing which Centurion Apartment REIT could buy upon completion, would ultimately require a larger capital allocation than could be supported on its balance sheet alone. Further, the Asset Manager was seeing a regular flow of other real estate debt and equity investment opportunities that fell outside of the acquisition pipeline goals of Centurion Apartment REIT by virtue of its' activities in the market that it had to forego. As such, the Asset Manager believed that there was sufficient scope to create a fund to focus on these and other similar opportunities. To maximize the number of opportunities upon which it could execute and potentially secure purchase options, the Board of Trustees of Centurion Apartment REIT decided to set up a new fund, Centurion Real Estate Opportunities Trust, to which it would contribute Centurion Apartment REIT's debt and equity financing portfolio in return for equity in the Trust. Centurion Apartment REIT and the Trust would be strategic partners in providing developers

an end-to-end solution for debt and equity financing and ultimately a potential exit in a sale of the stabilized development to Centurion Apartment REIT. In the opinion of the REIT Management, this end-to-end solution has been seen by developers as an attractive option and has garnered considerable interest. The strategic partnership between Centurion Apartment REIT and the Centurion Real Estate Opportunities Trust is intended primarily to have the following benefits:

For Developers and other clients:

- an end-to-end solution to finance, develop, manage and sell their properties

For CREOT:

- a significant starting portfolio with a track record that would allow CREOT to get to scale faster than if it started from scratch
- the opportunity to invest for income and growth on new opportunities originating from relationships developed by Centurion Apartment REIT.
- via the Warehousing Agreement with Centurion Apartment REIT, the ability to move quickly to commit to investment opportunities to build its portfolio.

For Centurion Apartment REIT:

- the continuing opportunity to participate in the income and growth on its pro-rata holdings in the portfolio it had built and contributed to CREOT
- the opportunity to use its own operating facilities to fund higher yielding investments on a short-term basis via the Warehousing Agreement for short term income
- the opportunity to build a larger pipeline of potential acquisitions than it could on its own

As such, it is anticipated that Centurion Apartment REIT will invest in the strategic relationship with CREOT by maintaining an investment in CREOT and in providing a warehouse facility to CREOT to assist CREOT in growing its portfolio and thus ultimately, the number of options to purchase properties which Centurion Apartment REIT may have interest in (See "Warehouse Agreement")

Warehouse Agreements

Centurion Apartment REIT has entered into two Warehouse Agreements with CREOT and Centurion Financial Trust ("CFIT") pursuant to which Centurion Apartment REIT has agreed to fund (purchase) and warehouse certain mortgage investments originated by (or on behalf of) CREOT or CFIT (the "Warehoused Mortgages") and growth-oriented real estate investments, ancillary real estate and other investments (the "Warehoused Other Investments"). The Warehouse Agreements (i) provides CREOT and CFIT with a non-committed funding facility to fund (A) mortgage investments originated and placed directly or indirectly by the Mortgage Manager on behalf of CREOT or CFIT and (B) growth-oriented real estate investments (including real estate development), ancillary real estate and other investments identified by the Asset Manager on behalf of CREOT or CFIT and (ii) grants CREOT or CFIT an option to repurchase Warehoused Mortgages and Warehoused Other Investments funded (purchased) under the Warehouse Agreement at any time. The Warehouse Agreements also provide Centurion Apartment REIT with an option to sell any Warehoused Mortgages and/or Warehoused Other Investments to CREOT or CFIT (i) on 180 days' prior notice for any Warehoused Mortgages and/or Warehoused Other Investments that remain in good standing, (ii) immediately (within three (3) Business Day) for any Warehoused Mortgages and/or Warehoused Other Investments that have been noted in default or that have otherwise experienced a negative credit or other event, as set out in the Warehouse Agreements, or (iii) on thirty (30) days' prior notice where CREOT or CFIT has provided a notice to terminate the Warehouse Agreements.

For such time as Centurion Apartment REIT is the beneficial owner of the Warehoused Mortgages and Warehoused Other Investments it is entitled to all related economic benefits. Until such time as the CREOT or CFIT has acquired such Warehoused Mortgages and Warehoused Other Investments from the REIT, CREOT has no rights to such Warehoused Mortgages or Warehoused Other Investments, but is fully-exposed to the related downside risks by virtue of Centurion Apartment REIT's unrestricted option to immediately sell any Warehoused Mortgages and/or Warehoused Other Investments that have been noted in default or that have otherwise experienced a negative credit or other event, as set out in the Warehouse Agreements.

In the event that CREOT or CFIT purchases a Warehoused Mortgage from Centurion Apartment REIT, the purchase price for such Warehoused Mortgage will be: a) the outstanding principal balance owing to Centurion Apartment REIT in respect of each Warehoused Mortgage plus all interest attributable to such interest accrued and unpaid on such Warehoused Mortgage less (b) CREOT's or CFIT's pro-rata share of the upfront, ongoing and deferred lender fees payable in respect of such Warehoused Mortgage, if any, to Centurion Apartment REIT as the beneficial owner of the Warehoused Mortgage. Where the purchased Warehoused Mortgage provides for the opportunity to share in the profits of the property underlying the Warehoused Mortgage, all such participating rights and profit sharing shall attribute exclusively to CREOT or CFIT and shall not be included in the purchase price. In the event that CREOT or CFIT purchases a Warehoused Other Investment from Centurion Apartment REIT, the purchase price for such Warehoused Other Investment will be determined on the basis, or using the formula, set out in the applicable commitment letter pursuant to which Centurion Apartment REIT agreed to advance funds in respect of such Warehoused Other Investment, or such other price as CREOT or CFIT and Centurion Apartment REIT may agree.

The Warehouse Agreements requires that, unless otherwise agreed by CREOT or CFIT and Centurion Apartment REIT, the Warehoused Mortgages and Warehoused Other Investments funded or purchased by Centurion Apartment REIT be purchased by CREOT or CFIT on a "first in, first out" basis. The "first in, first out" requirement applies collectively to Warehoused Mortgages and Warehoused Other Investments.

It is expected that CREOT or CFIT will make use of the facility under the Warehouse Agreements to fund mortgage and other investments in order to (i) permit the continuous deployment of capital and (ii) avoid a reduction of returns associated with delays in the deployment of equity capital that needs to be raised to fund mortgage investments. Centurion Apartment REIT is not required to fund (purchase) any mortgage investments pursuant to the Warehouse Agreement and has made no commitments to do so. Any funding decision of Centurion Apartment REIT is made independent of CREOT or CFIT by the independent trustees of Centurion Apartment REIT, provided that the independent trustees of Centurion Apartment REIT may set parameters pursuant to which such funding decisions are delegated to the Asset Manager (or any successor asset manager of Centurion Apartment REIT).

As consideration for Centurion Apartment REIT providing the warehouse facility and entering into the Warehouse Agreement, during the term of the Warehouse Agreements, CREOT or CFIT has granted Centurion Apartment REIT the exclusive first right to purchase from CREOT or CFIT and exercise any Property Purchase Option granted to CREOT or CFIT in connection with the acquisition of any Mortgage Assets and/or other investments. During the Term, such right shall apply to all Mortgage Assets and/or other investments for which CREOT or CFIT is the beneficial owner regardless of whether or not such Mortgage Assets and/or other investments are warehoused with Centurion Apartment REIT in accordance with the Warehouse Agreements. The purchase price paid by Centurion Apartment REIT for any Property Purchase Option shall be the fair market value of such Property Purchase Option determined at the time Centurion Apartment REIT exercises its right to purchase the Property Purchase Option, acting reasonably and in good faith. Any disputes with respect to the determination of the fair market value of the Property Purchase Option are to be resolved through negotiation between Centurion Apartment REIT and CREOT or CFIT, failing which either party may request that an independent firm of licensed real estate appraisers

resolve the dispute. Centurion Apartment REIT has the option to redeem the number of Class R Units equal to the fair market value of the Property Purchase Option in order to satisfy the purchase price therefore.

As further consideration for Centurion Apartment REIT providing the warehouse facility and entering into the Warehouse Agreements, during the term of the Warehouse Agreements, CREOT or CFIT has agreed to assign at no cost to Centurion Apartment REIT the exclusive first right to exercise any Property Offer Option granted to CREOT, provided such Property Offer Option is transferable to the Centurion Apartment REIT. During the term, such right shall apply to all Mortgage Assets held by CREOT or CFIT regardless of whether such Mortgage Assets and/or other investments are warehoused with Centurion Apartment REIT in accordance with the Warehouse Agreements. Centurion Apartment REIT and CREOT or CFIT have acknowledged in the Warehouse Agreements that the fair market value of each Property Offer Option is expected to be nominal and that unless Centurion Apartment REIT and CREOT or CFIT, each acting reasonably and in good faith, determine otherwise, the purchase price for each Property Offer Option shall be \$0.

Centurion Apartment REIT has the option to require that CREOT or CFIT pay the purchase price of any Warehoused Mortgages and/or Warehoused Other Investments in additional Class R Units rather than in cash, or to satisfy the purchase price of a Property Offer Option and any underlying Warehoused Mortgage and/or other investment relating thereto through the redemption of Class R Units.

Conflicts of Interest and Allocation of Investment Opportunities between the REIT and CREOT

Centurion Apartment REIT and CREOT operate independently from one another and have separate boards of trustees, with Mr. Gregory Romundt, Mr. Robert Orr and Mr. Martin Bernholtz serving as trustees for both Centurion Apartment REIT and CREOT. Although Mr. Martin Bernholtz serves as a trustee of both Centurion Apartment REIT and CREOT, he is otherwise independent of the Asset Manager and its affiliates.

The Declaration of Trust contains “conflict of interest” provisions requiring Trustees to disclose material interests in Material Contracts and transactions and to refrain from voting thereon. Where there is a material conflict of interest, this conflict will be managed to prevent the conflict from adversely affecting the interests of the REIT, including by referring such conflict matter to the Independent Trustees. Additionally, certain Independent Trustee Matters, which have been deemed to have potential inherent conflicts, require the approval of the Independent Trustees.

Centurion Apartment REIT and CREOT may end up competing for the same investment opportunities and operating in the same markets, despite the differing time horizons mentioned above. CREOT may invest in long term real-estate properties and Centurion Apartment REIT may from time to time invest in Mortgage Assets. In the event that CREOT Trust and Centurion Apartment REIT are both interested in pursuing the same investment opportunity, the Asset Manager will seek to allocate investment opportunities on a basis which it determines to be fair and reasonable. There is no requirement that the Asset Manager allocate investment opportunities on a pro rata basis between CREOT and Centurion Apartment REIT. There may be situations where an investment opportunity is allocated to CREOT despite the REIT having an interest in such investment opportunity, and vice versa. See “RISK FACTORS – Allocation of Investment Opportunities”.

In addition, it is part of CREOT’s strategy to focus on properties that could be later sold to Centurion Apartment REIT. In such cases, Centurion Apartment REIT would have to pay fair market value for the properties which may be determined in part by the Asset Manager and will be reviewed and approved by the Independent Trustees.

Other Asset Classes and Markets

Centurion Apartment REIT may invest in commercial properties where attractive opportunities are presented, provided that after giving effect to such proposed investment, the aggregate value of all investments in multi-unit residential properties remains the primary focus. This offers Centurion Apartment REIT the ability to diversify the income generated by the portfolio, but, in addition, allows Centurion Apartment REIT the opportunity to acquire properties that are neither exclusively residential nor commercial, but may be complimentary to an existing location or the existing portfolio in improving the overall value proposition. Often these properties are overlooked because of their mixed use, but because of that they are often available at attractive prices.

MANAGEMENT OF CENTURION APARTMENT REIT

General

The investment policies and operations of Centurion Apartment REIT are subject to the control and direction of the Trustees, a majority of whom have had at least five (5) years of substantial experience in the real estate industry and a majority of whom are Independent Trustees. REIT Management manages the day-to-day operations of Centurion Apartment REIT. The REIT manages the Properties and supervises third-party property managers where the REIT believes it is in its best interest to retain property managers on certain properties. See "Management of the Properties".

Trustees

The Declaration of Trust provides that the assets and operations of Centurion Apartment REIT will be subject to the control and authority of a minimum of five (5) and maximum of eleven (11) Trustees. The number of Trustees may only be changed by the Unitholders or, if authorized by the Unitholders, by the Trustees, provided that the Trustees may not, between meetings of the Unitholders, appoint an additional Trustee if, after such appointment, the total number of Trustees would be greater than one and one-third times the number of Trustees in office immediately following the last annual meeting of Unitholders. The Asset Manager is, during the term of the Asset Management Agreement, entitled to appoint two (2) trustees (the "Centurion Appointees") on a board of five (5) or six (6), three (3) trustees on a board of seven (7) or eight (8), four (4) trustees on a board of nine (9) or ten (10) and five (5) trustees on a board of eleven (11). A vacancy occurring among the Trustees (other than a vacancy resulting from the resignation or removal of the Centurion Appointees) may be filled by resolution of the remaining Trustees as long as they constitute a quorum, or by the Unitholders at a meeting of the Unitholders. A vacancy occurring among the Trustees resulting from the resignation or removal of the Centurion Appointees may be filled by an appointment by the Asset Manager. There are currently five (5) Trustees, three (3) of whom are Independent Trustees.

The Declaration of Trust provides for the appointment by the Trustees of an audit committee (the Audit Committee). The Declaration of Trust contains additional provisions for the following with respect to Trustees:

- a majority of the Trustees must be Independent Trustees; and
- a Trustee, other than a Centurion Appointee, may be removed at any time with or without cause by a majority of the votes cast at a meeting of Unitholders or by written consent of Unitholders holding not less than a majority of the outstanding Units entitled to vote or with cause by a resolution passed by an affirmative vote of not less than two-thirds of the other Trustees.

Pursuant to the Declaration of Trust, each Trustee is required to exercise the powers and duties of his or her office honestly, in good faith with a view to the best interests of Centurion Apartment REIT and the

Unitholders and, in connection therewith, to exercise that degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

Conflict of Interest Restrictions and Provisions

The Declaration of Trust contains “conflict of interest” provisions that serve to protect Unitholders without creating undue limitation on Centurion Apartment REIT. Given that the Trustees and senior officers of Centurion Apartment REIT are engaged in a wide range of real estate and other activities, the Declaration of Trust contains provisions that require if a Trustee or an officer of the Trust is a party to a Material Contract or transaction or proposed material contract or transaction with the Trust or its subsidiaries, or is a director or officer or employee of, or otherwise has a material interest in, any person who is a party to a Material Contract or transaction or proposed material contract or transaction with the Trust or its subsidiaries, such Trustee or officer of the Trust, as the case may be, shall disclose in writing to the Trustees or request to have entered in the minutes of meetings of Trustees or a committee of the Trustees, as the case may be, the nature and extent of such interest.

Independent Trustee Matters

Notwithstanding anything to the contrary, in addition to requiring the approval of a majority of the Trustees, the approval of not less than a majority of the Independent Trustees holding office at such time who have no interest in the matter (given by vote at a meeting of Trustees or by written consent) shall be required with respect to any decision regarding Independent Trustee Matters.

Asset Manager's Duties

The Asset Manager, along with the REIT Management, is responsible for sourcing and conducting due diligence on acquisitions and dispositions of investments for the REIT and to provide advice and guidance to REIT management.

Asset Manager's Fees

In consideration for the services provided by the Asset Manager to Centurion Apartment REIT, the Asset Manager is entitled to an acquisition fee of 1.0% of the purchase price of any properties bought for Centurion Apartment REIT. The Asset Manager or an affiliate of the Asset Manager will be entitled to keep any borrower paid fees on mortgage investments made by Centurion Apartment REIT. The Asset Manager has appointed the Mortgage Manager as its designated affiliate with regard to any borrower paid fees in return for managing on the behalf of the Asset Manager any activities requiring a mortgage brokerage license in regards to the sourcing of mortgages by the Asset Manager. If and to the extent that the Asset Manager or any person affiliated with the Asset Manager renders services to Centurion Apartment REIT in addition to those specifically required to be rendered under the Asset Management Agreement, such services will be compensated separately as agreed to by the Independent Trustees on the basis of fees which are at least as favorable to Centurion Apartment REIT as those then generally charged for comparable services and activities.

In lieu of performance incentive fees typically associated with a real estate asset management agreement that typically range between 20% and 50% of profits, an affiliate of the Asset Manager, is entitled to an interest in Centurion Apartment REIT's cash distributions and an equity interest in the net assets of Centurion Apartment REIT (represented by the Class "M" Units), with no requirement for the Asset Manager to contribute additional capital beyond its initial subscription for Class "M" Units of the REIT and the substantial equity already owned by the President of the Asset Manager personally (see "DECLARATION OF TRUST AND DESCRIPTION OF UNITS"). As such, the Asset Manager's interests are strongly aligned with the interest of all Unitholders.

Relationship Between Centurion Apartment REIT, The Asset Manager and Affiliates of the Asset Manager

Centurion Apartment REIT is a connected issuer, and may be considered to be a related issuer, of Centurion Asset Management Inc. (the "Asset Manager"), its asset manager and an exempt market dealer and investment fund manager in certain jurisdictions, in connection with the distribution of the REIT's securities hereunder.

Centurion Apartment REIT is a connected issuer of the Asset Manager due to various factors, including the fact that Mr. Gregory Romundt is the President of both Centurion Apartment REIT and the Asset Manager and Mr. Romundt and his family beneficially own all of the shares of the Asset Manager and its affiliates, including the Mortgage Manager and the Mortgage Servicer. Centurion Apartment REIT has retained the Asset Manager to provide asset management services to it pursuant to the Asset Management Agreement as described under “Asset Manager’s Duties” and to pay the manager the fees described herein under “The Asset Manager’s Fees”.

Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager’s right, during the term of the Asset Management Agreement, to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT as more particularly described under “Trustees”. The prescribed number of nominees that the Asset Manager is entitled to appoint varies depending on the size of the board, but the prescribed number exceeds 20% of the number of trustees. See “Trustees”.

The decision to offer the Units was made upon the recommendation of the Asset Manager. A portion of the proceeds of the Offering will be used by Centurion Apartment REIT to pay the fees payable to the Asset Manager pursuant to the Asset Management Agreement as described above.

The Mortgage Manager and the Mortgage Servicer are affiliates of the Asset Manager and are not owned by Centurion Apartment REIT. Mr. Gregory Romundt is the President of each of these affiliated companies and Mr. Romundt and his family beneficially own all of the shares of each of these affiliated companies.

Centurion Apartment REIT owns 62% of a private mutual fund trust, Centurion Real Estate Opportunities Trust as at March 31, 2018.

The Mortgage Manager is a Corporation governed by the laws of the Province of Ontario. It is registered as a mortgage broker with the Financial Services Commission of Ontario (License #12372). The Mortgage Manager is an affiliate of the Asset Manager. The role of the Mortgage Manager is to conduct on the behalf of the Asset Manager any activities requiring a mortgage brokerage license in regards to the sourcing of mortgages by the Asset Manager. The Mortgage Manager does not charge a fee to Centurion Apartment REIT for any of these activities but the Asset Manager has, in accordance with the Asset Management Agreement, designated that the Mortgage Manager is its designated affiliate which will be entitled to retain any borrower paid fees that the Asset Manager would be entitled to, in return for providing such services. Senior management of the Mortgage Manager includes Gregory Romundt and Stephen Stewart. See “Management of Centurion Apartment REIT”.

Mortgage Servicer

The Mortgage Servicer is a Corporation governed by the laws of the Province of Ontario. It is registered as a mortgage administrator with the Financial Services Commission of Ontario (License #12390). The Mortgage Servicer is an affiliate of the Asset Manager. The role of the Mortgage Servicer is to, where required, collect mortgage payments and conduct any enforcement activities where a licensed third-party mortgage administrator isn’t already providing such services. The Mortgage Servicer does not charge a fee to Centurion Apartment REIT for any of these services. Where there are third parties servicing mortgages

of Centurion Apartment REIT that charge fees, these fees will be paid by Centurion Apartment REIT and the Mortgage Servicer will not charge any markup on these fees if so incurred. Senior management of the Mortgage Servicer includes Gregory Romundt and Stephen Stewart. See “Management of Centurion Apartment REIT”.

Management and Investment Strategy

The personnel of the REIT and the Asset Manager have significant experience in all aspects of the rental housing business (including acquisitions and dispositions, finance and administration, property management, construction and renovation, and marketing and sales) and the mortgage business (including origination, underwriting, administration, collection, syndication and default management). These skills should permit Centurion Apartment REIT to capitalize upon many real estate opportunities which may be unavailable to other real estate investors who lack the requisite diversity of real estate experience. The Asset Manager will enhance the value of Centurion Apartment REIT’s properties through a number of distinct and well executed strategies, including:

- **Customer Satisfaction.** The REIT Management strives to keep all customers satisfied and as long-term tenants by creating an environment that is clean and comfortable. By developing a sense of community within the properties through various programs, it will reduce turnover and vacancy which will create demand for people wanting to live in Centurion Apartment REIT’s buildings. Through the reduction in costs associated with turnover and through higher demand allowing increasing rents, net income will grow accordingly.
- **Maintenance and Repair Programs.** The REIT Management is fundamentally driven by efficiencies and cost-effective programs that are accretive to Centurion Apartment REIT’s short-term and long-term value. Through the portfolio’s conversion to a real estate investment trust, the Asset Manager has positioned Centurion Apartment REIT to take full advantage of efficiency programs and capital investments that will attract tenants and enhance the value of the portfolio.
- **Quality On-Site Building Staff.** The REIT Management believes that success of a property from both financial and customer satisfaction standpoints starts with the attitudes and work ethic from the on-site building staff. From being the first point of contact, to the ongoing attention to the customer’s needs, the building staff represents Centurion Apartment REIT. As well as being attentive and dedicated, the Property Manager will seek on-site staff that is skilled in many areas in order to reduce the requirement for outside trades to be required for ordinary day-to-day repairs and maintenance.
- **Detailed Financial Reporting.** The REIT Management utilizes sophisticated financial tools to maximize Centurion Apartment REIT’s income and measure the effectiveness of cost control and efficiency programs. The Property Manager and the Asset Manager disclose financial reporting to those involved who have a direct impact on the financial success and control of those particular incomes and expenses.
- **Strategic Mortgage Liability Management.** The REIT Management will work diligently to seek out financing opportunities to optimize Centurion Apartment REIT’s leveraged returns. The REIT Management believes that staggered maturities and terms, at leverage amounts set out by the Declaration of Trust, will ensure Centurion Apartment REIT’s exposure to fluctuating interest rates over the short and long term are both minimized and utilized to benefit Centurion Apartment REIT. The REIT Manager will make use of operating lines for capital expenditures and acquisitions to improve the returns of Centurion Apartment REIT.
- **Strategic Mortgage Investments.** The REIT Management, in conjunction with the Asset Manager will evaluate mortgage investment opportunities which provide the potential for a combination of

yield, capital growth, a potential acquisition pipeline or be of strategic value to Centurion Apartment REIT.

- **Strategic Partnerships, Joint Ventures, Divestitures and Relationships.** The REIT Management will explore strategic partnerships, joint ventures, divestitures and relationships that meet Centurion Apartment REIT's investment objectives. As of the date hereof, the REIT has a strategic relationship with Centurion Real Estate Opportunities Trust. (See "Strategic Relationship with Centurion Real Estate Opportunities Trust" and "History of Centurion Apartment REIT Since REIT Conversion").
- **Enhancement of Centurion Apartment REIT's Portfolio.** The REIT Management is always evaluating opportunities to maximize Centurion Apartment REIT's portfolio. The REIT Management may evaluate/assess whether using its call center, condominium conversion, utility retrofits, sub-metering and strategic upgrades, among other things as part of this strategy. Properties that are "mature" and are no longer adding value to Centurion Apartment REIT may be sold or repositioned if there is a market for an enhanced property. The REIT Management will continue to diversify the portfolio by purchasing properties in thriving communities that will continue to strengthen and insulate Centurion Apartment REIT from concerns that may arise in any one community.
- **Communications.** The REIT Management will deliver concise and current information to existing Unitholders with respect to the activities within Centurion Apartment REIT's portfolio.

The REIT Management believes that multi-unit residential properties offer an attractive investment opportunity with both stability of yield, inflation protection characteristics and growth potential. Focusing on predominantly one asset class will enable Centurion Apartment REIT to acquire a critical mass of residential units. It will also enable Centurion Apartment REIT to bolster its market presence, thereby enhancing Centurion Apartment REIT's opportunities for future multi-unit residential property acquisitions at attractive prices. Through future acquisitions of properties, in compliance with its investment guidelines, Centurion Apartment REIT intends to geographically diversify its portfolio by purchasing properties in thriving communities that will continue to strengthen and insulate Centurion Apartment REIT from concerns that may arise in any community. As well, as Centurion Apartment REIT grows through the acquisition of new properties and the issuance of additional REIT Units, Centurion Apartment REIT will increase the stability of its income stream and provide Unitholders with increased liquidity.

Given current market conditions, the REIT Management will continue to concentrate on communities that have relatively low vacancy levels, and strong population demographics that align with the class of multi-unit residential properties that are acquired by Centurion Apartment REIT. See "Multi-unit Residential Real Estate Market". The REIT Management intends to create mass for Centurion Apartment REIT's portfolio through acquisition and consolidation of Canadian markets where the opportunities exist.

References to Centurion Apartment REIT in those paragraphs shall be read as applying to such subsidiary where the actual activity that is the subject of the policy is carried on by such subsidiary. Further, any determinations in respect of the investment restrictions that are determinations reserved to the Trustees, where the actual activity is carried on by a subsidiary, will be made by the trustees or directors of the relevant subsidiary. Nothing in this Section, and paragraphs a) through l) of the Declaration of Trust empowers or entitles Centurion Apartment REIT or the Trustees to carry on business or to otherwise undertake any activity that would violate this Section of the Declaration of Trust.

Operating Policies

The operations and affairs of Centurion Apartment REIT shall be conducted in accordance with the following operating policies:

- (a) Centurion Apartment REIT may engage in construction or development of real property in order to maintain its real properties in good repair or to enhance the income-producing potential of properties that are capital property of Centurion Apartment REIT;
- (b) title to each real property shall be held by and registered in the name of the Trustees or, to the extent permitted by applicable law, in the name of Centurion Apartment REIT or in the name of a corporation or other entity owned, directly or indirectly, by Centurion Apartment REIT or jointly-owned, directly or indirectly, by Centurion Apartment REIT, with joint venturers or a corporation which is a nominee of Centurion Apartment REIT which holds as its only property registered title to such real property pursuant to a nominee agreement with Centurion Apartment REIT;
- (c) no indebtedness shall be incurred or assumed if, after giving effect to the incurring or assumption thereof of the indebtedness, the total indebtedness as a percentage of Gross Book Value would be more than 75% for indebtedness, including amounts drawn under an acquisition facility;
- (d) except for any indebtedness existing at Closing, no new indebtedness (otherwise than by the assumption of existing indebtedness) will be incurred or renewed or refinanced or secured by a mortgage on any of the real property of the Trust unless, at the date of the proposed incurring of the indebtedness, the aggregate of: (i) the amount of all indebtedness secured by such real property, and (ii) the amount of additional indebtedness proposed to be incurred, does not exceed 75% of the market value of such real property, on or after that date which is 12 months from the acquisition date thereof, in either case not including mortgage insurance fees incurred in connection with the incurrence or assumption of such indebtedness, which amount shall be added to the amount of the permitted indebtedness;
- (e) except for guarantees existing on the date of this "Trust Indenture", the Trust shall not, directly or indirectly, guarantee any indebtedness or liabilities of any kind of a third party, except indebtedness, liabilities or other obligations of: (i) any subsidiary of the Trust or other entity wholly-owned by the Trust, or (ii) any other entity jointly owned by the Trust with joint venturers and operated solely for the purpose of holding a particular property or properties where such indebtedness, liabilities or other obligation, if granted, incurred or assumed by the Trust directly, would not cause the Trust to otherwise contravene the restrictions set out in Section 4.1 of the Declaration of Trust and, where such indebtedness, liabilities or other obligation is granted, incurred or assumed by a joint venture entity, subject to a joint venturer being required to give up its interest in a property owned by the joint venture entity as a result of another joint venturer's failure to honour its proportionate share of the obligations relating to such property, and, except with the prior approval of the Trustees and subject always to (b) under Section 4.1, the liability of the Trust is limited strictly to the proportion of the indebtedness, liabilities or other obligation equal to the Trust's proportionate ownership interest in the joint venture entity, or (iii) with the prior approval of the Trustees and subject always to (b) under Section 4.1, the indebtedness, liabilities or other obligations of joint venturers in circumstances where any such guarantee may also be given in respect of the associated joint venture entity. In addition, the Trust will not directly or indirectly guarantee any indebtedness, liabilities or other obligations of any Person if doing so would contravene (b) under Section 4.1;
- (f) except for the "**Contributed Assets**" acquired pursuant to the Rollover Agreement, an engineering survey or physical review by an experienced third-party consultant will be obtained for each real property intended to be acquired with respect to the physical condition thereof;

- (g) at all times insurance coverage will be obtained and maintained in respect of potential liabilities of the Trust and the accidental loss of value of the assets of the Trust from risks, in amounts and with such insurers, in each case as the Trustees consider appropriate, taking into account all relevant factors including the practices of owners of comparable properties;
- (h) except for the Contributed Assets acquired pursuant to the Rollover Agreement, a Phase I environmental audit shall be conducted for each real property to be acquired and, if the Phase I environmental audit report recommends that further environmental audits be conducted, such further environmental audits shall be conducted, in each case by an independent and experienced environmental consultant;
- (i) at least 8.5% of gross consolidated annual rental revenues generated from properties where the associated mortgage financing is insured by the Canadian Mortgage and Housing Corporation ("**insured properties**") as determined pursuant to GAAP shall be expended annually on sustaining capital expenditures, repairs and maintenance, all determined on a portfolio basis for all insured properties. For this purpose, capital expenditures and repairs and maintenance include all onsite labour costs and other expenses and items associated with such capital expenditures, repairs and maintenance; and
- (j) the Trust may engage asset managers under terms and conditions acceptable to the Trustees. As at the date hereof, the Trust has engaged the Asset Manager by the terms of the Asset Management Agreement, which agreement shall remain in full force and effect until terminated by the Trustees or the Asset Manager in accordance with its terms.

For the purposes of the foregoing investment guidelines and operating policies, the assets, indebtedness, liabilities and transactions of a corporation, partnership or other entity wholly or partially owned by the Trust will be deemed to be those of the Trust on a proportionate, consolidated basis. In addition, any references in the foregoing investment guidelines and operating policies to investment in real property will be deemed to include an investment in a joint venture arrangement. In addition, the term "**indebtedness**" means (without duplication):

- (i) any obligation of the Trust for borrowed money;
- (ii) (ii) ii. any obligation of the Trust incurred in connection with the acquisition of property, assets or business other than the amount of future income tax liability arising out of indirect acquisitions;
- (iii) any obligation of the Trust issued or assumed as the deferred purchase price of property;
- (iv) any capital lease obligation of the Trust; and
- (v) v. any obligation of the type referred to in clauses i. through iv. of another person, the payment of which the Trust has guaranteed or for which the Trust is responsible for or liable;

provided that (A) for the purposes of i through iv, an obligation will constitute indebtedness only to the extent that it would appear as a liability on the consolidated balance sheet of the Trust in accordance with generally accepted accounting principles; (B) obligations referred to in clauses i through iii exclude trade accounts payable, distributions payable to Unitholders and accrued liabilities arising in the ordinary course of business.

Amendments to Investment Guidelines and Operating Policies

Subject to the Declaration of Trust, any of the investment guidelines or operating policies set forth in this section may be amended only by the vote of a two-thirds majority of the votes cast at a meeting of the Unitholders called for the purpose of amending the investment guidelines or operating policies.

DECLARATION OF TRUST AND DESCRIPTION OF UNITS

General

Centurion Apartment REIT is a limited purpose unincorporated open-ended investment trust governed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

Units

The beneficial interests in Centurion Apartment REIT are divided into three classes described as “**Class A REIT Units**”, “**Class F REIT Units**” and “**Class M REIT Units**.” The number of Class A Units and Class F Units that Centurion Apartment REIT may issue is unlimited. The number of Class M Units that Centurion Apartment REIT may issue is unlimited but is set as the ratio of the number of Investor REIT Units (Class A and Class F REIT Units), such that the amount of Class M REIT Units will equal the number of Investor Units divided by 0.95 less the number of Investor Units as in the formula below:

$$B = (A/0.95) - A$$

where:

B = number of Class M REIT Units

A = the highest total number of Investor REIT Units outstanding at any time on a look back basis

Class A and Class F Units shall be issued only as fully paid and non-assessable. Each Unit when issued shall vest indefeasibly in the holder thereof. The issued and outstanding Units may be subdivided or consolidated from time to time by the Trustees with the approval of the majority of the REIT Unitholders, or as otherwise provided in the Declaration of Trust. No new Class M Units shall be issued unless the number of Investor Units has increased from the last highest number of issued Investor Units.

"Special Voting Units" shall be issued only in connection with the Rollover Agreement, and carry with them the right to receive notice of, to attend and to vote at all Unitholder meetings. As interests in the Rollover Agreement are surrendered for REIT Units, the corresponding Special Voting Units shall automatically be cancelled for no consideration and shall no longer be outstanding.

Each REIT Unit shall represent an undivided beneficial interest in Centurion Apartment REIT and distributions by Centurion Apartment REIT, whether of net income, net realized capital gains or other amounts, and, in the event of a liquidation, dissolution, winding-up or other termination of Centurion Apartment REIT, in the net assets of Centurion Apartment REIT remaining after satisfaction of all liabilities provided that the Trustees may, in their discretion, allocate the distributions among the classes of Investor Units to adjust for the commissions, trailers and other costs attributable to the sales channels relating to each class of Investor REIT Unit. See “DISTRIBUTION POLICY”. No REIT Unit shall have preference or priority over any other. The distribution entitlement of each REIT Unit is intended to and will be derived from the same sources.

The Special Voting Units shall have no rights or entitlements in respect of distributions, whether of Distributable Income, or on a liquidation, dissolution or winding-up of Centurion Apartment REIT or otherwise.

Purchase of Units

Centurion Apartment REIT shall be entitled to purchase for cancellation at any time the whole or from time to time any part of the outstanding REIT Units, at a price per REIT Unit and on a basis determined by the Trustees in compliance with all applicable securities laws.

Redemption of REIT Units

Pursuant to the Declaration of Trust, each REIT Unitholder shall be entitled to require Centurion Apartment REIT to redeem at any time all or any part of the REIT Units registered in the name of the REIT Unitholder. The monthly redemption date ("**Redemption Date**") will be the 15th day of each and every month. If the 15th day of the month is not a Business Day, the Redemption Date for that month will be the next succeeding Business Day.

To exercise a REIT Unitholder's right to require redemption, a duly completed and properly executed notice requiring Centurion Apartment REIT to redeem REIT Units, in a form approved by the Trustees, specifying the number of REIT Units to be so redeemed, shall be sent to Centurion Apartment REIT at its head office along with the "**Unit Certificate**"(s) representing the Unit(s) to be redeemed. The Notice must be received 30 days before the Redemption Date to be considered for that particular Redemption Date. If 30 days' notice is not given, the Trustees will not be required to consider redeeming the Unit(s) until the next subsequent Redemption Date. No form or manner of completion or execution is sufficient unless the same is in all respects satisfactory to the Trustees and is accompanied by any evidence that the Trustees may reasonably require with respect to the identity, capacity or authority of the person giving such Notice. The Trustees shall be entitled in their sole discretion to accelerate the Redemption Date specified by the Unitholder in the Notice.

As of the Redemption Date, the Unitholder will not cease to have any rights with respect to the Units tendered for redemption until the Unit Redemption Price therefore (as defined below), plus the pro rata share of any unpaid distributions declared thereon and paid prior to the Redemption Date has been paid in full. Units will be considered to be tendered for redemption on the Redemption Date, provided that the Trustees have, to their satisfaction, received the Notice, together with the Unit Certificate(s) representing the Units to be redeemed and other required documents or evidence as aforesaid; and subject to the following paragraph below, the holder of a Unit properly tendered for redemption will be entitled to receive a price per Unit equal to the Fair Market Value of the Unit to be redeemed calculated at the "**Valuation Date**" immediately preceding the Redemption Date, plus the pro rata share of any unpaid distributions thereon which have been declared payable to Unitholders but remain unpaid as at the Redemption Date to the extent same are not otherwise included in the Fair Market Value of the Unit(s) to be redeemed (the "**Unit Redemption Price**").

The Unit Redemption Price for Units tendered for redemption will be reduced by any applicable "**Deferred Sales Charge**" or "**Short Term Trading Fee**" depending upon the "**Purchase Option**" that the Subscriber purchased Units under. For Unitholders that subscribed prior to the introduction of these Purchase Options, these Subscribers will have the choice of either paying the Deferred Sales Charge that would have applied to their Units had the plan been in place when they subscribed or to give an order for the REIT Management to match them against an incoming subscription for zero fee. All direct Subscribers will be conclusively deemed to have subscribed under the DSC Purchase Option.

Subject to the provisions set out in the following paragraph, the Unit Redemption Price payable in respect of Unit(s) tendered for redemption will be paid in cash by direct deposit or cheque, drawn on a Canadian chartered bank or trust company in lawful money of Canada, payable at par to, or deposited to the account of the registered Unitholder of the Unit tendered for redemption, or payable or deposited as otherwise instructed in writing by such registered Unitholder. Cash payments of the Unit Redemption Price made by Centurion Apartment REIT are conclusively deemed to have been made when deposited by direct deposit or upon the mailing of a cheque in a postage pre-paid envelope addressed to the payee unless such cheque is dishonoured upon presentment. Upon such payment as set out herein or otherwise in accordance with the Declaration of Trust, the Trustees and Centurion Apartment REIT will be discharged from all liability to the former registered Unitholder in respect of the Units so redeemed.

All Notices shall be time and date stamped on receipt by Centurion Apartment REIT. **Centurion Apartment REIT will not pay the Unit Redemption Price in cash as set out above on a particular Redemption Date**

if the total cash payable on that Redemption Date by the Fund, and its affiliates and Subsidiaries, to Unitholders who have previously tendered their Units for redemption, and which Unit Redemption Prices remain unpaid on said Redemption Date, exceeds \$50,000 (the "Monthly Limit"), without approval by the Trustees. Cash payments being paid pursuant to Notices shall be paid in order of receipt of such Notices with the intent that Redemption Prices shall be paid out in order of receipt of Notices. Payments shall be made to a maximum of \$50,000 of the aggregate Fair Market Value of Units outstanding on the Valuation Date immediately preceding any Redemption Date. Those Units for which Notices have been received but not paid out on any given Redemption Date shall maintain their order of priority until the Unit Redemption Price for such Unit(s) has been paid in full. Additionally, the Trustees shall be entitled in their sole discretion to extend the time for payment of any Unit Redemption Prices, if in the reasonable opinion of the Trustees such payment would be materially prejudicial to the interests of the remaining Unitholders in the Fund. The Trustees in their sole discretion may waive the Monthly Limit for any given Redemption Date.

Since inception of the REIT, all redemptions have been honored and fully paid to unitholders that have requested and submitted a redemption of their units. The following chart details redemptions since inception:

Take-Over Bids

If there is a take-over bid for all of the outstanding REIT Units and, within the time limit in a take-over bid for its acceptance, or 120 days after the date of such take-over bid, whichever period is the shorter, the take-over bid is accepted by the holders of not less than 90% of the REIT Units (including REIT Units issuable upon the surrender or exchange of any securities for REIT Units but not including any such securities held at the date of the take-over bid by or on behalf of the offeror or affiliates or associates of the offeror), other than REIT Units held at the date of the take-over bid by or on behalf of the offeror or an affiliate or associate of the offeror, the offeror is entitled, on complying with the Declaration of Trust, to acquire the REIT Units held by the dissenting offerees.

Meetings of Unitholders

There shall be an annual meeting of the Unitholders, at such time and place in Canada as the Trustees shall prescribe, for the purpose of electing Trustees (except for the Centurion Appointees), appointing or changing the accountants of Centurion Apartment REIT, the Operating Trust and CAP II LP and transacting such other business as the Trustees may determine or as may properly be brought before the meeting. The annual meeting of the Unitholders shall be held after delivery to the Unitholders of the information referred to in the Declaration of Trust and, in any event, prior to September 30th of each fiscal year of Centurion Apartment REIT.

The Trustees shall have power at any time to call special meetings of the Unitholders at such time and place in Canada as the Trustees may determine. The Unitholders holding in the aggregate not less than 5% of the votes attaching to all outstanding Units (on a fully-diluted basis) may requisition the Trustees in writing to call a special meeting of the Unitholders for the purposes stated in the requisition. A requisition must state in reasonable detail the business proposed to be transacted at the meeting. Unitholders have the right to obtain a list of Unitholders to the same extent and upon the same conditions as those which apply to shareholders of a corporation governed by the *Business Corporations Act* (Ontario). Unitholders may attend and vote at all meetings of Unitholders either in person or by proxy and a proxy need not be a Unitholder.

Issuance of Units

The Trustees may allot and issue REIT Units at such time or times and in such manner (including pursuant to any plan from time to time in effect relating to reinvestment by the Unitholders of distributions of Centurion Apartment REIT in REIT Units) and to such "**Person, Persons or class of Persons**" as the Trustees in their sole discretion shall determine. The price or the value of the consideration for which REIT Units may be issued and the terms and conditions of issuance of the REIT Units shall be determined by the Trustees in their sole discretion, generally (but not necessarily) in consultation with investment dealers or brokers who may act as underwriters in connection with offerings of REIT Units. In the event that REIT Units are issued in whole or in part for a consideration other than money, the resolution of the Trustees allotting and issuing such REIT Units shall express the fair equivalent in money of the other consideration received.

Limitation on Non-Resident Ownership

Notwithstanding any provision of this Offering Memorandum or the Declaration of Trust to the contrary, at no time may more than 49% of the REIT Units or the Special Voting Units then outstanding be held by or for the benefit of Persons who are not resident in Canada for the purposes of the Tax Act ("**Non-Resident Beneficiaries**"). The Trustees may require declarations as to the jurisdictions in which beneficial owners of REIT Units or Special Voting Units, as the case may be, are resident or declarations from holders of REIT Units or Special Voting Units, as the case may be, as to whether such REIT Units or Special Voting Units, as the case may be, are held for the benefit of Non-Resident Beneficiaries. If the Trustees become aware that

more than 49% of the REIT Units or the Special Voting Units then outstanding are, or may be, held by or for the benefit of Non-Resident Beneficiaries or that such a situation is imminent, the Trustees may make a public announcement thereof and shall not accept a subscription for such REIT Units or Special Voting Units, as the case may be, from or issue or register a transfer of such REIT Units or Special Voting Units, as the case may be, to a Person unless the Person provides a declaration that the Person is not a non-resident for the purposes of the Tax Act and does not hold his REIT Units or Special Voting Units, as the case may be, for a Non-Resident Beneficiary. If, notwithstanding the foregoing, the Trustees determine that more than 49% of the REIT Units or the Special Voting Units then outstanding are held by or for the benefit of Non-Resident Beneficiaries, the Trustees may send a notice to non-resident holders of REIT Units or Special Voting Units, as the case may be, and holders of REIT Units or Special Voting Units, as the case may be, for Non-Resident Beneficiaries chosen in inverse order to the order of acquisition or registration or in such other manner as the Trustees may consider equitable and practicable, requiring them to sell or redeem their REIT Units or Special Voting Units, as the case may be, or a portion thereof within a specified period of not more than 60 days.

Information and Reports

Prior to each annual and special meeting of the Unitholders, the Trustees shall provide the Unitholders (along with notice of such meeting) unaudited financial statements for Centurion Apartment REIT, including the properties governed by the Rollover Agreement.

Amendments to Declaration of Trust

The Declaration of Trust may only be amended by a vote of a majority of the votes cast at a meeting of Unitholders duly called for that purpose, provided that the provisions of the Declaration of Trust may be amended by the Trustees without the consent, approval or ratification of the Unitholders or any other person for the following purposes:

- to ensure continuing compliance with applicable laws (including the Tax Act and maintaining the Trust's status as a mutual fund trust under the Tax Act), regulations, requirements or policies of any governmental or other authority, having jurisdiction over the Trustees, the Trust or over the distribution of Trust Units;
- to provide additional protection, in the opinion of the Trustees, for the Unitholders;
- to remove any conflicts or inconsistencies in the Trust Indenture or making minor corrections including the rectification of any ambiguities, defective provisions, errors, mistakes or omissions which are, in the opinion of the Trustees, necessary or desirable and not prejudicial to the Unitholders;
- to make amendments which, in the opinion of the Trustees, are necessary or desirable to remove conflicts or inconsistencies between the disclosure in the Circular and the Trust Indenture;
- to make amendments which, in the opinion of the Trustees, are necessary or desirable as a result of changes in generally accepted accounting principles (including accounting guidelines) or taxation or other laws or the administration or enforcement thereof;
- to enable the Trust to issue Units for which the purchase price is payable in installments;
- to create one or more additional classes of units solely to provide voting rights to holders of shares, units or other securities that are exchangeable for Units entitling the holder thereof to a number of votes not exceeding the number of Units into which the exchangeable shares, units or other securities are exchangeable or convertible but that do not otherwise entitle the holder thereof to any rights with respect to the Trust's property or income other than a return of capital; or

- for any purpose (except one in respect of which a Unitholder vote is specifically otherwise required) if the Trustees are of the opinion that the amendment is not prejudicial to Trust Unitholders and is necessary or desirable;

but notwithstanding the foregoing, no such amendment shall modify the right to vote attached to any Unit or the entitlement to distributions from the Trust provided hereunder represented by any Unit without the consent of the Unitholders, and no such amendment shall reduce the percentage of votes required to be cast at a meeting of the Unitholders without the consent of the holders of all of the Units then outstanding or cause the Trust to fail or cease to qualify as a "mutual fund trust" under the Tax Act.

Notwithstanding the above, no action or authorization and no amendment may be made to the Declaration of Trust by the Trustees without a "**Special Resolution Vote**" with respect to:

- the termination of the Trust;
- any combination, merger, amalgamation or arrangement of the Trust, "COT", CAP I LP or CAP II LP, as the case may be, or any sale of all or substantially all of the assets of the Trust, COT, CAP I LP or CAP II LP, as the case may be, or the liquidation or dissolution of the Trust, COT, CAP I LP, CAP II LP, as the case may be, (other than as part of an internal reorganization of the assets of the Trust, COT, CAP I LP or CAP II LP, as the case may be, as approved by the Trustees);
- these provisions of Declaration of Trust
- the provisions of the COT Indenture concerning the computation of net income;
- an exchange, reclassification or cancellation of all or part of the Trust Units or Special Voting Units other than as specifically provided for in the Declaration of Trust with respect to Special Voting Units;
- the addition, change or removal of the rights, privileges, restrictions or conditions attached to the Trust Units or Special Voting Units and, including, without limiting the generality of the foregoing:
- the removal or change of rights to distributions;
- the addition or removal of or change to conversion privileges, options, voting, transfer or pre-emptive rights; or
- the reduction or removal of a distribution preference or liquidation preference;
- the creation of new rights or privileges attaching to certain of the Trust Units or Special Voting Units; or
- the constraint on the issue, transfer or ownership of Trust Units or Special Voting Units or the change or removal of such constraint, except as otherwise provided herein;

except in each case with the approval of Unitholders given by the affirmative vote of at least two-thirds of the votes cast at a meeting of Unitholders duly called for that purpose.

Term of Centurion Apartment REIT

Unless Centurion Apartment REIT is sooner terminated as otherwise provided by the Declaration of Trust, Centurion Apartment REIT shall continue in full force and effect so long as any property of Centurion Apartment REIT is held by the Trustees, and the Trustees shall have all the powers and discretions expressed and implied, conferred upon them by law or by the Declaration of Trust. Notwithstanding the foregoing, Centurion Apartment REIT will terminate on the date which is 21 years after the date of the death of the last survivor of the issue alive at the date of the Declaration of Trust. The Centurion Apartment

REIT may be terminated by the vote of at least two-thirds of the votes cast at a meeting of the Unitholders called for that purpose.

Upon the termination of Centurion Apartment REIT, the liabilities of Centurion Apartment REIT shall be discharged with due speed, the net assets of Centurion Apartment REIT shall be liquidated and the proceeds distributed to the REIT Unitholders in accordance with their entitlements as provided in the Declaration of Trust.

VALUATION POLICY

As set forth in the definitions of “Fair Market Value”, the value of the REIT Units is determined by the Trustees, in their sole discretion, using reasonable methods of determining fair market value. Fair Market Value may or may not be equal to the net asset value of the Units. The description of the methodology of investment property valuations and the calculation of Fair Market Value and Post Prices of REIT Units reflects the methodology used by the Trustees as at the date hereof in calculating Fair Market Value. The Trustees may, in their discretion, adopt alternative methodologies to calculate investment property values and Fair Market Value from time to time, without notice to, or approval by, REIT Unitholders.

Investment Property Valuation

Centurion Apartment REIT accounts for its investment properties using the fair value model in accordance with IAS 40 - Investment Properties. Investment property is defined as property held to earn rentals or for capital appreciation or both. Investment properties are initially recorded at cost, including related transaction costs. Subsequent to initial recognition, investment properties are measured at fair value, which reflects market conditions at the reporting date.

Centurion Apartment REIT applies judgment in determining if the acquisition of an individual property qualifies as a business combination in accordance with IFRS 3 or as an asset acquisition. Transaction costs (including commissions, land transfer tax, appraisals, legal fees and third-party inspection reports associated with a purchase) related to property acquisitions not considered business combinations are capitalized in accordance with IAS 40. Transaction costs are expensed in accordance with IFRS 3 where such acquisitions are considered business combinations.

The fair value of investment properties is determined using a detailed valuation framework developed by Centurion Apartment REIT’s internal and external valuation teams. Each of these teams includes experts in the industry. The valuation teams considered the following approaches in determining the fair value:

1. Consideration of recent prices of similar properties within similar market areas;
2. The direct capitalization method, which is based on the conversion of current and future normalized earnings potential directly into an expression of market value. The Normalized Net Operating Income (“NNOI”) for the year is divided by an overall capitalization rate (inverse of an earnings multiplier) to arrive at the estimate of fair value.

The External Team, comprised of the auditors and valuers, are responsible for:

Quarterly by the valuers:

- Determining the capitalization rates that would be used in valuing the properties
- Providing charts of comparable sales and supporting relevant market information

Annually by the valuers:

- Determining the capitalization rates that would be used in valuing the properties

- Providing charts of comparable sales and supporting relevant market information
- Determining the appropriate industry standard “set off” and normalization assumptions used in the calculation of NNOI.
- Reviewing the valuation framework to determine whether any changes or updates are required
- Reviewing, for the audited year-end financial statements, the resultant values for reasonableness, compliance with the valuation framework and compliance with IAS 40
- Supplying a “Fair Value” Report for financial statement purposes

Annually by the auditors:

- Reviewing the valuation framework to determine whether any changes or updates are required
- Evaluating the work of the valuator including assumptions and comparisons to market
- Reviewing of the controls over the underlying data provided to the valuator from the REIT’s accounting system
- Reviewing the “Fair Value” Report prepared by the valutors
- Reviewing, for the audited year-end financial statements, the resultant values for reasonableness, compliance with the valuation framework and compliance with IAS 40

The Internal Team, comprised of the REIT Management and the Asset Manager, is responsible quarterly and annually for:

- Assembling the property specific data used in the valuation model based on the process set forth in the valuation framework
- Reviewing the valuation framework to determine whether any changes or updates are required
- Inputting the capitalization rates, “set offs” and normalization assumptions provided by the valutors
- Delivering the completed valuation framework to the external team for review at year-end for the audited financial statements

Investment properties are derecognized when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of investment property are recognized in the income statement in the year of retirement or disposal.

Mortgage Investment (Mortgage Assets) Valuation

Mortgage investments are classified as loans and receivables for accounting purposes. Such investments are recognized initially at cost plus any directly attributable transaction costs. Subsequent to initial recognition, the mortgage investments are measured at amortized cost using the effective interest method, less any impairment losses.

The investments are assessed at each reporting date or Valuation Date to determine whether there is objective evidence of impairment. A financial asset is impaired if objective evidence indicates that a loss

event has occurred after the initial recognition of an asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of investments measured at amortized cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Losses are recognized in the statement of comprehensive income and reflected in an allowance account against the investments. Interest on the impaired asset continues to be recognized through the unwinding of the allowance if it is considered collectable. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through the consolidated statement of comprehensive income.

There is no quoted price in an active market for the mortgage investments. Management determines fair value based on its assessment of the current lending market for mortgage investments of same or similar terms. This includes the analysis of market interest rates and credit spreads for similar loans. The Trust will consider, but not be limited in considering, payment history, value of underlying property securing the loan or mortgage, overall economic conditions, status of construction or property development and other applicable conditions. Typically, the fair value of these mortgage investments approximates their carrying values given the short-term nature of the loans.

For investments with participating loan interests, the participating loan interest will be valued at the fair market value based on specific valuation methodologies and models developed by the REIT Management and Asset Manager, which incorporate both internal and external data.

Development Equity Investments Valuation

Development equity investments will be carried at book value less any impairments plus the anticipated increase, if any, to fair market value upon completion multiplied by the percentage of completion plus or minus adjustments (i.e. Development Equity Valuation = book value - impairments + (fair market value increase upon completion x percentage completion) +/- adjustments). Adjustments can be, but are not limited to, discounts for the time value of money, leasing costs, stabilization costs and discretionary risk adjustments.

Other Investment Valuation

Other Investments will be carried at fair value.

Calculation of REIT Unit Fair Market Value and Posted Prices

The Fair Market Value ("FMV") of the REIT Unit is currently calculated monthly based on the IFRS balance sheet carrying values plus certain adjustments ("Adjustment Factors").

The REIT currently conducts monthly closings for new subscriptions and redemptions of REIT Units at the posted FMV. The Investment Property Portfolio is valued on a quarterly basis. The FMV may change in between quarters, at quarter ends or not at all unless there are material changes or considerations that would impact the posted REIT Unit FMV including but not limited to changes in capitalization rates or acquisitions and dispositions of Investment Properties.

The REIT Unit FMV is calculated by adding IFRS Balance Sheet Assets, subtracting IFRS Balance Sheet Liabilities, adding appropriate non-IFRS Adjustment Factors and dividing by the total number of outstanding REIT Units. Thus, FMV can be summarized as:

$$\text{FMV} = \frac{(\text{IFRS Balance Sheet Assets} - \text{IFRS Balance Sheet Liabilities}^1 + \text{Adjustment Factors})}{\text{Total Number of Outstanding REIT Units}}$$

¹ Excluding Exchangeable Units

The Adjustment Factors include, but are not limited to:

- (a) portfolio premiums², if any; plus
- (b) capitalization of certain capital expenses, whose benefits accrue over a long period of time and should be allocated between exiting, remaining and incoming Unitholders but may be written off or effectively written off under IFRS, or where the value of such expense isn't as yet reflected, in whole or in part in the Investment Portfolio valuation due to timing lags, if any; plus
- (c) portfolio inter-quarter timing adjustments, if any; less
- (d) discretionary adjustments, if any.

² *Portfolio premium means an adjustment to IFRS valuations to account for the difference that buyers may pay for a portfolio of properties over individual component properties considered on their own. The IFRS valuation approach evaluates each property on a standalone basis, without considering the value of economies of scale, clustering advantages, the time, expense and difficulty of assembling a portfolio and the attractiveness of a portfolio to potential buyers.*

The calculation of the REIT Unit FMV involves critical estimates, assumptions and judgements as part of the process.

The REIT Unit FMV is currently determined as per the above methodology and approved on a monthly basis by the Trustees for posting to the website of the REIT and for use in, but not limited to processing redemptions, new subscriptions, financial statements of the REIT and account statements for Unitholders.

DISTRIBUTION POLICY

The Declaration of Trust provides that Centurion Apartment REIT may distribute to REIT Unitholders such percentage of the Distributable Income for the calendar month then ended as the Trustees determine in their discretion for the period.

In addition, the Trustees may declare to be payable and make distributions, from time to time, out of income of the Trust, net realized capital gains of Centurion Apartment REIT, the net recapture income of Centurion Apartment REIT, the capital of Centurion Apartment REIT or otherwise, in any year, in such amount or amounts, and on such dates on or before December 31 of that year as the Trustees may determine, to the extent such income, capital gains and capital has not already been paid, allocated or distributed to the REIT Unitholders.

Distributions may be adjusted for amounts paid in prior periods if the actual Distributable Income for the prior periods is greater than or less than the Trustees' estimates for the prior periods. Distributions shall be made in cash and may be invested in similar REIT Units pursuant to any distribution reinvestment plan (DRIP) or unit purchase plan adopted by the Trustees.

Each year Centurion Apartment REIT shall deduct in computing its income for purposes of the Tax Act such portion of the amounts paid or payable to the REIT Unitholders for the year as is necessary to ensure that Centurion Apartment REIT is not liable for income tax under Part I of the Tax Act for that taxation year. The Trustees shall deduct or withhold from distributions payable to any REIT Unitholder amounts required by law to be deducted or withheld from such REIT Unitholder's distributions.

Where the Trustees determine that Centurion Apartment REIT does not have available cash in an amount sufficient to make payment of the full amount of any distribution which has been declared to be payable on the due date for such payment, the payment may, at the option of the Trustees, include the issuance of additional REIT Units or fractions of such REIT Units, as the case may be, if necessary, having a fair market value as determined by the Trustees equal to the difference between the amount of such distribution and

the amount of cash which has been determined by the Trustees to be available for the payment of such distribution in the case of REIT Units.

Notwithstanding anything to the contrary, for greater certainty, no amounts will be distributed to holders of Special Voting Units.

Distributions are paid out on the 15th of each month, except when the 15th falls on a weekend or legal holiday, in which case distributions are paid out on the first business day following the 15th of the month. Unitholders are entitled to a distribution in a given month if they are unitholders on the last business day of that month.

Distribution Rates per REIT Unit

The Trustees may, in their discretion, allocate distributions among the classes of REIT Units to adjust for the commissions, trailers and other costs attributable to the sales channels relating to each class of REIT Unit. It is Centurion Apartment REIT's current intention to distribute \$0.8200 per Class "A" REIT Unit per annum, and \$0.9300 per Class "F" and Class "I" REIT Units per annum, payable on a monthly basis.

Distribution Reinvestment Plan (DRIP)

Centurion Apartment REIT permits Unitholders to receive distributions in the form of REIT Units or cash. Unitholders enrolled in the DRIP program currently receive a 2.0% discount on REIT Units purchased through the DRIP.

Centurion Apartment REIT has created four different purchase options for Subscribers to purchase REIT Units. Subscribers may purchase through a registered dealer. Subscribers through Centurion Asset Management Inc. may only purchase REIT Units under the DSC option.

If the Subscriber redeems their REIT Units prior to the fifth anniversary of their purchase, the following Deferred Sales Charges will apply to the redemption by the Subscriber of their REIT Units:

If redeemed in 1st Year – 6.0%
If redeemed in 2nd Year – 5.5%
If redeemed in 3rd Year – 5.0%
If redeemed in 4th Year – 4.0%
If redeemed in 5th Year – 3.0%
Afterwards 0.0%

If redeemed in 1st 18 months – 3.5%
If redeemed in 2nd 18 Months – 3.0%

- 3) **Front Load Option** – Seller negotiates a commission (if any) which the Subscriber pays directly and Seller receives a trailer of 1.00% per annum starting in year one. There is a short-term trading fee of 3.0% if redeemed in the first 6 months.

Class “F” Units

- 4) **Fee Based Accounts Option** – No commission and no trailers are paid. Only Fee Based Accounts may qualify for this purchase option. There is a short-term trading fee of 3.0% if redeemed in the first 6 months.

Class “I” Units

(in the Provinces of Ontario, British Columbia, Quebec and Alberta) or through another registered dealer. Direct Subscribers may only purchase REIT Units under the DSC Option. Unitholders may not switch their method of holding Units unless the Trustees believe in their discretion that it doesn't materially adversely impact the REIT and the Unitholder has been adequately informed.

CLOSING OF OFFERING

Closings of sales of REIT Units will occur at the discretion of the REIT Management as REIT Units are subscribed for until at which time no other REIT Units will be offered pursuant to this Offering.

It is estimated that the first closing (the “**First Closing**”) will occur on or before June 1, 2018. Subsequent Closings will occur as additional REIT Units are subscribed for.

CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

The following summary fairly presents the principal Canadian federal income tax considerations generally applicable to prospective subscribers of REIT Units pursuant to this Offering Memorandum who, for the purposes of the Tax Act, are resident in Canada, deal at arm's length with Centurion Apartment REIT and will hold their REIT Units as capital property. Generally, the REIT Units will be considered to be capital property to a REIT Unitholder provided that the REIT Unitholder does not hold the REIT Units in the course of carrying on a business and has not acquired them in a transaction considered to be an adventure in the nature of trade. Certain REIT Unitholders who might not otherwise be considered to hold their REIT Units as capital property may, in certain circumstances, be entitled to have them and all other “Canadian securities” (as defined in the Tax Act) owned by them treated as capital property by making the irrevocable election under subsection 39(4) of the Tax Act.

The summary is of a general nature only and is based upon the facts set out in this Offering Memorandum, the current provisions of the Tax Act, the regulations thereunder (the “**Regulations**”), counsel's understanding of the published administrative practices of the Canada Revenue Agency and the specific proposals to amend the Tax Act and Regulations (“**Tax Proposals**”) announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof and representations as to factual matters made in a certificate signed by a trustee of Centurion Apartment REIT. This summary is not exhaustive of all possible Canadian federal income tax consequences and, except for the Tax Proposals, does not take into account or anticipate any changes in law, whether by legislative, regulatory, administrative or judicial action, nor does it take into account provincial tax legislation or considerations. This summary assumes that the Tax Proposals will be enacted as proposed, but no assurance can be given that this will be the case. Modification or amendment of the Tax Act and the Regulations or the Tax Proposals could significantly alter the tax status of Centurion Apartment REIT or the tax consequences of investing in Units. This summary does not describe income tax considerations relating to the deductibility of interest on money borrowed to acquire

REIT Units. On October 31, 2003, the Department of Finance released, for public consultation, draft proposed amendments (the “October 31 Proposals”) to the Tax Act that would require, for taxation years commencing after 2004, that there be a reasonable expectation of cumulative profit from a business or property for a taxpayer to realize a loss from such business or property, and that make it clear that profit in this sense does not include capital gains. In response to concerns raised during the consultation period for the October 31 Proposals, the Minister of Finance (Canada), in the February 23, 2005 Budget, announced that the Department of Finance was developing a more model legislative initiative and that an alternative proposal would be released for comment at an early opportunity.

THIS SUMMARY IS NOT EXHAUSTIVE OF ALL POSSIBLE CANADIAN FEDERAL TAX CONSIDERATIONS APPLICABLE TO AN INVESTMENT IN REIT UNITS. MOREOVER, THE INCOME AND OTHER TAX CONSEQUENCES OF ACQUIRING, HOLDING OR DISPOSING OF REIT UNITS WILL VARY DEPENDING ON THE REIT UNITHOLDER’S PARTICULAR CIRCUMSTANCES. THIS SUMMARY IS NOT INTENDED TO BE, NOR SHOULD IT BE CONSTRUED TO BE, LEGAL OR TAX ADVICE TO ANY PROSPECTIVE REIT UNITHOLDER. ACCORDINGLY, PROSPECTIVE REIT UNITHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR ADVICE WITH RESPECT TO THE TAX CONSEQUENCES TO THEM HAVING REGARD TO THEIR OWN PARTICULAR CIRCUMSTANCES. IN ADDITION, THIS SUMMARY IS NOT APPLICABLE TO (I) A REIT UNITHOLDER THAT IS A “FINANCIAL INSTITUTION”, AS DEFINED IN THE TAX ACT FOR THE PURPOSES OF THE MARK-TO-MARKET RULES, AND (II) A REIT UNITHOLDER WHERE AN INTEREST IN SUCH UNITHOLDER WOULD BE A “TAX SHELTER INVESTMENT” FOR THE PURPOSES OF THE TAX ACT.

Qualification as a Mutual Fund Trust

This summary assumes that Centurion Apartment REIT will qualify as a “**mutual fund trust**” under the provisions of the Tax Act at all relevant times. To qualify as a mutual fund trust, Centurion Apartment REIT must be a “**unit trust**” as defined by the Tax Act and must restrict its undertaking to: (i) the investing of its funds in property (other than real property or an interest in real property) and (ii) the acquiring, holding, maintaining, improving, leasing or managing of any real property (or interest in real property) that is capital property of Centurion Apartment REIT or (iii) any combination of the activities described in (i) and (ii), and must have 150 REIT Unitholders holding not less than 100 REIT Units which are qualified for distribution to the public and which have an aggregate fair market value of not less than \$500. **In the event that Centurion Apartment REIT was not to qualify as a mutual fund trust, the Canadian federal income tax consequences described below would, in some aspects, be materially and adversely different.**

If the Centurion Apartment REIT has a Unitholder that is a “**designated beneficiary**” within the meaning of the Tax Act at any time in a taxation year in which it does not qualify as a mutual fund trust for the purposes of the Tax Act throughout the year (such as the current year), it will be subject to a special tax at the rate of 36% under Part XII.2 of the Tax Act on its “**designated income**” within the meaning of the Tax Act. A designated beneficiary includes a non-resident under the Tax Act. If the Centurion Apartment REIT is subject to tax under Part XII.2, the Centurion Apartment REIT may make a designation so that, generally, REIT Unitholders who are not designated beneficiaries receive an appropriate refundable tax credit.

SIFT Rules

On June 22, 2007, legislation was enacted (the “**SIFT Rules**”) relating to the federal income taxation of publicly-listed or traded trusts (such as income trusts and real estate investment trusts) and partnerships.

The SIFT Rules apply to a publicly-listed or traded trust that is a specified investment flow-through entity (a “**SIFT trust**”), and its investors. Certain distributions attributable to a SIFT trust’s “**non-portfolio earnings**” are not deductible in computing the SIFT trust’s income and the SIFT is subject to tax on such

distributions at a rate that is substantially equivalent to the general tax rate applicable to Canadian corporations. Provided investments in Centurion Apartment REIT are not listed or traded on a stock exchange or other public market, Centurion Apartment REIT will not be subject to the SIFT Rules. If investments in Centurion Apartment REIT become publicly listed or traded, there can be no assurances that the Centurion Apartment REIT will not be subject to the SIFT Rules at that time.

Taxation of Centurion Apartment REIT

Centurion Apartment REIT will generally be subject to tax under the Tax Act in respect of its taxable income and net realized capital gains in each taxation year, except to the extent such taxable income and net realized capital gains are paid or payable or deemed to be paid or payable in such year to REIT Unitholders and deducted by Centurion Apartment REIT for tax purposes. The Declaration of Trust provides that, as of the last Distribution Date for a taxation year, all the income (other than net taxable capital gains and net recapture income) of Centurion Apartment REIT less distributions of Centurion Apartment REIT's income for that year made by Centurion Apartment REIT shall be paid to REIT Unitholders and its net taxable capital gains and net recapture income shall be paid on the last Distribution Date in the taxation year. Consequently, Centurion Apartment REIT will generally not be liable for income tax under Part I of the Tax Act in any year. Losses incurred by Centurion Apartment REIT cannot be allocated to REIT Unitholders but may be deducted by Centurion Apartment REIT in future years in accordance with the Tax Act.

Taxation of REIT Unitholders

A REIT Unitholder is required to include in computing income for tax purposes in each year the portion of the amount of net income and net taxable capital gains of Centurion Apartment REIT, determined for the purposes of the Tax Act, paid or payable to such REIT Unitholder in the year that Centurion Apartment REIT deducts in computing its income for tax purposes.

The Declaration of Trust provides that income and net taxable capital gains for purposes of the Tax Act will be allocated to REIT Unitholders in the same proportion as distributions received by REIT Unitholders, subject to the discretion of the Trustees to adopt an allocation method which the Trustees consider to be more reasonable in the circumstances.

The Declaration of Trust generally requires Centurion Apartment REIT to claim the maximum amount of capital cost allowance available to it in computing its income for tax purposes. Based on the distribution policy, the amount distributed to REIT Unitholders in a year may exceed the income of Centurion Apartment REIT for tax purposes for that year. Distributions in excess of Centurion Apartment REIT's taxable income in a year will not be included in computing the income of the REIT Unitholders from Centurion Apartment REIT for tax purposes. However, a REIT Unitholder is required to reduce the adjusted cost base to him of his REIT Units by the portion of any amount paid or payable to him by Centurion Apartment REIT (other than the non-taxable portion of certain capital gains) that was not included in computing his income and will realize a capital gain in the year to the extent the adjusted cost base of his REIT Units would otherwise be a negative amount. Centurion Apartment REIT will designate to the extent permitted by the Tax Act the portion of the taxable income distributed to REIT Unitholders as may reasonably be considered to consist of net taxable capital gains of Centurion Apartment REIT. Any such designated amount will be deemed for tax purposes to be received by REIT Unitholders in the year as a taxable capital gain.

Upon the disposition or deemed disposition by a REIT Unitholder of a REIT Unit, a capital gain (or a capital loss) will generally be realized to the extent that the proceeds of disposition of the REIT Unit exceed (or are exceeded by) the aggregate of the adjusted cost base to the REIT Unitholder of the REIT Unit immediately before the disposition and any reasonable costs of the disposition. The adjusted cost base to a REIT Unitholder of a REIT Unit will be determined by averaging the cost base of all REIT Units owned by a REIT Unitholder as capital property at a particular time. Generally, one-half of any capital gain (a "taxable capital

gain”) realized by a REIT Unitholder will be included in the REIT Unitholder’s income for the year of disposition. One-half of any capital loss so realized (an “allowable capital loss”) may generally be deducted against taxable capital gains of the REIT Unitholder for the year of disposition. Any excess of allowable capital losses over taxable capital gains of the REIT Unitholder for the year of disposition may be carried back up to three taxation years or forward indefinitely and deducted against net taxable capital gains in those other years to the extent and in the circumstances prescribed in the Tax Act.

Capital gains realized by an individual or trust, other than certain trusts, may give rise to alternative minimum tax under the Tax Act. A holder that is a “Canadian-controlled private corporation” (as defined in the Tax Act) may be liable to pay an additional refundable tax on taxable capital gains.

RISK FACTORS

There are certain risk factors inherent in an investment in the REIT Units and in the activities of Centurion Apartment REIT, including the following, which Subscribers should carefully consider before subscribing for the REIT Units.

Real Property Ownership

All real property investments are subject to elements of risk. Such investments are affected by general economic conditions, local real estate markets, demand for multi-unit residential premises, competition from other available residential premises and various other factors.

Certain significant expenditures, including property taxes, capital repair and replacement costs, maintenance costs, mortgage payments, insurance costs and related charges must be made throughout the period of ownership of real property regardless of whether the property is producing any income. If Centurion Apartment REIT is unable to meet mortgage payments on any property, losses could be sustained as a result of the mortgagee’s exercise of its rights of foreclosure or sale.

Real property investments tend to be relatively illiquid, with the degree of liquidity generally fluctuating in relation to demand for and the perceived desirability of such investments. Such illiquidity may tend to limit Centurion Apartment REIT’s ability to vary its portfolio promptly in response to changing economic or investment conditions. If Centurion Apartment REIT was required to liquidate its real property investments, the proceeds to Centurion Apartment REIT might be significantly less than the aggregate value of its properties on a going-concern basis.

Centurion Apartment REIT will be subject to the risks associated with debt financing, including the risk that existing mortgage indebtedness secured by the Properties will not be able to be refinanced or that the terms of such refinancing will not be as favourable as the terms of existing indebtedness.

Development Risks

Centurion Apartment REIT may, directly or indirectly, invest in real estate development projects. Any existing or future development investments of the REIT will entail certain risks, including the expenditure of funds on and devotion of management’s time to evaluating projects that may not come to fruition; the risk that development costs of a project may exceed original estimates, possibly making the project uneconomical; the risk of construction overrun or other unforeseeable delays, during which the interest rate and leasing risk may fluctuate; the risk that occupancy rates and rents at a completed project will be less than anticipated or that there will be vacant space at the project; the risk that expenses at a completed development will be higher than anticipated; and the risk that permits and other governmental approvals will not be obtained. In addition, the REIT’s future real estate development investments may require a significant investment of capital. The REIT may be required to obtain funds for its capital expenditures and

operating activities, if any, through cash flow from operations, property sales or financings. If the REIT is unable to obtain such funds, it may have to defer or otherwise limit certain development activities.

Future Property Acquisitions

While Centurion Apartment REIT may enter into non-binding letters of intent with respect to properties under review, there can be no assurance that such properties will be acquired. Accordingly, there can be no assurance that Centurion Apartment REIT will be able to acquire Properties at the rates of return that the REIT Management is targeting. No forecast has been made for the acquisition of properties under review.

Revenue Producing Properties

The Properties generate income through rental payments made by the tenants thereof. Upon the expiry of any lease, there can be no assurance that such lease will be renewed or the tenant replaced. The terms of any subsequent lease may be less favorable to Centurion Apartment REIT than the existing lease. Unlike commercial leases which generally are “net” leases and allow a landlord to recover expenditures, residential leases are generally “gross” leases and the landlord is not able to pass on costs to its tenants.

No Guarantees or Insurance on Mortgage Investments

A Mortgage borrower’s obligations to the Centurion Apartment REIT or any other person are not guaranteed by the Government of Canada, the government of any province or any agency thereof nor are they insured under the National Housing Act (Canada). In the event that additional security is given by the borrower or a third party or that a private guarantor guarantees the Mortgage borrower’s obligations, there is no assurance that such additional security or guarantee will be available or sufficient to make Centurion Apartment REIT whole if and when resort is to be had thereto.

Risks Related to Mortgage Extensions and Mortgage Defaults

The REIT Management may from time to time deem it appropriate to extend or renew the term of a Mortgage past its maturity, or to accrue the interest on a Mortgage, in order to provide the borrower with increased repayment flexibility. The REIT Management generally will do so if it believes that there is a very low risk to Centurion Apartment REIT of not being repaid the full principal and interest owing on the Mortgage. In these circumstances, however, Centurion Apartment REIT is subject to the risk that the principal and/or accrued interest of such Mortgage may not be repaid in a timely manner or at all, which could impact the cash flows of Centurion Apartment REIT during and after the period in which it is granting this accommodation. Further, in the event that the valuation of the asset has fluctuated substantially due to market conditions, there is a risk that Centurion Apartment REIT may not recover all or substantially all of the principal and interest owed to it in respect of such Mortgage.

When a Mortgage is extended past its maturity, the loan can either be held over on a month-to-month basis, or renewed for an additional term at the time of its maturity. Notwithstanding any such extension or renewal, if the borrower subsequently defaults under any terms of the loan, the Mortgage Servicer has the ability to exercise its Mortgage enforcement remedies in respect of the extended or renewed Mortgage. Exercising Mortgage enforcement remedies is a process that requires a significant amount of time to complete, which could adversely impact the cash flows of Centurion Apartment REIT during the period of enforcement. In addition, as a result of potential declines in Real Property values, the priority ranking of the Mortgage and other factors, there is no assurance that Centurion Apartment REIT will be able to recover all or substantially all of the outstanding principal and interest owed to it in respect of such Mortgages by the Mortgage Service Provider’s exercise of Mortgage enforcement remedies for the benefit of Centurion Apartment REIT. Should Centurion Apartment REIT be unable to recover all or substantially all of the

principal and interest owed to it in respect of such Mortgage loans, the assets of Centurion Apartment REIT would be reduced, and the returns, financial condition and results of operations of Centurion Apartment REIT could be adversely impacted.

Foreclosure or Power of Sale and Related Costs on Mortgage Investments

One or more borrowers could fail to make payments according to the terms of their loan, and Centurion Apartment REIT could therefore be forced to exercise its rights as mortgagee. The recovery of a portion of Centurion Apartment REIT's assets may not be possible for an extended period of time during this process and there are circumstances where there may be complications in the enforcement of Centurion Apartments REIT's rights as mortgagee. Legal fees and expenses and other costs incurred by Centurion Apartment REIT in enforcing its rights as mortgagee against a defaulting borrower are usually recoverable from the borrower directly or through the sale of the mortgaged property by power of sale or otherwise, although there is no assurance that they will actually be recovered. In the event that these expenses are not recoverable they will be borne by Centurion Apartment REIT.

Furthermore, certain significant expenditures, including property taxes, capital repair and replacement costs, maintenance costs, Mortgage payments to prior charge holders, insurance costs and related charges must be made through the period of ownership of real property regardless of whether Mortgage payments are being made. Centurion Apartment REIT may therefore be required to incur such expenditures to protect its investment, even if the borrower is not honouring its contractual obligations.

Litigation Risks

Centurion Apartment REIT may, from time to time, become involved in legal proceedings in the course of its business. The costs of litigation and settlement can be substantial and there is no assurance that such costs will be recovered in whole or at all. During litigation involving a borrower in respect of a Mortgage, Centurion Apartment REIT may not be receiving payments of interest on a Mortgage that is the subject of litigation, thereby impacting cash flows. The unfavorable resolution of any legal proceedings could have an adverse effect on the Centurion Apartment REIT and its financial position and results of operations that could be material.

Competition for Real Property Investments

Centurion Apartment REIT competes for suitable real property investments with individuals, corporations and institutions (both Canadian and foreign) and other real estate investment trusts which are presently seeking, or which may seek in the future, real property investments similar to those desired by Centurion Apartment REIT. A number of these investors may have greater financial resources than those of Centurion Apartment REIT, or operate without the investment or operating guidelines of Centurion Apartment REIT or according to more flexible conditions. An increase in the availability of investment funds, and an increase in interest in real property investments, may tend to increase competition for real property investments, thereby increasing purchase prices and/or reducing the yield on them.

Competition for Tenants

The real estate business is competitive. Numerous other developers, managers and owners of properties compete with Centurion Apartment REIT in seeking tenants. The existence of competing developers, managers and owners for Centurion Apartment REIT's tenants could have an adverse effect on Centurion Apartment REIT's ability to lease suites in its properties and on the rents charged.

Interest Rates

It is anticipated that the market price for the REIT Units at any given time may be affected by the level of interest rates prevailing at that time. A rise in interest rates may have a negative effect on the market price of the REIT Units. A decrease in interest rates may encourage tenants to purchase condominiums or other types of housing, which could result in a reduction in demand for rental properties. Changes in interest rates may also have effects on vacancy rates, rent levels, refurbishing costs and other factors affecting Centurion Apartment REIT's business and profitability.

Debt Financing

Centurion Apartment REIT is subject to the risks associated with debt financing, including the risk that Centurion Apartment REIT may be unable to make interest or principal payments or meet loan covenants, the risk that defaults under a loan could result in cross defaults or other lender rights or remedies under other loans, and the risk that existing indebtedness may not be able to be refinanced or that the terms of such refinancing may not be as favourable as the terms of existing indebtedness. A portion of Centurion's Acquisition and Operating Facilities are at floating interest rates, and accordingly, changes in short-term borrowing will affect Centurion Apartment REIT's costs of borrowing.

General Economic Conditions

Centurion Apartment REIT is affected by general economic conditions, local real estate markets, competition from other available rental premises, including new developments, and various other factors. The competition for tenants also comes from opportunities for individual home ownership, including condominiums, which can be particularly attractive when home mortgage loans are available at relatively low interest rates. The existence of competing developers, managers and owners for Centurion Apartment REIT's tenants could have an adverse effect on Centurion Apartment REIT's ability to lease suites in its properties and on the rents charged, increased leasing and marketing costs and increased refurbishing costs necessary to lease and re-lease suites, all of which could adversely affect Centurion Apartment REIT's revenues and, consequently, its ability to meet its obligations. In addition, any increase in the supply of available space in the markets in which Centurion Apartment REIT operates or may operate could have an adverse effect on Centurion Apartment REIT.

General Uninsured Losses

Centurion Apartment REIT carries comprehensive general liability, fire, flood, extended coverage, rental loss and pollution insurance with policy specifications, limits and deductibles customarily carried for similar properties. There are, however, certain types of risks (generally of a catastrophic nature such as from wars) which are either uninsurable or not insurable on an economically viable basis. Centurion Apartment REIT has insurance for earthquake risks, subject to certain policy limits, deductibles and self-insurance arrangements, and will continue to carry such insurance if economical to do so. Should an uninsured or underinsured loss occur, Centurion Apartment REIT could lose its investment in, and anticipated profits and cash flows from, one or more of its Properties, but Centurion Apartment REIT would continue to be obligated to repay any recourse mortgage indebtedness on such Properties.

Availability of Cash for Distributions

Distributable income is calculated before deducting items such as principal repayments and capital expenditures and, accordingly, may exceed actual cash available to Centurion Apartment REIT from time to time. Centurion Apartment REIT may be required to use part of its debt capacity or raise additional equity in order to accommodate such items, and there can be no assurance that funds from such sources will be available on favourable terms or at all. In such circumstances, distributions may be reduced or

suspended, which may therefore also have an adverse impact on the market price of the REIT Units. Accordingly, cash distributions are not guaranteed and cannot be assured. Further, Distributable Income can exceed net income and have the result of an erosion of Adjusted Unitholder's Equity. See "Distribution Policy".

Distributable Income is calculated in accordance with Centurion Apartment REIT's Declaration of Trust. Distributable Income is not a measure recognized under Canadian generally accepted accounting principles and does not have a standardized meaning prescribed by IFRS. Distributable income is presented herein because management of Centurion Apartment REIT believes this non-IFRS measure is a relevant measure of the ability of Centurion Apartment REIT to earn and distribute cash returns to REIT Unitholders. Distributable Income as computed by Centurion Apartment REIT may differ from similar computations as reported by other similar organizations and, accordingly, may not be comparable to distributable income as reported by such organizations. Distributable income is calculated by reference to the net income of Centurion Apartment REIT on a consolidated basis, as determined in accordance with IFRS, subject to certain adjustments as set out in the constating documents of Centurion Apartment REIT.

Government Regulation

Centurion Apartment REIT currently has interests in properties located in the provinces of Ontario and Quebec. The nature of apartment construction and operation is such that refurbishment and structural repairs are required periodically, in addition to regular ongoing maintenance. In addition, legislation relating to, among other things, environmental and fire safety standards is continually evolving and changes thereto may give rise to ongoing financial and other obligations of Centurion Apartment REIT, the costs of which may not be fully recoverable from tenants.

Multi-unit residential rental properties are subject to rent control legislation in most provinces in Canada. Each province in which the Trust operates maintains distinct regulations with respect to tenants' and landlords' rights and obligations. The legislation in various degrees provides restrictions on the ability of a landlord to increase rents above an annually prescribed guideline or require the landlord to give tenants sufficient notice prior to an increase in rent or restricts the frequency of rent increases permitted during the year. The annual rent increase guidelines as per applicable legislation attempts to link the annual rent increases to some measure of changes in the cost of living index over the previous year. The legislation also, in most cases, provides for a mechanism to ensure rents can be increased above the guideline increases for extraordinary costs. As a result of rent controls, the Trust may incur property capital investments in the future that will not be fully recoverable from rents charged to the tenants.

Applicable legislation may be further amended in a manner that may adversely affect the ability of the Trust to maintain the historical level of cash flow from its properties. In addition, applicable legislation provides for compliance with several regulatory matters involving tenant evictions, work orders, health and safety issues, fire and maintenance standards, etc.

Environmental Matters

Environmental and ecological legislation and policies have become increasingly important, and generally restrictive. Under various laws, Centurion Apartment REIT could become liable for the costs of removal or remediation of certain hazardous or toxic substances released on or in its properties or disposed of at other locations. The failure to remove or remediate such substances, if any, may adversely affect an owner's ability to sell such real estate or to borrow using such real estate as collateral, and could potentially also result in claims against the owner by private plaintiffs. Where a property is purchased and new financing is obtained, Phase I Environmental Assessments are performed by an independent and experienced environmental consultant. In the case of mortgage assumption, the vendor will be asked to provide a satisfactory Phase I and/or Phase II Environmental Assessment that the REIT Management will rely upon and/or determine whether an update is necessary.

Unitholder Liability

The Declaration of Trust provides that no Unitholder will be subject to any liability whatsoever to any person in connection with the holding of a Unit. In addition, legislation has been enacted in the Province of Ontario and certain other provinces and territories that is intended to provide Unitholders in those provinces and territories with limited liability. However because of uncertainties in the law relating to investment trusts, there is a risk, which is considered by counsel to be remote in the circumstance, that a REIT Unitholder could be held personally liable for obligations of Centurion Apartment REIT (to the extent that claims are not satisfied by Centurion Apartment REIT) in respect of contracts which Centurion Apartment REIT enters into and for certain liabilities arising other than out of contracts including claims in tort, claims for taxes and possibly certain other statutory liabilities. The Trustees intend to cause Centurion Apartment REIT's operations to be conducted in such a way as to minimize any such risk including by obtaining appropriate insurance and, where feasible, attempting to have every material written contract or commitment of Centurion Apartment REIT contain an express disavowal of liability against Unitholders.

Dependence on Key Personnel

In assessing the risk of an investment in the Units offered hereby, potential investors should be aware that they will be relying on the good faith, experience and judgment of the directors and officers of the Asset Manager to manage the business and affairs of the Trust. The management of the Trust depends on the services of certain key personnel. The termination of employment by the Asset Manager or the Property Manager of any of these key personnel could have a materially adverse effect on the Trust.

There is no guarantee that the directors and officers of the Asset Manager or the Board of Trustees will remain unchanged. It is contemplated that the directors, officers and employees of the Asset Manager will devote to the Trust's affairs only such time as may be reasonably necessary to conduct its business.

Failure or Unavailability of Computer and Data Processing Systems and Software

The REIT is dependent upon the successful and uninterrupted functioning of its computer and data processing systems and software. The failure or unavailability of these systems could interrupt operations or materially impact the REIT's ability to collect revenues and make payments. If sustained or repeated, a system failure or loss of data could negatively and materially adversely affect the ability of the REIT to discharge its duties and the impact on Centurion Apartment REIT may be material.

Potential Conflicts of Interest

Centurion Apartment REIT may be subject to various conflicts of interest because of the fact that the Trustees and senior officers of Centurion Apartment REIT, the Asset Manager, the Mortgage Manager and the Mortgage Servicer are engaged in a wide range of real estate and other business activities. Centurion Apartment REIT may become involved in transactions which conflict with the interests of the foregoing.

The Trustees may from time to time deal with persons, firms, institutions or corporations with which Centurion Apartment REIT may be dealing, or which may be seeking investments similar to those desired by Centurion Apartment REIT. The interests of these persons could conflict with those of Centurion Apartment REIT. In addition, from time to time, these persons may be competing with Centurion Apartment REIT for available investment opportunities.

The Asset Manager, the Mortgage Manager, and the Mortgage Servicer (collectively, the "**Service Providers**") are not owned by Centurion Apartment REIT but are related by common management and personnel to Centurion Apartment REIT. This could create conflicts of interest between the Asset Manager, the Mortgage Manager and the Mortgage Servicer and Centurion Apartment REIT.

The Service Providers' services are not exclusive to the Trust, as each Service Provider provides services to several other clients. In particular, each Service Provider also provides similar services to CREOT, an investment trust with overlapping investment objectives to those of the REIT. Centurion Apartment REIT and CREOT operate independently from one another and have separate boards of trustees, with Mr. Gregory Romundt and Mr. Martin Bernholtz serving as trustees for both Centurion Apartment REIT and CREOT. Although Mr. Martin Bernholtz serves as a trustee of both Centurion Apartment REIT and CREOT, he is otherwise independent of the Asset Manager and its affiliates.

Additionally, the Warehouse Agreement among the Trust, Centurion Apartment REIT and the Asset Manager and the arrangements thereunder may give rise to certain conflicts of interest, including with respect to (i) any Property Purchase Options or Property Offer Options (and the valuation and transfer thereof), (ii) the valuation and transfer of Warehoused Mortgages and/or Warehoused Other Investments between the Trust and Centurion Apartment REIT and (iii) the allocation of risk as between the Trust and Centurion Apartment REIT. The Asset Manager will follow procedures established by the Board of Trustees that are designed to ensure an appropriate allocation of risk under the Warehouse Agreement and related arrangements.

Centurion Apartment REIT is a connected issuer, and may be considered to be a related issuer, of Centurion Asset Management Inc. (the "Asset Manager"), its asset manager and an exempt market dealer, investment fund manager, and restricted portfolio manager in certain jurisdictions, in connection with the distribution of the REIT's securities hereunder, which may result in potential conflicts of interest. Centurion Apartment REIT is a connected issuer of the Asset Manager due to the factors described in this Offering Memorandum under "Relationship between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager" as a result of the fact that the President of Centurion Apartment REIT and the Asset Manager are the same and Mr. Gregory Romundt and his family beneficially own all of the shares of the Asset Manager, the Mortgage Manager and the Mortgage Servicer. Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager's right to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT. Centurion Apartment REIT owns 62.0%% of a private mutual fund trust, Centurion Real Estate Opportunities Trust, which also has engaged Centurion Asset Management Inc. to be its asset manager. See "Trustees" and "Relationship Between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager".

The Centurion Apartment REIT Declaration of Trust contains "conflict of interest" provisions requiring Trustees to disclose material interests in Material Contracts and transactions and to refrain from voting thereon.

Allocation of Investment Opportunities

While Centurion Apartment REIT and CREOT are not naturally competing for the same investments as their primary investment portfolios will generally have different time horizons, there may be instances in which CREOT and Centurion Apartment REIT both have an interest in the same investment opportunity. For example, CREOT may invest in long term real-estate properties and Centurion Apartment REIT may from time to time invest in Mortgage Assets. In the event that CREOT and Centurion Apartment REIT are both interested in pursuing the same investment opportunity, the Asset Manager will seek to allocate investment opportunities on a basis which it determines to be fair and reasonable. However, there is no requirement that the Asset Manager allocate investment opportunities on a pro rata basis between CREOT and Centurion Apartment REIT. Additionally, there may be situations where an investment opportunity is allocated to CREOT despite Centurion Apartment REIT having an interest in such investment opportunity.

Tax-Related Risks

There can be no assurance that income tax laws and the treatment of mutual fund trusts will not be changed in a manner which adversely affects Centurion Apartment REIT or the Unitholders.

If Centurion Apartment REIT fails or ceases to qualify as a mutual fund trust for the purposes of the Tax Act, the tax consequences described under “Canadian Federal Income Tax Considerations” and “Eligibility for Investment” would in some respects be materially and adversely different. In addition, REIT Unitholders may become subject to provincial taxes, such as Ontario Land Transfer Tax, in respect of their REIT Units.

If investments in Centurion Apartment REIT become publicly listed or traded, there can be no assurances that Centurion Apartment REIT will not be subject to the SIFT Rules, as described under “Canadian Federal Income Tax Considerations – SIFT Rules”, at that time. Centurion Apartment REIT or its subsidiaries may be reassessed for taxes from time to time. Such reassessments together with associated interest and penalties could adversely affect Centurion Apartment REIT.

Critical Estimates, Assumptions and Judgements

The preparation of financial statements as per IFRS requires management to make judgments, assumptions and estimates that affect the reported amounts in the consolidated financial statements. Actual results could differ from these estimates. Financial statement carrying values, in addition to other factors (See “VALUATION POLICY”), serve as the basis for the calculation of the Fair Market Value of REIT Units. If such carrying values should prove to be incorrect, the Fair Market Value of the REIT Units could be different. To the extent that the carrying values or critical estimates, assumptions and judgements are inaccurate, and given that property portfolio values, which comprise the vast majority of the REITs assets, are calculated quarterly on a lagging basis, the Posted Price per REIT Unit in any given month may be understated or overstated as the case may be. In light of the foregoing, there is a risk that a Unitholder who redeems all or part of its Units will be paid an amount less than it would otherwise be paid if the critical estimates, assumptions and judgements were different and that the calculation of property values wasn't calculated on a quarterly basis and thus potentially lagging the market. Similarly, there is a risk that such Unitholder might, in effect, be overpaid if the actual Fair Market Value is lower than the calculated Fair Market Value. In addition, there is a risk than an investment in the REIT by a new Unitholder (or an additional investment by an existing Unitholder) could dilute the value of such investments for the other Unitholders if the Posted Price of the REIT Units is higher than the actual Fair Market Value of the REIT Units. Further, there is a risk that a new Unitholder (or an existing Unitholder than makes an additional investment) could pay more than it might otherwise if the actual Fair Market Value of the REIT Units is lower than the Posted Price. Centurion Apartment REIT does not intend to adjust the Fair Market Value of the REIT retroactively.

As set forth in the definitions of “Fair Market Value”, the value of the REIT Units is determined by the Trustees, in their sole discretion, using reasonable methods of determining fair market value. Fair Market Value may or may not be equal to the net asset value of the Units. The description of the methodology of investment property valuations and the calculation of Fair Market Value and Post Prices of REIT Units reflects the methodology used by the Trustees as at the date hereof in calculating Fair Market Value. The Trustees may, in their discretion, adopt alternative methodologies to calculate investment property values and Fair Market Value from time to time, without notice to, or approval by, REIT Unitholders.

Centurion Apartment REIT may buy properties from CREOT which would be affected at a purchase price equal to fair market value. The determination of fair market value will be made in part by the Asset Manager and will be reviewed and approved by the Independent Trustees. Such determination will involve numerous estimates, assumptions and uncertainties. To the extent that these estimates and assumptions are incorrect, the REIT may be adversely affected.

Risks Relating to Unfunded Commitments

In connection with the seeding of CREOT, Centurion Apartment REIT has agreed to fund the unfunded commitments existing at the date of seeding. If the REIT is required to hold reserves of cash for an extended period of time in anticipation of funding the unfunded commitments, the returns generated by the REIT may be reduced.

Lack of Independent Experts Representing Unitholders

Each of Centurion Apartment REIT and the Asset Manager has consulted with legal counsel regarding the formation and terms of the REIT and the offering of Units. Unitholders have not, however, been independently represented. Therefore, to the extent that the REIT, Unitholders or this offering could benefit by further independent review, such benefit will not be available. Each prospective investor should consult his or her own legal, tax and financial advisors regarding the desirability of purchasing Units and the suitability of investing in the REIT.

Joint Arrangements

Centurion Apartment REIT may invest in, or be a participant in, joint arrangements and partnerships with third parties in respect of the mortgage investments and/or other real estate investments. A joint arrangement or partnership involves certain additional risks which could result in additional financial demands, increased liability and a reduction in the Asset Manager's control over the mortgage investments and/or the other real estate investments and its ability to sell the REIT's interests in a mortgage investment and/or other real estate investments within a reasonable time frame.

Dilution

The number of REIT Units Centurion Apartment REIT is authorized to issue is unlimited. The Centurion Apartment REIT Trustees have the discretion to issue additional REIT Units in other circumstances, pursuant to Centurion Apartment REIT's various incentive plans. Any issuance of additional REIT Units may have a dilutive effect on the holders of REIT Units.

Restrictions on Potential Growth and Reliance on Credit Facilities

The payout by Centurion Apartment REIT of a substantial part of its operating cash flow could adversely affect Centurion Apartment REIT's ability to grow unless it can obtain additional financing. Such financing may not be available, or renewable, on attractive terms or at all. In addition, if current credit facilities were to be cancelled or could not be renewed at maturity on similar terms, Centurion Apartment REIT could be materially and adversely affected.

Potential Inability to Fund Investments

Centurion Apartment REIT may commit to making future investments in anticipation of repayment of principal outstanding and/or the payment of interest under existing Mortgage investments and/or in reliance on its credit facilities. In the event that such repayments of principal or payments of interest are not made, or where credit facilities aren't available, Centurion Apartment REIT may be unable to advance some or all of the funds required to be advanced pursuant to the terms of its commitments and may be required to obtain interim financing and to fund such commitments or face liability in connection with its failure to make such advances.

Liquidity of REIT Units and Redemption Risk

The REIT Units are not listed on an exchange. There is currently no secondary market through which the REIT Units may be sold, there can be no assurance that any such market will develop and the REIT has no current plans to develop such a market. Accordingly, the sole method of liquidation of an investment in REIT Units is by way of a redemption of the REIT Units. Aggregate redemptions are limited to \$50,000 per month unless approved by the Board of Trustees. Accordingly, in the event that the REIT experiences a large number of redemptions, the REIT may not be able to satisfy all of the redemption requests. Depending upon the Purchase Option selected and the amount of time the REIT Units have been held, there may be a Deferred Sales Charge or Short-Term Trading Fee associated with an early redemption (see “Redemption of REIT Units”).

Nature of REIT Units

The REIT Units are not the same as shares of a corporation. As a result, the Unitholders will not have the statutory rights and remedies normally associated with share ownership, such as the right to bring “oppression” or “derivative” actions.

CERTAIN SECURITIES LAWS MATTERS

Representations of Subscribers

Each Subscriber of Units will be deemed to have represented to Centurion Apartment REIT, the underwriters and any dealer who sells the Units to such Subscriber that:

- (b) it has reviewed and acknowledges the terms referred to above under the section entitled “Resale Restrictions”;
- (c) where required by law, it is purchasing as principal, or is deemed to be purchasing as principal in accordance with applicable Canadian securities laws in which it is resident, for its own account and not as agent for the benefit of another person;
- (d) it is an accredited or eligible investor as defined in NI 45-106 if resident in a province in Canada; and
- (e) it is not a person created or used solely to purchase or hold the REIT Units as an accredited investor as described in paragraph (m) of the definition of accredited investor in section 1.1 of NI 45-106.
- (f) In addition, each resident of Ontario who purchases the REIT Units will be deemed to have represented to Centurion Apartment REIT, the underwriters and each dealer from whom a purchase confirmation is received, that such Subscriber:
 - (i) has been notified by Centurion Apartment REIT:
 - (ii) that Centurion Apartment REIT may be required to provide certain personal information (“personal information”) pertaining to the Subscriber as required to be disclosed in Schedule I of Form 45-106F1 under NI 45-106 (including its name, address, telephone number and the number and value of any REIT Units purchased), which Form 45-106F1 may be required to be filed by the Company under NI 45-106;

- (iii) that such personal information may be delivered to the Ontario Securities Commission (the "OSC") in accordance with NI 45-106;
- (iv) that such personal information is collected indirectly by the OSC under the authority granted to it under the securities legislation of Ontario;

- (vii) has authorized the indirect collection of the personal information by the OSC.

Furthermore, the Subscriber acknowledges that its name, address, telephone number and other specified information, including the number of REIT Units it has purchased and the aggregate purchase price paid by the Subscriber, may be disclosed to other Canadian securities regulatory authorities and may become available to the public in accordance with the requirements of applicable Canadian laws. By purchasing REIT Units, the Subscriber consents to the disclosure of such information.

Resale Restrictions

The distribution of the REIT Units in Ontario is being made on a private placement basis only and is exempt from the requirement that Centurion Apartment REIT prepare and file a prospectus with the relevant Canadian securities regulatory authorities. Accordingly, any resale of the REIT Units must be made in accordance with applicable Canadian securities laws which may require resales to be made in accordance with prospectus and dealer registration requirements or exemptions from the prospectus and dealer registration requirements. Subscribers of REIT Units are advised to seek legal advice prior to any resale of the REIT Units.

The REIT Units are not listed on an exchange. There is currently no secondary market through which the REIT Units may be sold, there can be no assurance that any such market will develop and the REIT has no current plans to develop such a market. Accordingly, the sole method of liquidation of an investment in REIT Units is by way of a redemption of the REIT Units. Aggregate redemptions are limited to \$50,000 per month unless approved by the Board of Trustees. Accordingly, in the event that the REIT experiences a large number of redemptions, the REIT may not be able to satisfy all of the redemption requests. Depending upon the Purchase Option selected and the amount of time the REIT Units have been held, there may be a Deferred Sales Charge or Short-Term Trading Fee associated with an early redemption (see "Redemption of REIT Units").

Applicable securities laws in certain jurisdictions provide purchasers, or require purchasers be provided, with remedies for rescission or damages, or both, if this Offering Memorandum or any amendment to it or any information or documents incorporated or deemed to be incorporated herein by reference contains a misrepresentation. However, these remedies must be exercised within the time limits prescribed. Purchasers should refer to the applicable legislative provisions for the complete text of these rights and/or consult with a legal advisor. See ITEM 11: Purchaser's Rights.

Notes:												
"Suites" means a rental suite, irrespective of the number of bedrooms or rental units in that suite. E.g. a 3 bedroom apartment that rents as a whole would be considered a single suite												
"Undiluted" means that the number doesn't factor in any portion of the building that may be owned by partners. E.g. a 100 suite building owned 50/50 with a partner would show above as 100 suites on an undiluted basis and 50 suites on a Diluted basis.												
"Diluted" means that portions of the property owned by partners has been subtracted from the total. E.g. a 100 suite building owned with a partner would show above as 50 diluted suites												
"Rental Units/ Beds" adjusts for the number of student tenants renting individual units inside a suite. For example, a 5 bedroom student unit, would show as 1 suite, but 5 rental units as there may be 5 separate leases, each pertaining to a bed. This distinction only applies to properties classified as Student Residences. Thus an apartment that had a 2 bedroom suite that had room mates sharing the apartment, and wasn't classified as a "student residence" would be 1 Suite and 1 Rental Unit only. We make no distinction in "Rental Units" between individual leases on bedrooms and multi tenant leases with all residents in the suite on a single lease (the two forms of lease in the student rental business).

Notes Pertaining to the Tables in this Appendix:

¹ For the purposes of this table, "Rent Controlled" means that the rent is controlled by regulation, but excludes purpose built student properties which, although they may have formal rent controls in some cases, because of the nature of assured student turnover upon graduation, the property may be considered "Non-Rent Controlled"

² For the purposes of this table: "Stabilized" means

- Property vacancy is equal to that expected for the node;
- Property arrears are in line with normal expectations; and,
- No significant property improvements required

"Un-stabilized" means

- Property vacancy is greater than expected for the node;
- Property arrears may exceed normal expectations;
- A major portion of current vacancy is directly attributed to re-positioning of the Resident base and/or to significant property improvements, or there is anticipated future vacancy that is attributed to re-positioning of the Resident base and/or to significant property improvements; and/or
- The property is newly acquired, is under-performing, and is subject to "acclimation" by Centurion

"Repositioning" means

- Property is otherwise stabilized as above
- Opportunity presents to deploy capex to improve the value proposition and achieve higher rents (Generally, in-apartment renovations with a four to five-year payback based on improved market rents, and/or other interior/exterior common element enhancements);
- Opportunity presents to deploy capex to achieve savings in operating expense; and,
- In the short term, the property may experience marginally higher vacancy than expected in node, with re-positioning of the Resident base
