2.2 Initial Contribution

The Initial Unitholder has paid, concurrently with the execution of the Initial Declaration of Trust, the Initial Contribution to the Trustees for the purpose of establishing the Trust. The Trustees hereby acknowledge and confirm receipt of the Initial Contribution and confirm that the Initial Unitholder was issued one Class A Unit having a value of \$10 concurrently with the execution of the Initial Declaration of Trust.

2.3 Name of the Trust

- (a) The Trust shall be known and designated in English as “**Centurion Financial Trust**” and, whenever practicable, lawful and convenient, the property of the Trust shall be held and the affairs of the Trust, including the execution of all documents and the taking of any legal proceedings, shall be conducted and transacted under that name.
- (b) If the Trustees determine that the use of such name is not practicable, legal or convenient, the Trust may use such other designation or may adopt such other name as the Trustees deem appropriate, and the Trust may hold property and conduct and transact its affairs under such other designation or name.

2.4 Head Office

The head office of the Trust hereby created shall be located at 25 Sheppard Avenue West, Suite 710, Toronto, Ontario M2N 6S6 or such other place or places in Canada as the Trustees may from time to time designate. The Trust may have such other offices or places in Canada for the conduct of its affairs as the Trustees may from time to time determine as necessary or desirable.

2.5 Nature of the Trust

The Trust is an unincorporated open-ended limited purpose investment trust. The Trust, its Trustees, the Units of any class and its property shall be governed by the general law of trusts, except as such general law of trusts has been or is from time to time modified, altered or abridged for investment trusts or for the Trust by:

- (a) applicable laws, regulations or other requirements imposed by applicable securities or regulatory authorities; and
- (b) the terms, conditions and trusts set forth in this Declaration of Trust.

Without limiting the generality of the foregoing and, insofar as possible, the terms of this Declaration of Trust, insofar as they are inconsistent with the provisions of the *Trustee Act* (Ontario), shall prevail.

The Trust is not, is not intended to be, shall not be deemed to be and shall not be treated as, a general partnership, limited partnership, syndicate, association, joint venture, joint arrangement, company, corporation or joint stock company nor shall the Trustees or the Unitholders or Annuitants or any of them or any officers or other employees of the Trust or any one of them or any person for any purpose be, or be deemed to be, treated in any way whatsoever as liable or responsible hereunder as partners, joint venturers or joint arrangement partners. Neither the Trustees nor any officer or other employee of the Trust shall be, or be deemed to be, agents of the Unitholders. The relationship of the Unitholders to the Trustees, to the Trust and to the

property of the Trust shall be solely that of beneficiaries of the Trust and their rights shall be limited to those conferred upon them by this Declaration of Trust.

2.6 Rights of Unitholders

The beneficial interests and rights of a holder of any Unit shall be limited to the right to participate pro rata on a class basis in distributions payable to Unitholders when and as declared by the Trustees as contemplated by Article 5 and distributions payable to Unitholders upon the termination of the Trust as contemplated in Article 15 and to the right of redemption as contemplated in Article 6.

The rights of each Unitholder to call for a redemption, distribution or division of assets, monies, funds, income and capital gains held, received or realized by the Trustees are limited to those contained herein and, except as provided herein, no Unitholder shall be entitled to call for any partition or division of the Trust's property or for a distribution of any particular asset forming part of the Trust's property or of any particular monies or funds received by the Trustees. The legal ownership of the property of the Trust and the right to conduct the activities of the Trust are vested exclusively in the Trustees, and no Unitholder has or is deemed to have any right of ownership in any of the property of the Trust, except as specifically provided herein. Except as specifically provided herein, no Unitholder shall be entitled to interfere with or give any direction to the Trustees with respect to the affairs of the Trust or in connection with the exercise of any powers or authorities conferred upon the Trustees under this Declaration of Trust. The Units shall be personal property and shall confer upon the holders thereof only the interest and rights specifically set forth in this Declaration of Trust.

2.7 Liability of Unitholders and Others

No Unitholder or Annuitant or any officer, employee or agent of the Trust shall be held to have any personal liability as such, and no resort shall be had to his private property (including, without limitation, any property consisting of or arising from a distribution of any kind or nature by the Trust) for satisfaction of any obligation or claim arising out of or in connection with any contract or obligation of the Trust or of the Trustees or any obligation which a Unitholder or Annuitant would otherwise have to indemnify a Trustee for any personal liability incurred by the Trustee as such, but rather the assets of the Trust only are intended to be liable and subject to levy or execution for such satisfaction. Any written instrument creating an obligation which is or includes the granting by the Trust of a lease, sublease or mortgage or which is, in the judgment of the Trustees, a material obligation, shall contain a provision to the effect that the obligation being created is not personally binding upon, and that resort shall not be had to, nor shall recourse or satisfaction be sought from, the private property (including, without limitation, any property consisting of or arising from a distribution of any kind or nature by the Trust) of any of the Unitholders or Annuitant or officers, employees and agents of the Trust, but the property of the Trust or a specific portion thereof only shall be bound. If the Trust acquires any real property investment subject to existing contractual obligations, the Trustees shall use their reasonable efforts to have any such obligations under material contracts (including mortgages), other than leases, modified so as to achieve the aforesaid disavowal of contractual liability. Further, the Trustees shall cause the operations of the Trust to be conducted in such a way and in such jurisdictions as to avoid, as far as reasonably possible, any material risk of liability on the Unitholders or Annuitant for claims against the Trust, and shall, to the extent which they determine to be possible and reasonable, including in the cost or premiums, to cause the Trust to carry insurance for the benefit of such persons in such amounts as they consider adequate to cover any foreseeable non-contractual or non-excluded contractual liability. Any potential liability of the Trustees with respect to their foregoing obligations or their failure to perform the same shall be

governed by the provisions of Sections 9.6, 9.9 and 9.10. Nothing in this Declaration of Trust will preclude the Trustees from exercising any rights granted to them under the Tax Act or any other applicable taxation legislation to withhold from amounts payable to Unitholders or otherwise recover from Unitholders any taxes that the Trustees have paid on behalf of Unitholders.

ARTICLE 3 ISSUE AND SALE OF UNITS

3.1 Nature of Units

- (a) The beneficial interests in the Trust shall be divided into interests of different classes, each issuable in series, described and designated as “**Class A Units**”, “**Class F Units**”, “**Class I Units**”, “**Class M Units**”, “**Class R Units**” and such other classes of units of the Trust, each issuable in series, which may be created by the Trustees in their discretion (collectively, the “**New Class of Units**”), which shall be entitled to the rights and subject to the limitations, restrictions and conditions set out herein and as classes. The interest of each Unitholder shall be determined by the number of Units registered in the name of the Unitholder.
- (b) For the purpose of facilitating the distribution of the Class A Units via different distribution channels, the Trust may accept subscriptions by Unitholders for Class A Units pursuant to each of the Purchase Plans or such other additional purchase plan as the Trustees may determine (as disclosed in the applicable Offering Document). For the purpose of facilitating the distribution of the Class F Units, the Trust may accept subscriptions by Unitholders for Class F Units pursuant to the Fee Based Accounts Purchase Plan or such other additional purchase plan as the Trustees may determine (as disclosed in the applicable Offering Document). For purposes of facilitating the distribution of Class I Units the Trust may accept subscriptions by Unitholders for Class I Units pursuant to Institutional Plan or such other additional purchase plan as the Trustees may determine (as disclosed in the applicable Offering Document).
- (c) The issued and outstanding Class A Units, Class F Units, Class I Units, “Class M Units”, “Class R Units” and New Class of Units, respectively, may be subdivided or consolidated from time to time by the Trustees without notice to the Unitholders.
- (d) So long as there are any Class M Units and/or Class R Units outstanding, each Investor Unit shall represent an equal undivided beneficial interest in and to that portion of the Investor Unit Percentage Interest of any distributions from the Trust, whether of Net Income, Net Realized Capital Gains or other amounts, and, in the event of termination or winding up of the Trust, in and to that portion that is the Investor Unit Percentage Interest of the net assets of the Trust remaining after satisfaction of all liabilities, provided that the Trustees may, in their discretion, allocate distributions among the classes of Investor Units to adjust for the commissions, trailers and other costs attributable to the sales channels relating to each class of Investor Unit. If no Class M Units and/or Class R Units are outstanding, each Investor Unit represents an equal undivided beneficial interest in and to all distributions of the Trust, whether of Net Income, Net Realized Capital Gains or other amounts, and in the event of the termination or winding-up of the Trust, in and to all of the net assets of the Trust remaining after satisfaction of all liabilities, provided that the Trustees may, in their discretion, allocate distributions

among the classes of Investor Units to adjust for the commissions, trailers and other costs attributable to the sales channels relating to each class of Investor Unit.

- (e) So long as there are any Investor Units and/or Class R Units outstanding, each Class M Unit shall represent an equal undivided beneficial interest in and to that portion that is the Class M Unit Percentage Interest of any distributions from the Trust declared and paid on the outstanding Investor Units, whether of Net Income, Net Realized Capital Gains or other amounts, and, in the event of termination or winding up of the Trust, in and to that portion that is the Class M Unit Percentage Interest of the net assets of the Trust attributable to the Investor Units remaining after satisfaction of all liabilities. If no Investor Units and/or Class R Units are outstanding, each Class M Unit represents an equal undivided beneficial interest in and to all distributions of the Trust, whether of Net Income, Net Realized Capital Gains or other amounts, and in the event of the termination or winding-up of the Trust, in and to all of the net assets of the Trust remaining after satisfaction of all liabilities.
- (f) So long as there are any Investor Units and/or Class M Units outstanding, each Class R Unit shall represent an equal undivided beneficial interest in and to that portion that is the Class R Unit Percentage Interest of any distributions from the Trust, whether of Net Income, Net Realized Capital Gains or other amounts, and, in the event of termination or winding up of the Trust, in and to that portion that is the Class R Unit Percentage Interest of the net assets of the Trust remaining after satisfaction of all liabilities. If no Investor Units and/or Class M Units are outstanding, each Class R Unit represents an equal undivided beneficial interest in and to all distributions of the Trust, whether of Net Income, Net Realized Capital Gains or other amounts, and in the event of the termination or winding-up of the Trust, in and to all of the net assets of the Trust remaining after satisfaction of all liabilities.
- (g) Each Investor Unit shall entitle the holder of record thereof to one vote at all meetings of Unitholders.
- (h) The Trustees shall not accept a subscription for Class M Units from, any person other than CAMI or a related party of CAMI. Apart from those circumstances where the holder of Class M Units is not entitled to vote, the holders of Class M Units, in the aggregate, shall be entitled to that percentage of all votes of holders of Investor Units equal to the Class M Unit Percentage Interest.
- (i) The Trustees shall not accept a subscription for Class R Units from, any person other than a Centurion Family Entity. Apart from those circumstances where the holder of Class R Units is not entitled to vote, the holders of Class R Units, in the aggregate, shall be entitled to that percentage of all Unitholder votes equal to the Class R Unit Percentage Interest.

3.2 Re-designation of Class M Units

- (a) The Class M Unitholders as a group shall have the right, at any time, to exercise the Conversion Rights in respect of some or all of the Class M Units, provided that:
 - (i) the Trust is legally entitled to comply with its obligations in connection with the exercise of the Conversion Rights; and

- (ii) the Class M Unitholder who exercises the Conversion Rights complies with all applicable securities laws.
- (b) At any time prior to a Mandatory Conversion Event, any Class M Unitholder who wishes to exercise the Conversion Rights shall execute and deliver to the Trustees notice of such exercise that they have elected to cause the Trust to re-designate all or any part of their Class M Units into Class A Units and/or Class R Units. Upon receipt of such notice, the Trust shall cause the Class M Units referred to therein to be re-designated into that number of:
 - (i) Class A Units which is equal to the Class M Unit Specified Ratio at the time of conversion multiplied by the number of outstanding Class M Units so specified on and as of the date set out in such notice, and thereafter the subject Class M Units shall exist for all purposes as Class A Units; or
 - (ii) Class R Units which is equal to 100% of the aggregate of the Fair Market Value of the Class A Units that would be issued upon the exercise of the Conversion Rights as determined in (i) divided by the Fair Market Value per Class R Unit at the time of conversion, and thereafter the subject Class M Units shall exist for all purposes as Class R Units.

The Trust shall, as soon as practicable after such delivery of an original copy of the instrument of conversion, issue and deliver or cause to be issued and delivered to the Class M Unitholder(s), a certificate or certificates for the number of Class A Units and/or Class R Units to which the Class M Unitholder shall be entitled and shall surrender for cancellation a certificate or certificates for the number of Class M Units so converted. No fractional Class A Units and/or Class R Units shall be issued upon any conversion. The Class M Unitholders entitled to receive the Class A Units and/or Class R Units issuable upon any such conversion and re-designation shall be treated for all purposes as the record holder or holders of such Class A Units and/or Class R Units.

- (c) Immediately upon the occurrence of a Mandatory Conversion Event and with no action required by the Class M Unitholders, all of the Class M Units held by the Class M Unitholders shall automatically be re-designated into that number of Class A Units equal to the Class M Unit Specified Ratio immediately prior to the Mandatory Conversion Event multiplied by the number of outstanding Class M Units immediately prior to the Mandatory Conversion Event, and thereafter the subject Class M Units shall exist for all purposes as Class A Units.

3.3 Authorized Number of Units

The aggregate number of Units of each Class and series which is authorized and may be issued hereunder is unlimited.

3.4 Units Non-Assessable

No Units shall be issued other than as fully paid and non-assessable. A Unit shall not be fully paid until the consideration therefor has been received in full by or on behalf of the Trust. The consideration for any Unit shall be paid in cash or in assets or in past services that are not less in value than the fair equivalent of the cash that the Trust would have received if the Unit had been issued for cash as determined by the Trustees, in their discretion. In determining whether assets or past services are the fair equivalent of cash consideration, the Trustees may take into account

reasonable charges and expenses of organization and reorganization and payments for assets and past services reasonably expected to benefit the Trust. Notwithstanding the foregoing, Units may be issued and sold on an instalment receipt basis, in which event beneficial ownership of such Units may be represented by the instalments receipts, but shall otherwise be non-assessable.

3.5 Fractional Units

If as a result of any act of the Trustees hereunder or otherwise any person becomes entitled to a fraction of a Unit, such person is not entitled to receive a certificate therefor. Fractional Units shall not, except to the extent that they may represent in the aggregate one or more whole Units, entitle the holders thereof to notice of, or to attend or to vote at, meetings of Unitholders. Subject to the foregoing and Section 3.10(a), such fractional Units shall have attached thereto the rights, restrictions, conditions and limitations attaching to whole Units in the proportion that they bear to a whole Unit.

3.6 Allotment and Issue

The Trustees may allot and issue Units at such time or times and in such manner (including pursuant to any plan from time to time in effect relating to reinvestment by Unitholders of their distributions of the Trust in Units), and for such consideration and to such person, persons or class of persons as the Trustees in their sole discretion shall determine. In the event that Units are issued in whole or in part for a consideration other than money, the resolution of the Trustees allotting and issuing such Units shall express the fair equivalent in money of the other consideration received.

3.7 Rights, Warrants, Options, Convertible Indebtedness and Other Securities

The Trustees may create and issue rights, warrants or options or other instruments or securities to subscribe for fully paid Units which rights, warrants, options, instruments or securities may be exercisable at such subscription price or prices and at such time or times as the Trustees may determine. The rights, warrants, options, instruments or securities so created may be issued for such consideration or for no consideration, all as the Trustees may determine. A right, warrant, option, instrument or security shall not be a Unit and a holder thereof shall not be a Unitholder.

Subject to the provisions of Article 4 hereof, the Trustees may create and issue indebtedness of the Trust in respect of which interest, premium or principal payable thereon may be paid, at the option of the Trust or the holder, in fully paid Units, or which indebtedness, by its terms, may be convertible into Units at such time and for such prices as the Trustees may determine. Any indebtedness so created shall not be a Unit and a holder thereof shall not be a Unitholder unless and until fully paid Units are issued in accordance with the terms of such indebtedness.

3.8 Commissions and Discounts

The Trustees may provide for the payment of commissions or may allow discounts to persons in consideration of their subscribing or agreeing to subscribe, whether absolutely or conditionally, for Units or other securities issued by the Trust or of their agreeing to procure subscriptions therefor, whether absolute or conditional.

3.9 Transferability

Investor Units shall only be transferred with the prior written consent of the Trustees. No transfer of Units shall be effective as against the Trust or the Trustees or shall be in any way binding upon

the Trust or the Trustees until the transfer has been recorded on the Register maintained by the Registrar.

3.10 Transfer of Units

- (a) Subject to the provisions of Section 3.9 and Article 14, the Units shall be, for all purposes of the Trust and this Declaration of Trust, personal and moveable property, and shall be fully transferable without charge as between persons, but no transfer of Units shall be effective as against the Trust or the Trustees or shall be in any way binding upon the Trust or the Trustees until the transfer has been recorded on the Register or one of the branch transfer registers maintained by the Trustees, the Trust or the Registrar. No transfer of a Unit shall be recognized unless such transfer is of a whole Unit.
- (b) Subject to the provisions of Section 3.9 and Article 14, Units shall be transferable on the Register or one of the branch transfer registers only by the holders of record thereof or their executors, administrators or other legal representatives or by their agents or attorneys duly authorized in writing, and only upon delivery to the Trust or to the Registrar of the Unit Certificate, properly endorsed or accompanied by a duly executed instrument of transfer or power of attorney and accompanied by all necessary transfer or other taxes imposed by-law, together with such evidence of the genuineness of such endorsement, execution and authorization and other matters that may reasonably be required by the Trustees or the Registrar, if applicable. Upon such delivery the transfer shall be recorded on the Register or branch transfer registers and a new Unit Certificate for the Units shall be issued to the transferee and a new Unit Certificate for the balance of Units not transferred shall be issued to the transferor.
- (c) Unit Certificates representing any number of Units may be exchanged without charge for Unit Certificates representing an equivalent number of Units in the aggregate. Any exchange of Unit Certificates may be made at the offices of the Trust or the Registrar where registers are maintained for Unit Certificates pursuant to the provisions of Article 14. Any Unit Certificates tendered for exchange shall be surrendered to the Trustees or appropriate Registrar and then shall be cancelled.

3.11 Successors in Interest to Unitholders

Subject to the provisions of Article 14, any person becoming entitled to any Units as a consequence of the death, bankruptcy or incompetence of any Unitholder or otherwise by operation of law, shall be recorded as the holder of such Units and shall receive a new Unit Certificate therefor upon production of evidence thereof satisfactory to the Trustee and delivery of the existing Unit Certificate to the Trustee or the Registrar to the Trust, but until such record is made, the Unitholder of record shall continue to be and be deemed to be the holder of such Units for all purposes whether or not the Trust, the Trustee or the Registrar or registrar of the Trust shall have actual or other notice of such death, bankruptcy, incompetence or other event.

3.12 Units Held Jointly or in Fiduciary Capacity

The Trust may treat two or more persons holding any Unit as joint tenants of the entire interest therein unless their ownership is expressly otherwise recorded on the register of the Trust, but no entry shall be made in the register or on any certificate that any person is in any other manner entitled to any future, limited or contingent interest in any Unit; provided, however, that any person recorded as a holder of any Unit may, subject to the provisions herein contained, be described in

the register or on any certificate as a fiduciary of any kind and any customary words may be added to the description of the holder to identify the nature of such fiduciary relationship.

3.13 Performance of Trusts

The Trustees, the officers of the Trust, the Unitholders, any transfer agent or other agent of the Trust or the Trustees, shall not be bound to see to the performance of any trust, express, implied or constructive, or of any charge, pledge or equity to which any of the Units or any interest therein are or may be subject, or to ascertain or inquire whether any sale or transfer of any such Units or interest therein by any such Unitholder or his personal representative is authorized by such trust, charge, pledge or equity, or to recognize any person as having any interest therein, except for the person recorded on the Register as Unitholder.

3.14 Death of Unitholders

The death of a Unitholder during the continuance of the Trust shall not terminate the Trust or give such Unitholder's legal representatives a right to an accounting or to take any action in the courts or otherwise against other Unitholders or the Trustees or the property of the Trust, but shall only entitle the legal representatives of the deceased Unitholder, subject to the provisions of Article 14, to the rights described in Section 3.11, at which time such legal representative shall, subject to the provisions of Article 14, succeed to all rights of the deceased Unitholder under this Declaration of Trust.

3.15 Unclaimed Distributions

In the event that the Trustees hold amounts to be paid to Unitholders under Article 5, Article 6 and Article 15 or otherwise which are unclaimed or which cannot be paid for any reason, neither the Trustees nor any distribution disbursing agent shall be under any obligation to invest or reinvest the same and shall only be obligated to hold the same in a current or other non-interest bearing account with a chartered bank or trust company pending payment to the person or persons entitled thereto. The Trustees shall, as and when required by law, and may any time prior to such required time, pay all or part of the distributions so held to a court in the province in which the Trust has its principal office or to the Public Guardian and Trustee of Ontario (or other similar government official or agency in the province in which the Trust has its principal office) whose receipt shall be a good and sufficient discharge of the obligations of the Trustees.

3.16 Repurchase of Units

The Trust shall be entitled to purchase for cancellation at any time the whole or from time to time any part of the outstanding Units, at a price per Unit and on a basis to be determined by the Trustees in compliance with all applicable Securities Laws, regulations or policies.

3.17 Repurchase of Initial Unit by the Trust

Immediately after the issuance of Units other than the Initial Unit or at such other time as may be determined by the Trustees, the Trust will purchase the Initial Unit from the Initial Unitholder, and the Initial Unitholder shall sell the Initial Unit to the Trust, for a purchase price of \$10 and, upon the completion of such purchase and sale, the Initial Unit shall be cancelled and shall no longer be outstanding for any of the purposes of this Declaration of Trust.

3.18 Consolidation of Units

Unless the Trustees determine otherwise, immediately after any pro rata distribution of additional Units to all Unitholders pursuant to Section 5.6(b), the number of the outstanding Units will

automatically be consolidated such that each Unitholder will hold after the consolidation the same number of Units as the Unitholder held before the distribution of additional Units. In this case, each Unit Certificate representing a number of Units prior to the distribution of additional Units is deemed to represent the same number of Units after the non-cash distribution of additional Units and the consolidation.

Notwithstanding the foregoing, where tax is required to be withheld from a Unitholder's share of the distribution, the consolidation will result in such Unitholder holding that number of Units equal to (i) the number of Units held by such Unitholder prior to the distribution plus the number of Units received by such Unitholder in connection with the distribution (net of the number of whole and part Units withheld on account of withholding taxes) multiplied by (ii) the fraction obtained by dividing the aggregate number of Units outstanding prior to the distribution by the aggregate number of Units that would be outstanding following the distribution and before the consolidation if no withholding were required in respect of any part of the distribution payable to any Unitholder. Such Unitholder will be required to surrender the Unit Certificates, if any, representing such Unitholder's original Units, in exchange for a Unit Certificate representing such Unitholder's post consolidation Units.

3.19 No Pre-Emptive Rights

No person shall be entitled, as a matter of right, to subscribe for or purchase any Unit.

- (o) the Trust shall not invest in any security that would be a “tax shelter investment” within the meaning of the Tax Act;

For the purpose of the foregoing guidelines, the assets, liabilities and transactions of a corporation, trust or other entity wholly or partially owned by the Trust will be deemed to be those of the Trust on a proportionate consolidation basis. Except as specifically set forth in this Declaration of Trust to the contrary, all of the foregoing prohibitions, limitations or requirements for investment shall be determined as at the date of investment by the Trust, but always subject to (a) above.

For greater certainty, the above Investment Guidelines are intended to set out generally the parameters under which subsidiaries or affiliates in which the Trust is permitted to invest will be empowered under their respective constating documents to re-invest. References to the Trust in those paragraphs shall be read as applying to such subsidiary or affiliate where the actual activity that is the subject of the policy is carried on by such subsidiary or affiliate. The Trust will take all commercially reasonable actions required to ensure that all of its subsidiaries and affiliates operate in accordance with the above Investment Guidelines. Further, any determinations in respect of the investment restrictions that are determinations reserved to the Trustees, where the actual activity is carried on by a subsidiary or an affiliate, will be made by the trustees or directors of the relevant subsidiary or affiliates. Nothing in the Investment Guidelines empowers or entitles the Trust or the Trustees to carry on business or to otherwise undertake any activity that would violate the Trust's requirement to maintain its status as a "mutual fund trust" under the Tax Act.

4.2 Operating Policies

The operations and affairs of the Trust will be conducted in accordance with the following operating policies and the Trust shall not permit any subsidiary or affiliate to conduct its operations and affairs other than in accordance with the following policies:

- (a) each Investment shall be held by and registered in the name of an individual, a corporation or other entity wholly-owned directly or indirectly by the Trust or, where applicable, jointly owned directly or indirectly by the Trust with joint arrangement partners (if any), provided that Investments may also be registered in the name of a service provider to the Trust as a nominee of the Trust;
- (b) title to each real property for a mortgage investment shall be held by and registered in the name of a corporation or other entity wholly-owned directly or indirectly by the Trust or jointly owned, directly or indirectly, by the Trust with joint arrangement partner; provided, that where land tenure will not provide fee simple title, (i) a corporation or other entity wholly-owned, directly or indirectly, by the Trust or jointly owned, directly or indirectly, by the Trust with joint arrangement partners, or (ii) by a service provider to the Trust as a nominee of the Trust, shall hold a land lease as appropriate under the land tenure system in the relevant jurisdiction;

- (c) no indebtedness shall be incurred or assumed if, after giving effect to the incurring or assumption thereof of the indebtedness, the total indebtedness as a percentage of Gross Book Value would be more than 75% for indebtedness, including amounts drawn under an acquisition facility, provided that for the purposes of the foregoing, indebtedness shall exclude any obligations of the Trust under or arising out of Approved Warehouse Transactions (including any obligations to purchase any warehoused investments on demand);
- (d) subject to the approval of the Trustees, the Trust may, directly or indirectly, guarantee any indebtedness, liabilities or other obligations of any kind of a third party, where such indebtedness, liabilities or other obligation, if granted, incurred or assumed by the Trust directly, would not cause the Trust to otherwise contravene the restrictions set out in the Investment Guidelines described above;
- (e) in accordance with this Declaration of Trust, the Trust shall form the Investment Committee, which Investment Committee shall have the rights and responsibilities set out in Article 11;
- (f) the Trust may engage service providers, including asset managers, investment advisors, investment dealers and mortgage managers under terms and conditions acceptable to the Trustees. As at the date hereof, the Trust has engaged CAMI by the terms of the Asset Management Agreement, which agreement shall remain in full force and effect until terminated by a party thereto in accordance with its terms.

For greater certainty the operating policies above are intended to set out generally the parameters under which the Trust (and subsidiaries and affiliates in which the Trust is permitted to invest) will operate. References to the Trust in those paragraphs shall be read as applying to the subsidiary or affiliate that actually carries on the activity that is the subject of the policy on behalf of the Trust (with the exception of (c) which is only intended to apply to the Trust). Further, any determinations in respect of the operating policies that are determinations reserved to the Trustees, where the actual activity is carried on by a subsidiary, will be made by the trustees or directors of the relevant subsidiary. Nothing in the above operating policies empowers or entitles the Trust or the Trustees to carry on business or otherwise undertake any activity that would violate the Trust's requirement to maintain its status as a "mutual fund trust" under the Tax Act.

For the purposes of the foregoing investment guidelines and operating policies, the assets, indebtedness, liabilities and transactions of a corporation, partnership or other entity wholly or partially owned by the Trust will be deemed to be those of the Trust on a proportionate, consolidated basis. In addition, any references in the foregoing investment guidelines and operating policies to investment in real property will be deemed to include an investment in a joint arrangement. A "**joint arrangement**" means an arrangement through which two or more parties have joint control that has the following characteristics: (a) the parties to the arrangement are bound by a contractual agreement, (b) the contractual agreement gives two or more of those parties joint control of the arrangement, and (c) is either a joint operation or a joint venture.

In addition, the term "**indebtedness**" means (without duplication):

- (i) any obligation of the Trust for borrowed money;
- (ii) any obligation of the Trust incurred in connection with the acquisition of property, assets or business other than the amount of future income tax liability arising out of indirect acquisitions;

- (iii) any obligation of the Trust issued or assumed as the deferred purchase price of property;
- (iv) any capital lease obligation of the Trust; and
- (v) any obligation of the type referred to in clauses (i) through (iv) of another person, the payment of which the Trust has guaranteed or for which the Trust is responsible for or liable;

provided that (A) for the purposes of (i) through (iv), an obligation will constitute indebtedness only to the extent that it would appear as a liability on the consolidated balance sheet of the Trust in accordance with generally accepted accounting principles; (B) obligations referred to in clauses (i) through (iii) exclude trade accounts payable, distributions payable to Unitholders and accrued liabilities arising in the ordinary course of business, and (C) indebtedness shall exclude any obligations of the Trust under or arising out of Approved Warehouse Transactions (including any obligations to purchase mortgage or other investments on demand).

4.3 Mutual Fund Trust Status

The Trustees will cause the Trust to elect, in respect of the first taxation year of the Trust following the date on which the Trust qualifies therefor, pursuant to Subsection 132(6.1) of the Tax Act, that the Trust be deemed to be a “mutual fund trust” for the purposes of the Tax Act from the date it is established. Notwithstanding anything else contained in this Declaration of Trust, the Trust shall not make any investment, take any action or omit to take any action that would result in the Trust failing or ceasing to qualify as a “mutual fund trust” within the meaning of the Tax Act; that would result in the Units being disqualified for investment by Deferred Income Plans; or that would result in CFIT being liable to pay tax imposed under Part XII.2 of the Tax Act.

4.4 Application of Investment Restrictions and Operating Guidelines

With respect to the investment restrictions and operating guidelines contained in Sections 4.1 and 4.2, where any maximum or minimum percentage limitation is specified in any of the restrictions therein contained, such restrictions shall be applied on the basis of the relevant amounts calculated immediately after the making of such investment. Any subsequent change relative to any percentage limitation which results from a subsequent change in the book value of the assets of the Trust or the amount of Gross Book Value will not require divestiture of any investment.

4.5 Regulatory Matters

If at any time a regulatory authority having jurisdiction over the Trust or any property of the Trust shall enact any law, regulation or requirement which is in conflict with any investment restriction of the Trust then in force, such restriction in conflict shall, if the Trustees on the advice of legal counsel to the Trust so resolve, be deemed to have been amended to the extent necessary to resolve any such conflict, and, notwithstanding anything to the contrary herein contained, any such resolution of the Trustees shall not require the prior approval of Unitholders.

ARTICLE 5 DISTRIBUTIONS

5.1 Computation of Distributable Income

The Distributable Income of the Trust for or in respect of any period shall be based on the applicable net income of the Trust and its applicable subsidiaries, including CFIT, for such period

set out in its consolidated financial statements as determined in accordance with generally accepted accounting principles, subject to certain adjustments, including:

- (a) adding or adding back the following items, as the case may be: depreciation, amortization (except for amortization of deferred financing costs), future income tax expense, losses on dispositions of assets and amortization of any net discount on long-term debt assumed from vendors of properties at rates of interest less than fair value;
- (b) deducting the following items: future income tax credits, maintenance capital expenditures, gains on dispositions of assets and amortization of any net premium on long-term debt assumed from vendors of properties at rates of interest greater than fair value; and
- (c) any other adjustments as determined by the Trustees in their discretion.

Distributable Income may be estimated by the Trustees whenever the actual amount has not been fully determined. Such estimates shall be adjusted as of a subsequent Distribution Date when the amount of Distributable Income has been determined by the Trustees.

Distributable Income shall be calculated for each Distribution Period or other calendar period selected by the Trustees.

5.2 Class Entitlement

If there are any Class M Units and/or Class R Units outstanding, each Investor Unit shall receive an equal undivided beneficial interest in and to the Investor Unit Percentage Interest of any distributions from the Trust, whether of Net Income, Net Realized Capital Gains or other amounts. If there are no Class M Units and/or Class R Units outstanding, each Investor Unit shall receive an equal undivided beneficial interest in and to all distributions from the Trust, whether of Net Income, Net Realized Capital Gains or other amounts.

If there are any Investor Units and/or Class R Units outstanding, each Class M Unit shall receive an equal undivided beneficial interest in and to the Class M Unit Percentage Interest of any distributions from the Trust declared and paid on the outstanding Investor Units, whether of Net Income, Net Realized Capital Gains or other amounts. If there are no Investor Units and/or Class R Units outstanding, each Class M Unit shall receive an equal undivided beneficial interest in and to all distributions from the Trust, whether of Net Income, Net Realized Capital Gains or other amounts.

If there are any Investor Units and/or Class M Units outstanding, each Class R Unit shall receive an equal undivided beneficial interest in and to the Class R Unit Percentage Interest of any distributions from the Trust, whether of Net Income, Net Realized Capital Gains or other amounts. If there are no Investor Units and/or Class M Units outstanding, each Class R Unit shall receive an equal undivided beneficial interest in and to all distributions from the Trust, whether of Net Income, Net Realized Capital Gains or other amounts.

5.3 Distribution of Distributable Income

The Trust may distribute to Unitholders on or about each Distribution Date such percentage of the Distributable Income of the Trust for any Distribution Period or other period as the Trustees in their discretion may determine and declare. Unitholders at the close of business on each Distribution Record Date shall be entitled to receive and to enforce payment of any distribution of Distributable Income declared by the Trustees for such Distribution Period. For greater certainty,

where the Trustees have declared such a distribution, it is hereby expressly declared that a Unitholder shall have the legal right to enforce payment of any amount on the last Business Day of any Taxation Year which is required to be distributed to a Unitholder hereunder on or before the Distribution Date for the Distribution Period ending on that date. The distribution for any Distribution Period will be paid on the Distribution Date for such Distribution Period. In addition to the distributions which are made payable to Unitholders, the Trustees may designate and make payable any income or capital gains realized by the Trust (including any income or capital gains realized by the Trust on the redemption of Units in specie) to redeeming Unitholders. The Trustees, if they so determine may make distributions out of the capital of the Trust.

5.4 Year End Distribution of Net Income

On the last Business Day of each Taxation Year an amount equal to the Net Income for such Taxation Year not previously made payable to or treated as having been paid to Unitholders in the Taxation Year (including pursuant to Section 6.5) shall be payable to Unitholders at the close of business on such day.

5.5 Year End Distribution of Net Realized Capital Gains

On the last Business Day of each Taxation Year, an additional distribution equal to the Net Realized Capital Gains for such Taxation Year not previously made payable or treated as having been paid to Unitholders in the Taxation Year (including pursuant to Section 6.5) shall be payable to Unitholders at the close of business on such day except to the extent that the distributions previously payable or treated as having been paid to Unitholders in the Taxation Year (including pursuant to Sections 5.4 and 6.5) exceed the aggregate of (A) the Net Income for such Taxation Year, and (B) any Net Realized Capital Gains previously made payable or treated as having been paid to Unitholders in the Taxation Year (such excess is hereinafter referred to as an “**Excess Distribution**”).

To the extent that an additional distribution of Net Realized Capital Gains is not made by reason of an Excess Distribution, pursuant to this Section 5.5, the distributions of Distributable Income made pursuant to Section 5.1 shall be deemed to have included payment of an amount of Net Realized Capital Gains equal to the lesser of the Net Realized Capital Gains for the Taxation Year and the Excess Distribution.

5.6 Payment of Distributions

- (a) Distributions paid on each Unit of a Class shall be equal to distributions paid on each other Unit of such Class, provided that the Trustees may, in their discretion, allocate distributions among the classes of Units to adjust for the commissions, trailers and other costs attributable to the sales channels, as well as any management fees, relating to each class of Investor Unit. Cash distributions shall be made by cheque payable to or to the order of the Unitholder, by electronic funds transfer or by such other manner of payment approved by the Trustees from time to time. The payment, if made by cheque, shall be conclusively deemed to have been made upon hand-delivery of a cheque to the Unitholder or to his agent duly authorized in writing or upon the mailing of a cheque by prepaid first-class mail addressed to the Unitholder at his address as it appears on the Register unless the cheque is not paid on presentation. In the case of joint registered Unitholders, any cash payment required hereunder to be made to a Unitholder shall be deemed to be required to be made to such Unitholders jointly and shall be paid by cheque or bank draft but may also be, paid in such other manner as the joint registered Unitholders or any one of the joint registered Unitholders has designated to the

Trustees and the Trustees have accepted. For greater certainty, a Unitholder or any one of the joint Unitholders may designate and the Trustees may accept that any payment required to be made hereunder shall be made by deposit to an account of such Unitholder or to a joint account of such Unitholder and any other person or in the case of joint registered Unitholders to an account of joint registered Unitholders or to an account of any one of the joint registered Unitholders. A cheque or bank draft shall, unless the joint registered Unitholders otherwise direct, be made payable to the order of all of the said joint registered Unitholders, and if more than one address appears on the books of the Trust in respect of such joint unit holding, the cheque or bank draft or payment in other acceptable manner as aforesaid shall satisfy and discharge all liability of the Trustees or the Trust for the amount so required to be paid unless the cheque or bank draft is not paid at par on presentation at any other place where it is by its terms payable. The receipt by the registered Unitholder in another acceptable manner of any payment not mailed or paid in accordance with this Section 5.6(a) shall be a valid and binding discharge to the Trust and to the Trustees for any payment made in respect of the registered Units and if several Persons are registered as joint registered Unitholders or, in consequence of the death, bankruptcy or incapacity of a Unitholder, one or several Persons are entitled so to be registered, subject to the provisions of Article 14, in accordance with this Declaration of Trust, respectively, receipt of payment by any one of them shall be a valid and binding discharge to the Trust and to the Trustees for any such payment. The Trustees may issue a replacement cheque if they are satisfied that the original cheque has not been received or has been lost or destroyed upon being furnished with such evidence of loss, indemnity or other document in connection therewith that they may in their discretion consider necessary. A Unitholder shall be entitled on the day on which a distribution is payable pursuant to Sections 5.1, 5.4 or 5.5 to enforce payment of the amount payable to the Unitholder. However, no Unitholder will be entitled to recover by action or other legal process against the Trust any distribution that is represented by a cheque that has not been duly presented to the Trust's banker for payment or that otherwise remains unclaimed for a period of six years from the date on which such distribution was payable.

- (b) Where the Trustees determine that the Trust does not have available cash in an amount sufficient to make payment of the full amount of any distribution which is payable under this Article 5 on the due date for such payment, the payment may, at the option of the Trustees, include the issuance of additional Units, or fractions of Units, if necessary, having a fair market value as determined by the Trustees equal to the difference between the amount of such distribution and the amount of cash which has been determined by the Trustees to be available for the payment of such distribution.

5.7 Withholding Taxes

The Trustees may deduct or withhold from distributions payable to any Unitholder all amounts required by law to be withheld from such distributions, whether such distributions are in the form of cash, additional Units or otherwise. In the event of a distribution in the form of additional Units, the Trustees may sell Units of such Unitholder to pay such withholding taxes and to pay all the Trustees' reasonable expenses with regard thereto and the Trustees shall have the power of attorney of such Unitholder to do so. Upon such sale, the affected Unitholder shall cease to be the holder of such Units.

5.8 Reinvestment

The Trustees may in their sole discretion establish a distribution reinvestment plan at any time providing for the voluntary reinvestment of distributions by some or all Unitholders as the Trustees determine. Such plan may entitle those Unitholders that elect to participate in a bonus distribution from the Trust or otherwise be entitled to receive additional Units in respect of each distribution. Units issued pursuant to a distribution reinvestment plan will be issued at a 2% discount to the applicable Fair Market Value of the Units, or at such other discount rate as the Trustee may determine from time to time.

Notwithstanding the foregoing, in the event that a distribution reinvestment plan is in effect, Unitholders who are, or who become, Non-Residents shall not participate in such distribution reinvestment plan and shall be required to terminate their participation in such distribution reinvestment plan, as the case may be.

5.9 Income Tax Matters

In computing the Net Income for income tax purposes for any year, except as the Trustees otherwise determine, the Trust shall claim the maximum amount of any discretionary deductions available to the Trust under the Tax Act.

5.10 Allocations of Net Income and Net Realized Capital Gains for Tax Purposes

In accordance with and to the extent permitted by the Tax Act, the Trustees shall, in each year, make such designations for income tax purposes in respect of amounts paid or payable or deemed to be paid to the Unitholders for such amounts that the Trustees consider to be reasonable in all the circumstances, including designations relating to taxable dividends received or deemed to be received by the Trust in the year on shares of taxable Canadian corporations, net taxable capital gains of the Trust in the year, and foreign source income of the Trust and foreign taxes in respect of such foreign source income for the year, if any. Where permitted by the Tax Act, the Trustees shall make designations under the Tax Act so that the amount distributed to a Unitholder but not deducted by the Trust would not be included in the Unitholder's income for the purposes of the Tax Act. For greater certainty, it is hereby declared that any distributions of Net Realized Capital Gains of the Trust shall include the non-taxable portion of the capital gains of the Trust which are included in such distribution. Unless the Trustees otherwise determine, the proportionate share per Unit of any distribution of both (i) the Net Income for a Taxation Year; and (ii) Net Realized Capital Gains, payable to the holders of such Units that is allocated to such holders in respect of each Unit for the purposes of the Tax Act shall be determined by dividing such amount by the number of issued and outstanding Units on the applicable record date in respect of a distribution of Net Income and on the last Business Day of the Taxation Year in respect of a distribution of Net Realized Capital Gains. Each Unitholder's share of the amount of any such distribution shall be an amount equal to the proportionate share of each Unit of such amount multiplied by the number of such Units owned of record by each such Unitholder on such applicable record date or the last Business Day of the Taxation Year in the year of such distribution.

5.11 Definitions

Unless otherwise specified or the context otherwise requires, any term in Article 1 and this Article 5 which is defined in the Tax Act shall have for the purposes of Article 1 and this Article 5 the meaning that it has in the Tax Act.

ARTICLE 6 REDEMPTION OF UNITS

6.1 Right of Redemption

Each Unitholder shall be entitled to require the Trust to redeem on the 15th day of any month, or if the 15th day is not a Business Day, on the next Business Day after the 15th day of the month, such date being the “**Redemption Date**”, at the demand of the Unitholder as set out below all or any part of the Units registered in the name of the Unitholder at the prices determined and payable in accordance with the conditions hereinafter provided.

6.2 Exercise of Redemption Right

- (a) A Unitholder who desires to exercise their right to require redemption, must deliver a duly completed and properly executed notice requiring the Trust to redeem Units, in a form approved by the Trustees, specifying the number of Units to be so redeemed, such notice to be sent to the Trust at its head office along with the Unit Certificate(s) representing the Unit(s) to be redeemed. The Notice must be received 30 days before the Redemption Date to be considered for that particular Redemption Date. If 30 days’ notice is not given, the Trustees will not be required to consider redeeming the Unit(s) until the next subsequent Redemption Date. No form or manner of completion or execution is sufficient unless the same is in all respects satisfactory to the Trustees and is accompanied by any evidence that the Trustees may reasonably require with respect to the identity, capacity or authority of the person giving such notice. The Trustees shall be entitled in their sole discretion to accelerate the Redemption Date specified by the Unitholder in the notice.
- (b) All notices shall be time and date stamped.
- (c) As of the Redemption Date, the Unitholder shall thereafter cease to have any rights with respect to the Units tendered for redemption (other than to receive the redemption payment therefor) including the right to receive any distributions thereon which are declared payable to the Unitholders of record on a date which is subsequent to the day of receipt by the Trust of such notice.
- (d) All Units which are redeemed under this Article 6 shall be cancelled and such Units shall no longer be outstanding and shall not be reissued.

6.3 Cash Redemption

Unitholders whose Units are redeemed will be entitled to receive a redemption price per Unit (hereinafter the “**Redemption Price**”) equal to:

- (a) in the case of the Investor Units, 100% of their Fair Market Value reduced by (i) any Early Redemption Charge that may apply and (ii) the pro rata share of any costs associated with the redemption, including commissions and such other costs, if any, related to the sale of any investments, if any, to fund such redemptions;
- (b) in the case of Class M Units, an amount equal to the amount determined according to (a) above in respect of an Investor Unit; and

- (c) in the case of Class R Units, 100% of the Fair Market Value reduced by the pro rata share of any costs associated with the redemption, including commissions and such other costs, if any, related to the sale of any investments, if any, to fund such redemptions.

For the purposes of this Section 6.3, “**Fair Market Value**” shall be determined by the Trustees and is shall be determined by the Trustees, in their sole discretion, using other reasonable methods of determining fair market value, as disclosed in the applicable Offering Document.

Notwithstanding Section 6.2(a) and Section 6.2(b), the Trustees may reduce the Redemption Price by any Early Redemption Charge that may apply if the Units being redeemed are within the Early Redemption Period specific to the Units being redeemed. The Early Redemption Charge and Early Redemption Period for a Unit will be determined as per the applicable Purchase Plan as disclosed in the applicable Offering Document. These Early Redemption Charges and Early Redemption Periods may be increased, decreased, amended or waived at any time and from time to time at the discretion of the Trustees.

6.4 No Cash Redemption in Certain Circumstances

Section 6.3 shall not be applicable to Units tendered for redemption by a Unitholder, if the total amount payable by the Trust pursuant to Section 6.3 in respect of such Units and all other Units tendered for redemption in the same calendar month exceeds \$50,000 (the “**Monthly Limit**”); provided that the Trustees may, in their sole discretion, waive such limitation in respect of all Units tendered for redemption in any particular calendar month. In the absence of such waiver, Units tendered for redemption in any calendar month in which the total amount payable by the Trust pursuant to Section 6.3 exceeds the Monthly Limit will be redeemed for cash pursuant to Section 6.3 and, subject to any applicable regulatory approvals, by a distribution in specie of securities under Section 6.5 on a pro rata basis.

6.5 In Specie Redemption

If, pursuant to Section 6.4, Section 6.3 is not applicable to Units tendered for redemption by a Unitholder, the Redemption Price to which the Unitholder is entitled, subject to any applicable regulatory approvals, may be paid out and satisfied by way of a distribution in specie, at the sole discretion of the Trustees by way of any of the following:

- (a) issuance and delivery of a number of the CFIT Notes (each in the principal amount of \$100) having an aggregate principal amount equal to the Redemption Price per Unit multiplied by the number of Units tendered for redemption. The Redemption Price payable pursuant to this Section 6.5(a) in respect of Units tendered for redemption during any calendar month shall be paid by the issuance of the CFIT Notes (each in the principal amount of \$100) to or to the order of the Unitholder who exercised the right of redemption, on the last day of the calendar month following the calendar month in which the Units were tendered for redemption. Payments by the Trust of the Redemption Price will conclusively be deemed to have been made upon the mailing of the relevant CFIT Notes by registered mail in a postage prepaid envelope addressed to the former Unitholder and/or any party having a security interest in the Units being redeemed. Upon such payment, the Trust shall be discharged from all liability to the former Unitholder and any party having a security interest in respect of the Units so redeemed. No fractional CFIT Notes in a principal amount less than \$100 will be issued and, where the number of securities to be received by the former Unitholder includes a fraction or a

principal amount less than a multiple of \$100, such number shall be rounded to the next lowest number or multiple of \$100, as the case may be;

- (b) a distribution in specie to the Unitholder of a number of Debt Securities (each in the principal amount of \$100) having an aggregate principal amount equal to the Redemption Price per Unit multiplied by the number of Units tendered for redemption. To the extent that there are insufficient Debt Securities, the Trust may, in the Trustees' discretion, transfer further property to a Subsidiary in exchange for additional Debt Securities. The Debt Securities will then be distributed in satisfaction of the Redemption Price. The Redemption Price payable pursuant to this Section 6.5(b) in respect of Units tendered for redemption during any calendar month shall be paid by the transfer of the Debt Securities (each in the principal amount of \$100) to or to the order of the Unitholder who exercised the right of redemption, on the last day (the "**Transfer Date**") of the calendar month following the calendar month in which the Units were tendered for redemption. The Trust shall be entitled to all interest accrued on the Debt Securities to and including the Transfer Date. Payments by the Trust of the Redemption Price will conclusively be deemed to have been made upon the mailing of the relevant Debt Securities by registered mail in a postage prepaid envelope addressed to the former Unitholder and/or any party having a security interest in the Units being redeemed. Upon such payment, the Trust shall be discharged from all liability to the former Unitholder and any party having a security interest in respect of the Units so redeemed. No fractional Debt Securities in a principal amount less than \$100 will be distributed and, where the number of securities to be received by the former Unitholder includes a fraction or a principal amount less than a multiple of \$100, such number shall be rounded to the next lowest number or multiple of \$100, as the case may be; or
- (c) a distribution in specie to the Unitholder of such Unitholder's pro rata share of the Trust property (which may include units of CFIT held by the Trust) having a fair market value equal to the Redemption Price per Unit multiplied by the number of Units tendered for redemption, provided that the Trustees may, in their discretion, allocate such Trust property to a Unitholder in satisfaction of the Redemption Price as the Trustees may determine.

6.6 Capital Gains and Income on In Specie Distribution

Where the Trust makes a distribution in specie of a pro rata number of Debt Securities on a redemption of Units pursuant to Section 6.5(b):

- (a) the Trustees may, in their sole discretion, designate as payable to the particular redeeming Unitholders receiving Debt Securities portions of the amount of the value of such Debt Securities:
 - (i) not exceeding the amount of any capital gain of the Trust as a result of the distribution of such property as an amount payable out of the Net Realized Capital Gains of the Trust; and
 - (ii) not exceeding the amount of accrued interest on Debt Securities distributed on such redemption as an amount payable out of the Trust Income;
- (b) if the Trust determines to make a payment of in specie redemption proceeds to Unitholders pursuant to Section 6.5(b) with Debt Securities which are CFIT Notes,

the Trust will exercise its rights to transfer the Trust property, or an undivided beneficial interest in the Trust property, to CFIT in exchange for CFIT Notes, to make such payment using CFIT Notes; and

- (c) the amount of any capital gains or income realized in a year by the Trust as a result of any disposition of property by the Trust to CFIT, or to another Subsidiary pursuant to a transfer of property in exchange for Debt Securities, to permit the payment of in specie redemption proceeds to Unitholders pursuant to Section 6.5(b), may, for purposes of computing the net income of the Trust under the Tax Act or other tax legislation, be treated as having been paid in the year by the Trust to the Unitholders redeeming Units in such year proportionate to the number of Units of each such Unitholder redeemed by the Trust and such portion of any capital gain will be designated by the Trust to be a taxable capital gain for the year of each particular Unitholder.

6.7 Class R Redemptions and In Specie Distributions

- (a) Notwithstanding any provision of this Declaration of Trust relating to the redemption of Units, the holder of Class R Units shall have the right to redeem any number of Class R Units, provided that the holder of Class R Units elects to receive a distribution in specie of Trust property in accordance with Section 6.5(c) in respect of any such redemption of Class R Units.
- (b) For greater certainty, each of Centurion Apartment REIT, Centurion REOT, and CAMI has the option, in its discretion, to redeem Class R Units to satisfy any obligation of Centurion Apartment REIT, Centurion REOT, and/or CAMI or outstanding amount payable by Centurion Apartment REIT, Centurion REOT, and/or CAMI to the Trust other than any funding commitments that require Centurion Apartment REIT, Centurion REOT, or CAMI to provide the Trust with cash funding, including pursuant to the funding of an Approved Warehouse Transaction.
- (c) In respect of a distribution in specie in respect of any portion of the Redemption Price for Class R Units, any Trust property having a Gross Book Value of less than \$500,000 (or such larger threshold as the Trustees may determine) shall be excluded from any calculation of the pro rata share of the Trust property attributable to the Class R Units.
- (d) Centurion Apartment REIT, Centurion REOT, CAMI and the Trust may negotiate other outcomes with respect to a distribution in specie of Trust property (whether pursuant to a redemption of Class R Units or otherwise), provided such other outcomes are approved by the Independent Trustees.
- (e) For greater certainty, redemptions of Class R Units which are satisfied through a distribution in specie of Trust property shall not be subject to the limits in Section 6.4.

6.8 FATCA and CRS Compliance

Under Part XVIII of the Tax Act ("**Part XVIII**"), the CRA has agreed to collect information from all of its Unitholders and directly or indirectly provide that information to the U.S. Internal Revenue Service (the "**IRS**"). Accordingly, the Trust is generally required to conduct due diligence regarding its Unitholders and (where applicable) their beneficial owners, and to annually report to the CRA

certain information regarding their U.S. Unitholders, including information regarding their name, address, and U.S. Taxpayer Identification Number. Additionally, under Part XIX of the Tax Act (“**Part XIX**”), effective as of July 1, 2017, the Trust is required to provide annual reports identifying the tax residency status of, and other information relating to, their Unitholders who are resident for tax purposes in any country other than Canada or the U.S. to the CRA beginning in May 2018.

In the event that a Unitholder does not provide the information required to comply with these obligations under Part XVIII and/or Part XIX, as the case may be, the Unitholder’s Units may be redeemed at the sole discretion of the Trust without prior notice to such Unitholder.

ARTICLE 7 TRUSTEES

7.1 Number of Trustees

The number of Trustees shall consist of not less than five and not more than eleven Trustees, with the number of Trustees from time to time within such range being fixed by resolution of the Trustees; provided that until otherwise so determined by resolution, the number of Trustees shall be seven.

7.2 Calling and Notice of Meetings

The Trustees may act with or without a meeting. Meetings of the Trustees shall be called and held at such time and at such place in Canada as the Trustees, the Chair of the Trustees or any two Trustees may determine, and any one Trustee or officer of the trust may give notice of meetings when directed or authorized by such persons. Notice of each meeting of the Trustees shall be given to each Trustee not less than 48 hours before the time when the meeting is to be held, provided that if a quorum of Trustees is present, the Trustees may without notice hold a meeting immediately following an annual meeting of Unitholders. Notice of a meeting of the Trustees may be given verbally, in writing or by telephone, fax or other means of communication. A notice of a meeting of Trustees need not specify the purpose of or the business to be transacted at the meeting. Notwithstanding the foregoing, the Trustees may by resolution from time to time fix a day or days in any month or months for regular meetings of the Trustees at a place and hour to be named, in which case, provided that a copy of such resolution is sent to each Trustee forthwith after being passed and forthwith after each Trustee’s appointment, no other notice shall be required for any such regular meeting. A trustee who attends a meeting of Trustees, in person or by telephone, is deemed to have waived notice of such meeting except when the Trustee attends the meeting for the purpose of objecting to the transaction of any business on the grounds that the meeting has not been lawfully called or convened. Each committee of Trustees appointed by the Trustees may adopt its own rules or procedures for the calling, conduct, adjournment and regulation of the meetings of such committees as it sees fit and may amend or repeal such rules or procedures from time to time; provided, however, that the Trustees’ Resolutions and any such rules or procedures shall not be inconsistent with this Declaration of Trust.

7.3 Place of Meetings

Meetings of the Trustees may be held at any place in Canada. A Trustee who attends a meeting of Trustees, in person or by telephone, is deemed to have consented to the location of the meeting except when he or she attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting has not lawfully called or convened.

7.4 Meetings by Telephone

With the consent of the chair of the meeting or a majority of the other Trustees present at the meeting, a Trustee may participate in a meeting of the Trustees or of a committee of the Trustees by means of telephone or other communication facilities that permit all persons participating in the meeting to hear each other. A Trustee participating in such a meeting in such manner shall be considered present at the meeting and at the place of the meeting.

7.5 Quorum

The quorum for the transaction of business at any meeting of the Trustees shall consist of a majority of the number of Trustees then holding office, provided that a majority of the Trustees comprising the quorum must be Residents and Independent Trustees. Notwithstanding any vacancy among the number of Trustees, a quorum of Trustees may exercise all of the powers of the Trustees.

7.6 Chair

The chair of any meeting of the Trustees shall be the Trustee present at the meeting who holds the office of Chair of the Trustees or if such person is not present, the Trustees present shall choose one of their numbers to be chair for the purposes of that meeting. The Chair of the Trustees and the chair of any meeting of Trustees shall be a Resident and an Independent Trustee.

7.7 Action by the Trustees

At all meetings of the Trustees every question shall be decided by a majority of the votes cast on the question, provided, however, that the approval required with respect to any Independent Trustee Matter shall be that of a majority of the independent Trustees who have no interest in the Independent Trustee Matter. In the case of equality of votes, the chair of the meeting shall not be entitled to a second or casting vote. The powers of the Trustees may be exercised by resolution passed at a meeting at which a quorum is present or by resolution in writing signed by all Trustees. Resolutions in writing may be signed in counterparts each of which shall be deemed to be an original and all originals together shall be deemed to be one and the same instrument.

7.8 Adjourned Meeting

Any meeting of Trustees may be adjourned from time to time by the chair of the meeting with the consent of the meeting to a fixed time and place. Further notice of the adjourned meeting need not be given. The adjourned meeting shall be duly constituted if a quorum is present and if it is held in accordance with the terms of the adjournment. If there is not a quorum present at the adjourned meeting, the original meeting shall be deemed to have terminated upon its adjournment.

7.9 Remuneration and Expenses

The Trustees shall be paid such compensation for their services as the Trustees may from time to time determine. The Trustees shall also be reimbursed for reasonable travel and other expenses properly incurred by them in attending meetings of the Trustees or any committee thereof, held on separate occasions, or in connection with their services as Trustees. Nothing herein contained shall preclude any Trustee from serving the Trust in any other capacity and receiving remuneration therefor. The Trustees shall be eligible to participate in any incentive plan for employees and/or officers adopted by the Trust or CFIT.

7.10 Officers

The Trustees from time to time may appoint one or more officers of the Trust, including without limitation a Chair of the Trustees, and, may remove any officer of the Trust. The powers and duties of each officer of the Trust shall be those determined from time to time by the Trustees and, in the absence of such determination, shall be those usually applicable to the office held.

7.11 Residency of Trustees

A majority of the Trustees must be Residents. If at any time a majority of the Trustees are not Residents or there are no Trustees who are Residents, the Trustee or Trustees who are Non-Residents shall be deemed, immediately before that time, to have resigned and shall cease to be Trustees with effect from the time of such deemed resignation. If at any time the number of Trustees is less than the number required under this Declaration of Trust and the remaining Trustee or Trustees fail or are unable to act in accordance with Sections 8.2 and/or 8.7 to appoint one or more additional Trustees or if, upon the resignation or deemed resignation of one or more Trustees there would be no Trustees, then the Unitholders shall appoint one or more Trustees so that following such appointment a majority of the Trustees are Residents and, failing such appointment, any remaining Trustee or Unitholder or officer of the Trust or the Auditors, as the case may be, may apply to the Superior Court of Ontario for an order appointing one or more Trustees so that following such appointment a majority of the Trustees are Residents, to act until the next annual meeting of Unitholders or on such other terms as the Court may order. Any Trustee who is a Resident who proposes to become a

7.12 Independent Trustees

A majority of the Trustees and a majority of the members of any committee of the Trustees must be Independent Trustees. If at any time a majority of the Trustees are not Independent Trustees because of the death, resignation, bankruptcy, adjudicated incompetence, removal or change in circumstance of any Trustee who was an Independent Trustee, this requirement shall not be applicable for a period of 60 days thereafter, during which period of time the remaining Trustees, whether or not they constitute a quorum, shall appoint a sufficient number of Independent Trustees to comply with this requirement.

ARTICLE 8 APPOINTMENT, RESIGNATION AND REMOVAL OF THE TRUSTEES

8.1 Qualification of Trustees

The following persons are disqualified from being a Trustee of the Trust:

- (a) anyone who is less than 18 years of age;
- (b) anyone who is of unsound mind and has been so found by a court in Canada or elsewhere;
- (c) a person who is not an individual; and
- (d) a person who has the status of bankrupt.

A majority of the Trustees must be Independent Trustees, unless the absence of such a majority arises between meetings of the Unitholders by reason of any Trustee's resignation, death or failure to meet the above qualifications.

8.2 Appointment of Trustees

Except as otherwise provided herein, Trustees shall be appointed (including the reappointment of incumbent Trustees) at each annual meeting of Unitholders, and may be appointed at a special meeting of Unitholders, in each case to hold office, subject to Section 8.6, for a 3-year term expiring at the close of the next annual meeting of Unitholders following such an appointment. Any such appointment shall be made either by a resolution approved by a majority of the votes cast at a meeting of Unitholders or shall be made by resolution in writing in the manner set out in Section 13.15. Notwithstanding the foregoing:

- (a) if no Trustees are appointed at the annual meeting of Unitholders held immediately before the term of office of the existing Trustees expires, such existing Trustees shall continue to hold the office of Trustees under this Declaration of Trust until successors have been appointed or they cease to hold office;
- (b) during the term of the Asset Management Agreement, CAMI shall be entitled to appoint two (2) Trustees on a board of five (5) or six (6) Trustees; three (3) Trustees on a board of seven (7) or eight (8) Trustees; four (4) Trustees on a board of nine (9) and ten (10) Trustees and five (5) Trustees if there are eleven (11) Trustees;
- (c) the Trustees may, between annual meetings of the Unitholders, appoint one or more additional Trustees for a term to expire (subject to further appointment) at the close of the next annual meeting of Unitholders, but the number of additional Trustees so appointed shall not at any time exceed one-third of the number of Trustees who held office at the expiration of the immediately preceding annual meeting of Unitholders and provided that if the appointment of an additional Trustee is to replace one of CAMI’s nominees, CAMI will be entitled to appoint the Trustee during the term of the Asset Management Agreement; and
- (d) a majority of the Trustees holding office at any time shall be Residents.

8.3 Consent to Act

- (a) A person who is appointed a Trustee hereunder, other the persons appointed pursuant to Section 8.2, shall not become a Trustee until the person has, either before or after such appointment, executed and delivered to the Trust a consent substantially as follows:

“To: Centurion Financial Trust (the “Trust”)

And To: The Trustees thereof

The undersigned hereby certifies that he or she or it is/is not a resident of Canada within the meaning of the *Income Tax Act* (Canada) and consents to act as a Trustee of the Trust and hereby agrees, upon the later of the date of this consent and the date of the undersigned’s appointment as a Trustee of the Trust, to thereby become a party, as a Trustee, to the amended and restated declaration of trust made as of the ___ day of _____, 201___, as supplemented, amended or amended and restated from time to time, constituting the Trust, and to be bound by the obligations and liabilities of a Trustee thereunder.

- (b) Except as provided in Section 8.2, upon the later of a person being appointed a Trustee hereunder and executing and delivering to the Trust a consent substantially as set forth in Section 8.3(a), such person shall become a Trustee hereunder and shall be deemed to be a party (as a Trustee) to this Declaration of Trust, as supplemented, amended or amended and restated from time to time.
- (c) The right, title and interest of the Trustees to control and exclusively administer the Trust and have title in and to the property of the Trust drawn up in their names and all other rights to the Trustees at law shall vest automatically in all individuals who may hereafter become Trustees upon their due election or appointment and qualification (including pursuant to Section 8.3(a)) without any further act, and they shall thereupon have all the rights, privileges, powers, authorities, obligations and immunities of Trustees hereunder, whether or not conveyancing documents have been executed and delivered pursuant to this Section 8.3 or otherwise.

8.4 Failure to Elect Minimum Number of Trustees

If a meeting of Unitholders fails to elect the minimum number of Trustees required by this Declaration of Trust by reason of the disqualification or death of any nominee, the Trustees elected at the meeting may, subject to Sections 7.11 and 7.12, exercise all of the powers of the Trustees if the number of Trustees so elected constitutes a quorum.

8.5 Ceasing to Hold Office

- (a) A Trustee ceases to hold office when:
 - (i) he or she dies or resigns;
 - (ii) he or she is removed in accordance with Section 8.6;
 - (iii) he or she ceases to be duly qualified to act as a Trustee as provided under Section 8.1;
 - (iv) at the time of his appointment he was not a Resident and his appointment would result in a majority of Trustees being non-Residents; or
 - (v) he or she ceases to be a Trustee in accordance with Section 7.11.
- (b) A Trustee may resign at any time by an instrument in writing signed by him/her and delivered or mailed to the Chair of the Trustees or, if there is no Chair of the Trustees, the President of the Trust. A resignation of a Trustee becomes effective at the time a written resignation is received by the Trust upon 30 days' written notice, or at the time specified in the resignation, whichever is later, provided that if, upon the resignation becoming effective, the number of remaining Trustees would be less than the number necessary to constitute a quorum for a meeting of Trustees, the resignation is not effective until the resigning Trustee's successor is duly appointed as a Trustee, except in the case of a deemed resignation under Section 7.11 which shall be effective at the time therein prescribed.

- (c) Upon a Trustee ceasing to hold office as such hereunder, such Trustee shall cease to be a party (as a Trustee) to this Declaration of Trust; provided, however, that such Trustee shall continue to be entitled to be paid any amount owing by the Trust to the Trustee and to the benefits of the indemnity provided in Section 9.10. Upon the resignation or removal of any Trustee, or his/her otherwise ceasing to be a Trustee, he or she shall: (i) cease to have the rights, privileges and powers of a Trustee hereunder; (ii) execute and deliver such documents as the remaining Trustees shall reasonably require for the conveyance of any Trust property held in his/her name; (iii) account to the remaining Trustees as they may require for all property which he or she holds as Trustee; and (iv) resign from all representative or other positions held by him or her on behalf of the Trust, including as a director or officer of any corporation in which the Trust owns any securities (directly or indirectly); upon which he or she shall be discharged from his/her obligations as Trustee. Upon the incapacity or death of any Trustee, his or her legal representative shall execute and deliver on his or her behalf such documents as the remaining Trustees may require as provided in this Section 8.5. In the event that a Trustee or his or her legal representative, as applicable, is unable or unwilling to execute and deliver such required documents, each of the remaining Trustees is hereby appointed as the attorney of such Trustee for the purpose of executing and delivering such required documents.

8.6 Removal of Trustees

The Unitholders may remove any Trustee or Trustees from office by resolution approved by at least a majority of the votes cast at a meeting of Unitholders called for that purpose or by the written consent of the Unitholders holding in the aggregate not less than a majority of the outstanding Units entitled to vote thereon. Any removal of a Trustee shall take effect immediately following the aforesaid vote or resolution, and any Trustee so removed shall be so notified by the Chair or another officer of the Trust forthwith following such removal. A vacancy created by the removal of a Trustee may be filled at the meeting of Unitholders at which the Trustee is removed or, if not so filled, may be filled as set forth in Section 8.7.

8.7 Filling Vacancies

No vacancy among the Trustees shall operate to annul this Declaration of Trust or affect the continuity of the Trust. Until vacancies are filled, the remaining Trustee or Trustees (even if less than a quorum) may exercise the powers of the Trustees hereunder. A quorum of Trustees may fill a vacancy among the Trustees, except a vacancy resulting from an increase in the number of Trustees other than in accordance with Section 7.1 or from a failure of the Unitholders to elect the minimum number of Trustees fixed by or pursuant to this Declaration of Trust, or in the case of a vacancy created by a CAMI nominee no longer serving as Trustee, CAMI shall fill such vacancy. Trustees appointed by the Trustees or CAMI between meetings of the Unitholders or to fill a vacancy, in each case in accordance with Sections 7.1 or 8.7, shall be appointed for a term expiring at the conclusion of the next annual meeting or until their successors are elected or appointed and shall be eligible for election or re-election. If there is not a quorum of Trustees, or if the vacancy has arisen from an increase in the number of Trustees other than in accordance with Section 7.1 or from a failure by the Unitholders to elect the minimum number of Trustees required by or pursuant to this Declaration of Trust, the Trustees then in office shall forthwith call a special meeting of Unitholders to fill the vacancy and, if they fail to call a meeting or if there are no Trustees then in office, the meeting may be called by any Unitholder. A Trustee appointed to fill a vacancy holds office, subject to Sections 8.5 and 8.6, until the close of the next annual meeting of the Unitholders.

8.8 Validity of Acts

Any act of the Trustees shall be valid notwithstanding any irregularity in the appointment of any of the Trustees or a defect in the qualifications of any of the Trustees.

The Trustees shall also be entitled to make any reasonable decisions, designations or determinations not contrary to applicable law or this Declaration of Trust which they may determine are necessary or desirable in interpreting, applying or administering this Declaration of Trust or in administering, managing or operating the Trust. To the extent of any inconsistency between this Declaration of Trust and any Trustees' Regulation, decision, designation or determination made by the Trustees, this Declaration of Trust shall prevail and such Trustees' Regulation, decision, designation or determination shall be deemed to be modified to eliminate such inconsistency. Any Trustees' Regulations, decisions, designations or determinations made in accordance with this Section 9.3 shall be conclusive and binding upon all persons affected thereby. The Trustees shall also have such additional powers as may be approved by a resolution of the Unitholders passed at a meeting of Unitholders by a majority of the votes cast at that meeting.

Subject to any agreement between the Trust and any Trustee and subject as otherwise herein provided or as provided in a then current Offering Document, the Trustees may from time to time in their discretion appoint, employ, invest in, contract or deal with any person including, without limitation, any affiliate of any of them and any person in which any one or more of them may be directly or indirectly interested and, without limiting the generality of the foregoing, any Trustee may purchase, hold, sell, invest in or otherwise deal with real property or other property of the same class and nature as may be held by the Trustees as the Trust's property, whether for the Trustee's own account or for the account of another (in a fiduciary capacity or otherwise), without being liable to account therefor and without being in breach of his duties and responsibilities hereunder.

9.5 Standard of Care and Duties

The Trustees shall act honestly and in good faith with a view to the best interests of the Trust and the Unitholders and in connection therewith shall exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. The Trustees shall not be liable in carrying out their duties under this Declaration of Trust except in cases where

the Trustees fail (a) to act honestly and in good faith with a view to the best interests of the Trust and the Unitholders or (b) to exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. The duties and standard of care of the Trustees provided as aforesaid are intended to be similar to, and not to be any greater than, those imposed on a director of a corporation governed by the *Business Corporations Act* (Ontario). Unless otherwise required by law, the Trustees shall not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Trustees, in their capacity as trustees of the Trust, shall not be required to devote their entire time to the investments or business or affairs of the Trust.

9.6 Reliance Upon Trustees and Officers

Any person dealing with the Trust in respect of any matters pertaining to the assets of the Trust and any right, title or interest therein or to the Trust or to securities of the Trust shall be entitled to rely on a certificate, statutory declaration or resolution executed or certified by the Trustees or any officer of the Trust appointed by the Trustees as to the capacity, power and authority of the Trustees or any other person to act for and on behalf and in the name of the Trust. No person dealing with the Trustees or officers of the Trust shall be bound to see the application of any funds or property passing into the hands or control of the Trustees or officers of the Trust. The receipt of the Trustees or officers of the Trust for monies or other consideration shall be binding upon the Trust.

9.7 Fees and Expenses

As part of the expenses of the Trust, the Trustees may pay or cause to be paid out of the Trust's property, reasonable fees, costs and expenses incurred in connection with the administration and management of the Trust, including (without limitation) real property and brokerage commissions in respect of investments and dispositions of real property made by the Trust, fees of auditors, accountants, lawyers, engineers, appraisers and other agents, consultants and professional advisors employed by or on behalf of the Trust, fees of securities administrators and the cost of reporting or giving notices to Unitholders. All costs, charges and expenses properly incurred by the Trustees on behalf of the Trust shall be payable out of the Trust's property.

9.8 Determinations of Trustees Binding

All determinations of the Trustees that are made in good faith with respect to any matters relating to the Trust, including whether any particular investment or disposition meets the requirements of this Declaration of Trust, shall be final and conclusive and shall be binding upon the Trust and all Unitholders (and, where the Unitholder is a Deferred Income Plan or registered pension fund or plan as defined in the Tax Act, or other similar fund or plan registered under the Tax Act, upon the Annuitants and plan holders past, present and future) and Units of the Trust shall be issued and sold on the condition and understanding that any and all such determinations shall be binding as aforesaid.

9.9 Limitations on Liability of Trustees

- (a) Subject to Section 9.5, none of the Trustees nor any officers or any agents of the Trust shall be liable to any Unitholder or holder of Exchangeable Securities or any other person in tort, contract or otherwise for any action taken or not taken in good faith in reliance on any documents that are, prima facie, properly executed; for any depreciation of, or loss to, the Trust incurred by reason of the sale of any security, for the loss or disposition of monies or securities; or for any other action or failure to act including, without limitation, the failure to compel in any way any former

Trustee to redress any breach of trust or any failure by any person to perform obligations or pay monies owed to the Trust, unless such liabilities arise out of a breach of the standard of care, diligence and skill as set out in Section 9.5. If the Trustees have retained an appropriate expert, advisor or legal counsel with respect to any matter connected with their duties under this Declaration of Trust, the Trustees may act or refuse to act based on the advice of such expert, advisor or legal counsel and, notwithstanding any provision of this Declaration of Trust, including, without limitation, the standard of care, diligence and skill set out in Section 9.5 hereof, the Trustees shall not be liable for and shall be fully protected from any action or refusal to act based on the advice of any such expert, advisor or legal counsel which it is reasonable to conclude is within the expertise of such expert or advisor to give.

- (b) Subject to Section 9.5, none of the Trustees nor any officer or agent thereof shall be subject to any liability whatsoever in tort, contract or otherwise, in connection with the Trust's property or the affairs of the Trust, including, without limitation, in respect of any loss or diminution in value of any the Trust's property, to the Trust or to the Unitholders or to any other person for anything done or permitted to be done by the Trustees. The Trustees shall not be subject to any personal liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Trust arising out of anything done or permitted or omitted to be done in respect of the execution of the duties of the office of Trustees for or in respect to the affairs of the Trust. No property or assets of the Trustees, owned in their personal capacity or otherwise, will be subject to any levy, execution or other enforcement procedure with regard to any obligations under this Declaration of Trust or under any other related agreements. No recourse may be had or taken, directly or indirectly, against the Trustees in their personal capacity or against any incorporator shareholder, director, officer, employee or agent of the Trustees or any successor of the Trustees. The Trust shall be solely liable therefor and resort shall be had solely to the Trust's property for payment or performance thereof.

In the exercise of the powers, authorities or discretion conferred upon the Trustees under this Declaration of Trust, the Trustees are and shall be conclusively deemed to be acting as trustees of the Trust's property.

9.10 Indemnifications

- (a) Each Trustee, each former Trustee, each officer of the Trust and each former officer of the Trust shall be entitled to be and shall be indemnified and reimbursed out of the Trust's property in respect of any and all taxes, penalties or interest in respect of unpaid taxes or other governmental charges imposed upon the Trustee or former Trustee or officer or former officer in consequence of the performance of its duties hereunder, other than in respect of remuneration received by such person for the performance of such duties, and in respect of any and all costs, charges and expenses, including amounts paid to settle an action or satisfy a judgment, reasonably incurred in respect of any civil, criminal or administrative, investigative or other action or proceeding to which the Trustee, former Trustee, officer or former officer is made a party by reason of being or having been a Trustee or officer of the Trust or any subsidiary thereof, provided that a Trustee, former Trustee, officer or former officer shall not be indemnified out of the Trust's property in respect of unpaid taxes or other governmental charges or in respect of such

costs, charges and expenses that arise out of or as a result or in the course of a breach of the standard of care, diligence and skill set out in Section 9.5. A Trustee, former Trustee, officer or former officer shall not be entitled to satisfy any right of indemnity or reimbursement granted herein, or otherwise existing under law, except out of the Trust's property, and no Unitholder, Annuitant or other Trustee or officer shall be personally liable to any person with respect to any claim for such indemnity or reimbursement as aforesaid.

- (b) In addition to any indemnification otherwise arising out of Section 9.10, each of Gregory G. Romundt, his heirs, personal representatives, executors and administrators, CAMI, each of their respective affiliates and each is hereby indemnified from and against all claims, actions, causes of action (including amounts paid to settle an action or satisfy a judgment) and all reasonable expenses, charges and disbursements of every kind and nature incurred by him/it, including those for the services of any experts, legal fees, charges and disbursements on an as between a solicitor and his/its own client basis incurred by him in defending any proceeding giving rise to any claim, action or judgment in respect of any guarantee or indemnity given by him/it regarding any of the obligations of the Trust or any Affiliate of the Trust to persons dealing at arm's length with him out of the Trust's property. No Unitholder, Annuitant or Trustee or officer shall be personally liable to any person with respect to any claim for such indemnity or reimbursement as aforesaid.

9.11 Contractual Obligations of the Trust

In respect of any obligations or liabilities being incurred by the Trust or the Trustees on behalf of the Trust, the Trustees and the Trust shall make all reasonable efforts to include in any written instrument which is, in the judgment of the Trustees, a material obligation as a specific term of such obligations or liabilities a contractual provision or be subject to an acknowledgement to the effect that the obligation being created is not personally binding upon and that resort shall not be had to, nor shall recourse or satisfaction be sought from, by way of lawsuit or otherwise, the private property of any of the Trustees, Unitholders, Annuitants or officers, employees or agents of the Trust, but that only property of the Trust or a specific portion thereof shall be bound. The Trust, however, is not required, but shall use all reasonable efforts, to comply with this requirement in respect of obligations assumed by the Trust upon the acquisition of real property. The omission of such statement from any such document or instrument shall not render the Trustees or the Unitholders or Annuitants liable to any person, nor shall the Trustees or the Unitholders or Annuitants be liable for such omission. If, notwithstanding this provision, any of the Trustees or any Unitholder or Annuitant shall be held liable to any person by reason of the omission of such statement from any such agreement, undertaking or obligation, then such Trustee, Unitholder or Annuitant shall be entitled to indemnity and reimbursement out of the Trust's property to the full extent of such liability. Any written instrument creating an obligation with respect to the Trust will be conclusively taken to have been executed or done by a Trustee only in the capacity of a Trustee under this Declaration of Trust.

9.12 Conflicts of Interest

After the issuance of Investor Units to Unitholders other than the Initial Unitholder, if a Trustee or an officer of the Trust is a party to a Material Contract or transaction or proposed material contract or transaction with the Trust or its subsidiaries, or is a director or officer or employee of, or otherwise has a material interest in, any person who is a party to a Material Contract or transaction or proposed Material Contract or transaction with the Trust or its subsidiaries, such Trustee or

officer of the Trust, as the case may be, shall disclose in writing to the Trustees or request to have entered in the minutes of meetings of Trustees or a committee of the Trustees, as the case may be, the nature and extent of such interest, and in the case of a Trustee, such Trustee shall abstain from voting on resolutions relating to the proposed Material Contract or transaction.

- (a) The disclosure required in the case of a Trustee or officer shall be made:
 - (i) at the meeting of Trustees or a committee of the Trustees, as the case may be, at which a proposed contract or transaction is first considered;
 - (ii) if the Trustee or officer was not then interested in a proposed, contract or transaction, at the first such meeting after he or she becomes so interested;
 - (iii) if the Trustee or officer becomes interested after a contract is made or a transaction is entered into, at the first meeting after he or she becomes so interested; or
 - (iv) if a person who is interested in a contract or transaction later becomes a Trustee or officer, at the first such meeting of Trustees after he or she assumes that capacity.
- (b) Notwithstanding paragraph (a), where this Section 9.12 applies to any person in respect of a Material Contract or transaction or proposed material contract or transaction that, in the ordinary course of the affairs of the Trust, would not require approval by the Trustees or the Unitholders, such person shall disclose in writing to the Trustees or request to have entered in the minutes of meetings of Trustees the nature and extent of his interest forthwith after that person becomes aware of the contract or transaction or proposed contract or transaction.
- (c) A Trustee referred to in this Section 9.12 shall not vote on any resolution to approve the contract or transaction unless the contract or transaction is:
 - (i) one relating primarily to his or her remuneration as a Trustee, officer, employee or agent of the Trust; or
 - (ii) one for indemnity under Section 9.10 hereof or for the purchase of liability insurance.
- (d) For the purposes hereof, a general notice to the Trustees by a Trustee or an officer of the Trust or any other person referred to in this Section 9.12 disclosing that he or she is a director, officer or employee of or has a material interest in a person and is to be regarded as interested in any contract made or any transaction entered into with that person, is a sufficient disclosure of interest in relation to any contract so made or transaction so entered into. In the event that a meeting of the Unitholders is called to confirm or approve a contract or transaction which is the subject of a general notice to the Trustees, the nature and extent of the interest in the contract or transaction of the Persons giving such general notice shall be disclosed in reasonable detail in the notice calling the said meeting of the Unitholders or in any information circular to be provided by this Declaration of Trust or by law.
- (e) Where a material contract is made or a material transaction is entered into between the Trust and any one or more of its Trustees or officers, or between the Trust and

another person of which a Trustee or officer of the Trust is a director or officer or in which he or she has a material interest:

- (i) the Trustee or officer, as applicable, is not accountable to the Trust or to the Unitholders for any profit or gain realized from the contract or transaction; and
- (ii) the contract or transaction is neither void nor voidable;

by reason only of that relationship or by reason only that the Trustee or officer is present at or is counted to determine the presence of a quorum at the meeting of Trustees or committee of Trustees that authorized the contract or transaction, if the Trustee or an officer disclosed his or her interest in accordance with this Section 9.12 and the contract or transaction was reasonable and fair to the Trust at the time it was so approved.

- (f) Notwithstanding anything in this Section 9.12, but without limiting the effect of paragraph (e) hereof, a Trustee or officer of the Trust, acting honestly and in good faith, is not accountable to the Trust or to the Unitholders for any profit or gain realized from any such contract or transaction by reason only of holding the office of Trustee or officer, and the contract or transaction, if it was reasonable and fair to the Trust at the time it was approved, is not by reason only of the Trustee's or officer's interest therein void or voidable, where:
 - (i) the contract or transaction is confirmed or approved at a meeting of Unitholders duly called for that purpose; and
 - (ii) the nature and extent of the Trustee's or officer's interest in the contract or transaction are disclosed in reasonable detail in the notice calling the meeting or in any information circular required to be provided by this Declaration of Trust or by-law.
- (g) Subject to paragraphs (e) and (f) hereof, where, after the date hereof, any Trustee or officer of the Trust fails to disclose his interest in a Material Contract or transaction in accordance with this Declaration of Trust or otherwise fails to comply with this Section 9.12, the Trustees or any Unitholder, in addition to exercising any other rights or remedies in connection with such failure exercisable at law or in equity, may apply to a court for an order setting aside the contract or transaction and directing that the Trustee or officer account to the Trust for any profit or gain realized.

9.13 Conditions Precedent

The obligation of the Trustees to commence or continue any act, action, suit or proceeding or to represent the Trust in any action, suit or proceeding shall be conditional upon sufficient funds being available to the Trustees from the Trust's property to commence or continue such act, action, suit or proceeding or to represent the Trust in any action, suit or proceeding and an indemnity reasonably satisfactory to the Trustees to protect and hold harmless the Trustees against the costs, charges and expenses and liabilities to be incurred therein and any loss and damage it may suffer by reason thereof. None of the provisions contained in this Declaration of Trust shall require the Trustees to expend or risk their own funds or otherwise incur financial liability in the performance of their duties or in the exercise of any of their rights or powers unless it is given an indemnity and funding satisfactory to the Trustees, acting reasonably.

9.14 Independent Trustee Matters

10.3 Procedure

Unless otherwise determined by the Trustees, a quorum for meetings of any committee shall be a majority of its members provided that a majority of the Trustees comprising such quorum must be Residents. Each committee shall have the power to appoint its chair who must be a Resident and the rules for calling, holding, conducting and adjourning meetings of the committee shall be the same as those governing meetings of the Trustees. Each member of a committee shall serve during the pleasure of the Trustees and, in any event, only so long as he or she shall be a Trustee. The Trustees may fill vacancies in a committee by appointment from among their members. Provided that a quorum is maintained, the committee may continue to exercise its powers notwithstanding any vacancy among its members.

The Investment Committee shall consist of at least one Trustee that is an Independent Trustee or a delegate of the Independent Trustees that is independent of the Trust and CAMI (or its successor) and such Independent Trustee or delegate thereof shall be the chairperson of the Investment Committee (the “**Chairperson**”). - (vii) creating one or more New Classes of Units, including classes of units solely to provide voting rights to holders of shares, units or other securities that are exchangeable for Units entitling the holder thereof to a number of votes not exceeding the number of Units into which the exchangeable shares, units or other securities are exchangeable or convertible but that do not otherwise entitle the holder thereof to any rights with respect to the Trust's property or income other than a return of capital; or
- (viii) any purpose (except one in respect of which a Unitholder vote is specifically otherwise required) if the Trustees are of the opinion that the amendment is not prejudicial to Unitholders and is necessary or desirable,

except in each case with the approval of Unitholders given by the affirmative vote of at least two-thirds of the votes cast at a meeting of Unitholders duly called for that purpose, or alternatively, a written resolution signed in one or more counterparts by at least two thirds of Unitholders that would be entitled to vote a meeting duly called for the purposes of approving such matter. The provisions of Section 4.2 maybe amended with the approval of a majority of the votes cast by Unitholders duly called for that purpose.

Except as otherwise provided herein, the rights and restrictions attaching to the Units may not be varied or abrogated without the consent of Unitholders by Special Resolution, voting separately as a class. There shall not otherwise be class votes of Units.

12.4 Changes to Other Documents

The Trust will not agree to or approve any material change to the CFIT Indenture without approval of at least a two-thirds majority of the votes cast at a meeting of the Unitholders called for that purpose.

12.5 No Termination

No amendment to or amendment and restatement of this Declaration of Trust, whether pursuant to this Article 12 or otherwise, shall be construed as a termination of the Trust and the settlement or establishment of a new trust.

ARTICLE 13 MEETINGS OF UNITHOLDERS

13.1 Annual and Special Meetings of Unitholders

Commencing in 2018, annual meetings of the Unitholders shall be called on a day on or before September 30 in each year, at a time and at a place in Canada set by the Trustees. The business transacted at such meetings shall include (i) the presentation of the audited financial statements

of the Trust for the immediately preceding fiscal year, (ii) the appointment of the Trustees for the ensuing year in accordance with Article 8, (iii) the appointment of Auditors, (iv) directing the Trustees as to the election of nominees of the Trust to serve as CFIT Trustees, and (v) the transaction of such other business as Unitholders may be entitled to vote upon as hereinafter provided in this Article 13 or as the Trustees may determine. Special meetings of the Unitholders may be called at any time by the Trustees and, except in the circumstances contemplated by Section 105(3) of the *Business Corporations Act* (Ontario), (to be applied mutatis mutandis to Unitholders as if they were shareholders of a business corporation incorporated under the said Act), must be called by the Trustees upon a written request of Unitholders holding in the aggregate not less than 15% of the Units then outstanding, such request specifying in reasonable detail the business proposed to be transacted at the meeting. The chairperson of any annual or special meeting shall be the Chair of the Trustees or any other Trustee specified by resolutions of the Trustees or, in the absence of any Trustee, any person appointed as chairperson of the meeting by the Unitholders present. The Trustees, the officers of the Trust, the Auditors and any other person approved by the Trustees, the chairperson of the meeting or by resolution passed by a majority of the votes cast by Unitholders represented at the meeting may attend meetings of the Unitholders. Unitholders shall have the right to obtain a list of Unitholders to the same extent and upon the same conditions as those which apply to shareholders of a corporation for and by the *Business Corporation Act* (Ontario). A meeting of the Unitholders of a Class may be called by the Trustees if the nature of the business to be transacted at the meeting is only relevant to the holders of such Class.

13.2 Notice of Meetings

Notice of all meetings of Unitholders shall be given by unregistered mail, postage prepaid, addressed to each Unitholder at his or her last address on the books of the Trust, mailed or delivered at least 21 days and not more than 60 days before the meeting or within such other number of days as required by law or relevant stock exchange before the meeting. Such notice shall specify the time when, and the place in Canada where, such meeting is to be held and shall specify the nature of the business to be transacted at such meeting in sufficient detail to permit a Unitholder to form a reasoned judgment thereon, together with the text of any Special Resolution, at the time of mailing of the notice, proposed to be passed. Any adjourned meeting, other than a meeting adjourned for lack of a quorum under Section 13.6(b), may be held as adjourned without further notice. The accidental omission to give notice or the non-receipt of such notice by a Unitholder shall not invalidate any resolution passed at any such meeting. Notwithstanding the foregoing, a meeting of Unitholders may be held at any time without notice if all the Unitholders are present or represented thereat (unless the Unitholder or other person attends the meeting for the purpose of objecting to the transaction of any business on the grounds that the meeting is not properly called) or those not so present or represented have waived notice. Any Unitholder (or a duly appointed proxy of a Unitholder) may waive any notice required to be given under the provisions of this Section 13.2, and such waiver, whether given before or after the meeting, shall cure any default in the giving of such notice.

13.3 Quorum

At any meeting of the Unitholders, or of Unitholders of a Class, subject as hereinafter provided, a quorum shall consist of two or more individuals present in person either holding personally or representing as proxies not less in aggregate than 10% of the aggregate number of votes attached to all outstanding Units, or a Class, as applicable. In the event of such quorum not being present at the appointed place on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, the meeting, if called by request of Unitholders, shall be terminated and, if otherwise called, shall stand adjourned to such day being not more than

fourteen (14) days later and to such place in Canada and time as may be appointed by the chairperson of the meeting. If at such adjourned meeting a quorum as above defined is not present, the Unitholders present either personally or by proxy shall form a quorum, and any business may be brought before or dealt with at such an adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same.

13.4 Voting Rights of Unitholders (Class votes)

Unitholders of record shall be entitled to vote in person or by proxy. Notwithstanding the foregoing, if the Trustees determine that the nature of the business to be transacted at a meeting affects Unitholders of one class of Units in a manner materially different from its effect on Unitholders of another class of Units, the Units of such affected class will be voted separately as a class. On a poll vote at any meeting of Unitholders, each Unit shall entitle the holder or holders of that Unit to one vote. Every question submitted to a meeting, other than a Special Resolution, shall, unless a poll vote is demanded, be decided by a show of hands, on which every person present and entitled to vote shall be entitled to one vote. At any meeting of Unitholders, any holder of Units entitled to vote thereat may vote by proxy and a proxy need not be a Unitholder, provided that no proxy shall be voted at any meeting unless it shall have been received by the Registrar for verification at least 24 hours prior to the commencement of such meeting. When any Unit is held jointly by several persons, any one of them may vote at any meeting in person or by proxy in respect of such Unit, but if more than one of them shall be present at such meeting in person or by proxy, and such joint owners or their proxies so present disagree as to any vote to be cast, such vote purporting to be executed by or on behalf of a Unitholder shall be deemed valid unless challenged at or prior to its exercise, and the burden of proving invalidity shall rest on the challenger.

13.5 Certain Matters on which Unitholders must Vote

None of the following shall occur unless the same has been duly approved by the Unitholders at a meeting duly called and held:

- (a) subject to Sections 7.1, 8.2 and 8.6, a change in the number, the election or removal, of Trustees;
- (b) except as provided in Article 18, the appointment or removal of auditors of the Trust;
- (c) the appointment of an inspector as provided in Section 13.11;
- (d) the exercise by the Trust of certain voting rights attached to the CFIT Units held by it as provided in Section 12.4; or
- (e) any amendment to this Declaration of Trust (except as provided in Section 4.5 or Section 12.1).

Nothing in this Section 13.5, however, shall prevent the Trustees from submitting to a vote of Unitholders at a meeting any matter which they deem appropriate.

13.6 Meaning of "Special Resolution"

- (a) The expression "**Special Resolution**" when used in this Declaration of Trust means, subject to this Article 13, a resolution proposed to be passed as a special resolution at a meeting of Unitholders (including an adjourned meeting) duly convened for that purpose and held in accordance with the provisions of this

Section 13.6 at which two or more individuals present in person either holding personally or representing as proxies not less in aggregate than 10% of the number of votes attached to the Units then outstanding and passed by the affirmative votes of the holders of at least two-thirds of the Units represented at the meeting and voted on a poll upon such resolution.

- (b) Notwithstanding Section 13.3, if at any meeting at which a Special Resolution is proposed to be passed the holders of 10% of the aggregate number of votes attached to all outstanding Units are not present in person or by proxy within 30 minutes after the time appointed for the meeting, then the meeting, if convened by or on the requisition of Unitholders, shall be dissolved, but in any other case it shall stand adjourned to such date, being not less than 30 nor more than 60 days later and to such place in Canada and time as may be appointed by the chairperson of the meeting. Not less than 10 days prior notice shall be given of the time and place of such adjourned meeting in the manner provided in Section 13.2. Such notice shall state that at the adjourned meeting the Unitholders present in person or by proxy shall form a quorum but it shall not be necessary to set forth the purposes for which the meeting was originally called or any other particulars. At the adjourned meeting, the Unitholders present in person or by proxy shall form a quorum and may transact the business for which the meeting was originally convened and a resolution proposed at such adjourned meeting and passed by the requisite vote as provided in Section 13.6(a) shall be a Special Resolution within the meaning of this Declaration of Trust, notwithstanding that the holders of less than 10% of the aggregate number of Units then outstanding are present in person or by proxy at such adjourned meeting.
- (c) Votes on a Special Resolution shall always be given on a poll and no demand for a poll on a Special Resolution shall be necessary.
- (d) For the purpose of a separate class vote by the holders of Units as a class as provided herein, the expression “**Special Resolution**” means a resolution proposed to be passed at a separate meeting of holders of Units, at which meeting the provisions of this Article 13 shall apply mutatis mutandis.

13.7 Meaning of “Outstanding”

Subject to the provisions of Article 14, every Unit issued, certified and delivered hereunder shall be deemed to be outstanding until it shall be cancelled or delivered to the Trustees or Registrar for cancellation provided that:

- (a) when a new certificate has been issued in substitution for a Unit Certificate which has been lost, stolen, mutilated or destroyed, only one of such Unit Certificates shall be counted for the purposes of determining the number of Units outstanding;
- (b) for the purpose of any provision of this Declaration of Trust entitling holders of outstanding Units to vote, sign consents, requisitions or other instruments or take any action under this Declaration of Trust, Units deemed not to be outstanding pursuant to Section 14.5 and Units owned directly or indirectly, legally or equitably, by the Trust, CFIT, or any affiliate thereof shall be disregarded, except that:
 - (i) for the purpose of determining whether the Trustees shall be protected in relying on any such vote, consent, requisition or other instrument or action

only the Units which the Trustees know are so deemed or owned shall be so disregarded; and

- (ii) Units so owned which have been pledged in good faith other than to the Trust, CFIT, or an affiliate thereof shall not be so disregarded if the pledgee shall establish to the satisfaction of the Trustees the pledgee's right to vote such Units in his or her discretion free from the control of the Trust, CFIT, or any affiliate thereof; and
- (c) for the purposes of Section 13.7(b), CFIT shall provide a certificate which will state the number of Units and the certificate numbers of Unit Certificates, if such certificates are issued, of the Trust, which are held by CFIT, or any affiliate thereof. The Trustees shall be entitled to rely on such certificates in order to disregard the votes of any of the parties mentioned above.

13.8 Record Date for Voting

For the purpose of determining the Unitholders who are entitled to vote or act at any meeting or any adjournment thereof, the Trustees may fix a date not more than 60 days and not less than 30 days prior to the date of any meeting of Unitholders as a record date for the determination of Unitholders entitled to vote at such meeting or any adjournment thereof, and any Unitholder who was a Unitholder at the time so fixed shall be entitled to receive notice of and vote at such meeting or any adjournment thereof even though the Unitholder has since that time disposed of his or her Units, and no Unitholder becoming such after that time shall be so entitled to vote at such meeting or any adjournment thereof, unless the Trustees determine otherwise. In the event that the Trustees do not fix a record date for any meeting of Unitholders, the record date for such meeting shall be the date upon which notice of the meeting is given as provided under Section 13.2.

13.9 Proxies

Whenever the vote or consent of Unitholders is required or permitted under this Declaration of Trust, such vote or consent may be given either directly by the Unitholder or by a proxy. The instrument appointing a proxy must be in writing and either substantially in a form which may be approved by the Trustees acting reasonably or as may be satisfactory to the chair of the meeting at which it is sought to be exercised. The instrument of proxy must be executed by the Unitholder giving the proxy or his or her agent duly authorized in writing and, if given on behalf of joint holders, must be executed by all of them and may be revoked by any of them, and, if given by a Unitholder which is a body corporate, must be executed on its behalf by a person duly authorized in writing. Any person may be appointed a proxy, whether or not that person is a Unitholder. The Trustees, on behalf of the Trust, may solicit instruments of proxy from the Unitholders or any of them in respect of any matter requiring or permitting the Unitholders' vote or consent. An instrument of proxy shall be deposited with the chair of the meeting before any vote is cast under its authority or at such earlier time or in such manner as the Trustees may prescribe from time to time.

An instrument of proxy executed in compliance with the foregoing shall be valid unless challenged at the time of or prior to its exercise and the person challenging the instrument shall have the burden of proving, to the satisfaction of the chair of the meeting at which the instrument is proposed to be used, that the instrument of proxy is invalid. Any decision of the chair of the meeting in respect of the validity of an instrument of proxy shall be final and binding upon all persons. An instrument of proxy shall be valid only at the meeting with respect to which it was solicited or any adjournment thereof.

A vote cast in accordance with any proxy shall be valid notwithstanding the death, incapacity, insolvency or bankruptcy of the Unitholder giving the proxy or the revocation of the proxy unless written notice of the death, incapacity, insolvency, bankruptcy of the Unitholder or revocation of the proxy has been received by the chair of the meeting prior to the time the vote is cast.

13.10 Personal Representatives

Subject to the provisions of Article 14, if a Unitholder is deceased, his personal representative, upon filing with the secretary of the meeting such proof of his appointment as the secretary considers sufficient, shall be entitled to exercise the same voting rights at any meeting of Unitholders as the Unitholder would have been entitled to exercise if the Unitholder were living and for the purpose of the meeting shall be considered to be a Unitholder. Subject to the provisions of the will of a deceased Unitholder, if there is more than one personal representative, the provisions of Section 13.4 relating to joint holders shall apply.

13.11 Appointment of Inspector

The Trustees shall call a meeting of Unitholders upon the written request of Unitholders holding in the aggregate not less than 25% of the Units then outstanding for the purpose of considering the appointment of an inspector to investigate the performance by the Trustees of their responsibilities and duties in respect of the Trust. An inspector may be appointed for such purpose, at the expense of the Trust, at such meeting by a resolution approved by a majority of the votes cast at the meeting.

13.12 Conduct of Meetings

To the extent that the rules and procedures for the conduct of a meeting of Unitholders are not prescribed herein, the rules and procedures shall be such reasonable rules and procedures as are determined by the Chair of the meeting and such rules and procedures shall be binding upon all parties participating in the meeting.

13.13 Attendance by Others

Any Trustee, officer of the Trust, officer, director, or employee of the Trust's subsidiaries, representative of the auditors of the Trust or other individual approved by the Trustees may attend and speak at any meeting of the Unitholders.

13.14 Binding Effect of Resolutions

Every resolution passed at a meeting in accordance with the provisions of this Article 13 shall be binding upon all Unitholders, whether present at or absent from the meeting. Subject to Section 13.5, no action taken by Unitholders at any meeting of Unitholders shall in any way bind the Trust or the Trustees without the approval of the Trustees.

13.15 Resolution in Lieu of Meeting

A resolution signed in writing by all of the Unitholders entitled to vote on that resolution at a meeting of the Unitholders is as valid as if it had been passed at a meeting of the Unitholders. Notwithstanding any other provision of this Declaration of Trust, a resolution in writing executed by Unitholders holding a proportion of the outstanding Units equal to the proportion required to vote in favour thereof at a meeting of Unitholders to approve that resolution is valid as if it had been passed at a meeting of Unitholders.

13.16 Actions by Unitholders

Any action, change, approval, decision or determination required or permitted to be taken or made by the Unitholders hereunder shall be effected by a resolution passed by the Unitholders at a duly constituted meeting (or a special resolution in lieu hereof) in accordance with this Article 13.

ARTICLE 14 CERTIFICATES, REGISTRATION AND TRANSFER OF UNITS

14.1 No Alteration

- (a) The provisions of this Article 14 shall not in any way alter the nature of the Units or the relationships of a Unitholder to the Trustees and of one Unitholder to another but are intended only to facilitate the issuance of certificates evidencing the ownership of Units if desirable to issue them to Unitholders and the recording of all transactions in respect of Units and Unit Certificates whether by the Trust, securities dealers, registrars or other persons.
- (b) Units may be issued in the form of the Unit Certificate or through uncertificated means. Registration of interests in and transfers of the Units may be made through such record entry securities transfer and pledge system or securities settlement system determined by the Trustee from time to time, including any book-based system, book-entry only system or like system, electronic or otherwise, administered by a depository appointed by the Trustees.

14.2 Unit Certificates

- (a) Unit Certificates shall, subject to the provisions hereof, be in such form as is authorized from time to time for Investor Units, as applicable, by the Trustees.
- (b) If issued, Unit Certificates are issuable only in fully registered form.
- (c) The definitive form of the Unit Certificates shall:
 - (i) be in the English language;
 - (ii) be dated as of the date of issue thereof; and
 - (iii) contain such distinguishing letters and numbers as the Trustees shall prescribe.
- (d) In the event that the Unit Certificate is translated into the French language and any provision of the Unit Certificate in the French language shall be susceptible of an interpretation different from the equivalent provision in the English language, the interpretation of such provision in the English language shall be determinative.
- (e) Each Unit Certificate shall be signed on behalf of the Trustees and the Registrar of the Trust. The signature of the Trustees required to appear on such certificate may be printed, lithographed or otherwise mechanically reproduced thereon and, in such event, certificates so signed are as valid as if they had been signed manually.

14.3 Contents of Unit Certificates

- (a) Until otherwise determined by the Trustees, each Unit Certificate shall legibly set forth on the face thereof, inter alia, the following:
- (i) the name of the Trust and the words “A trust governed under the laws of the Province of Ontario created by an amended and restated declaration of trust made as of the September 12, 2014, as supplemented, amended and amended and restated from time to time” or words of like effect;
 - (ii) the name of the person to whom the Unit Certificate is issued as Unitholder;
 - (iii) the number of Units represented thereby and whether or not the Units represented thereby are fully paid;
 - (iv) that the Units represented thereby are transferable subject to Article 14 of this Declaration of Trust;
 - (v) “The Units represented by this certificate are issued upon the terms and subject to the conditions of the second amended and restated declaration of trust made as of January 13, 2022 (the “**Declaration of Trust**”) which is binding upon all holders of Units and, by acceptance of this certificate, the holder assents to the terms and conditions of the Declaration of Trust. A copy of the Declaration of Trust, pursuant to which this certificate and the Units represented thereby are issued may be obtained by a Unitholder on demand and without fee from the head office of the Trust” or words of like effect; and
 - (vi) “For information as to personal liability of a Unitholder, see the reverse side of this certificate” or words of like effect.
- (b) Until otherwise determined by the Trustees, each such certificate shall legibly set forth on the reverse side thereof, inter alia, the following:
- (i) “The Declaration of Trust provides that no Unitholder or annuitant or beneficiary of a trust governed by a registered retirement savings plan, a registered retirement income fund, a registered education savings plan or a deferred profit sharing plan or any other plan of which a Unitholder acts as trustee or carrier shall be subject to any personal liability whatsoever, in tort, contract or otherwise, to any person in connection with the assets of the Trust or the obligations or the affairs of the Trust and all such persons shall look solely to the assets of the Trust for satisfaction of claims of any nature arising out of or in connection therewith and the assets of the Trust only shall be subject to levy or execution”, or words of like effect; and
 - (ii) appropriate forms of notice of exercise of the right of redemption and of powers of attorney for transferring Units.

The Unit Certificates may be engraved, printed or lithographed, or partly in one form and partly in another, as the Trustees may determine.

14.4 Register of Unitholders

A register (the “**Register**”) shall be kept at the office of the Registrar in the city of Toronto, Ontario, which Register shall contain the names and addresses of the Unitholders, the respective numbers of Units and type of Units held by them, the certificate numbers of certificates representing such Units, if any, and a record of all transfers and redemptions thereof. Only Unitholders whose Units or certificates are so recorded shall be entitled to receive distributions or to exercise or enjoy the rights of Unitholders hereunder. The Trustees shall have the right to treat the person registered as a Unitholder on the Register as the owner of such Units for all purposes, including, without limitation, payment of any distribution, giving notice to Unitholders and determining the right to attend and vote at meetings of Unitholders. Subject to Sections 14.1 and 14.5, upon any issue of Units, the name of the subscriber shall be promptly entered on the Register as the owner of the number of Units issued to such subscriber, or if the subscriber is already a Unitholder, the Register shall be amended to include his/her additional Units.

14.5 Limitation of Non-Resident Ownership

- (a) Non-Residents shall not be the beneficial owners, directly or indirectly, of more than 49% of all outstanding Units. The Trustees may require declarations as to the jurisdictions in which beneficial owners of Units are resident. If the Trustees become aware that the beneficial owners of 45% of the Units then outstanding are, or may be, Non-Residents or that such a situation is or may be imminent, the Registrar shall not accept a subscription for Units from or issue or register a transfer of Units to a person unless the person provides a declaration in form and content satisfactory to the Trustees that the person is not a Non-Resident. If, notwithstanding the foregoing, the Trustees determine that more than 45% of the Units are held or beneficially-owned by Non-Residents, the Trustees may send a notice to Non-Resident holders of Units, chosen in inverse order to the order of acquisition or registration or in such other manner as the Trustees may consider equitable and practicable, requiring them to sell or redeem their Units or a portion thereof within a specified period of not less than 60 days. The notice shall also require such Non-Resident to notify the Trust of the sale when completed. If the Unitholders receiving such notice have not sold or redeemed the specified number of Units or provided the Trustees with satisfactory evidence that they are not Non-Residents within such period, the Trust may, on behalf of such Unitholders, sell or redeem such Units without further notice and, in the interim, shall suspend the voting and distribution rights attached to such Units. For the purposes of such sale, the Trustees and the Registrar shall be deemed to be the agents and lawful attorney of such Non-Resident. Upon such sale or redemption, the affected holders shall cease to be holders of Units and their rights shall be limited to receiving the net proceeds of sale or redemption upon surrender of the certificates representing such Units, subject to the right to receive payment of any distribution declared by the Trustees which is unpaid and owing to such Unitholders. The Trustees shall have no liability for any amount received provided that the Trustees acted in good faith.
- (b) Subject to Section 9.5, unless and until the Trustees shall have been required to do so under the terms hereof, the Trustees shall not be bound to do or take any proceeding or action with respect to this Section 14.5 by virtue of the powers conferred on them hereby. The Trustees shall not be deemed to have notice of any violation of this Section 14.5 unless and until they have been given written notice of such violation and shall act only as required by this Declaration of Trust

once an indemnity is provided. The Trustees shall not be required to actively monitor the holdings of Non-Residents in the Trust. The Trustees shall not be liable for any violation of the non-resident ownership restriction which may occur during the term of the Trust.

- (c) The Trustees shall have the sole right and authority to make all determinations necessary for the administration of the provisions of this Section 14.5 and, without limiting the generality of the foregoing, if the Trustees consider that there are reasonable grounds for believing that a contravention of the ownership restrictions set forth in this Section 14.5 has occurred or will occur, the Trustees shall make a determination with respect to the matter. Any such determination shall be conclusive, final and binding except to the extent modified by any subsequent determination by the Trustees. In any situation where it is unclear whether Units are held by or for the benefit of Non-Residents, the Trustees may exercise their discretion in determining whether such Units are or are not so held, and any such exercise by the Trustees of their discretion shall be binding for the purposes of this Section 14.5. Notwithstanding the foregoing, the Trustees may delegate, in whole or in part, their power to make a determination in this respect to any officer of the Trust.

14.6 Lost Certificates

In the event that any Unit Certificate for Units is lost, stolen, destroyed or mutilated, the Trustees may authorize the issuance of a new Unit Certificate for the same number of Units in lieu thereof. The Trustees may in their sole discretion, before the issuance of such new Unit Certificate, require the owner of the lost, stolen, destroyed or mutilated Unit Certificate, or the legal representative of the owner, to make an affidavit or statutory declaration setting forth such facts as to the loss, theft, destruction or mutilation as the Trustees may deem necessary, to surrender any mutilated certificate and to require the applicant to supply to the Trust a "lost certificate bond" or a similar bond in such reasonable sum as the Trustees or the Registrar may direct indemnifying the Trust for so doing.

14.7 Take-Over Bid

- (a) In this Section 14.7:
- (i) **"Dissenting Unitholder"** means a Unitholder who does not accept an Offer referred to in Section 14.7(d) and includes any assignee of the Unit of a Unitholder to whom such an Offer is made, whether or not such assignee is recognized under this Declaration of Trust;
 - (ii) **"Offer"** means an offer to acquire Outstanding Units where, as of the date of the offer to acquire, the Units that are subject to the offer to acquire, together with the Offeror's Units, constitute in the aggregate 20% or more of all outstanding Units;
 - (iii) **"offer to acquire"** includes an acceptance of an offer to sell;
 - (iv) **"Offeror"** means a person, or two or more persons acting jointly or in concert, who make an Offer;
 - (v) **"Offeror's Notice"** means the notice described in Section 14.7(d); and

- (vi) **“Offeror’s Units”** means Units beneficially owned, or over which control or direction is exercised, on the date of an Offer by the Offeror, any affiliate or associate of the Offeror or any person or company acting jointly or in concert with the Offeror.
- (b) In the event an Offer for all of the outstanding Units is made, any holder of Exchangeable Securities, may, unless prohibited by the terms and conditions of the Exchangeable Security, convert, exercise or exchange such Exchangeable Security, as applicable, for the purpose of tendering Units to such Offer on the condition that such Units are taken up under such Offer, unless an identical offer (in terms of price per Unit issuable upon the conversion, exercise or exchange of the Exchangeable Security and percentage of outstanding securities to be taken up exclusive of securities owned immediately prior to the offer by the Offeror, or associates or affiliates of the Offeror and in all other material respects) is made concurrently by the Offeror to purchase the Exchangeable Securities, which identical offer has no condition attached other than the right not to take up and pay for securities tendered if no securities are purchased pursuant to the Offer for Units. In the event that a holder of Exchangeable Securities elects to conditionally convert, exercise or exchange such Exchangeable Securities for the purpose of tendering Units to such Offer, the tendering of a certificate issued by the Trust indicating that the Units are issuable upon and subject to completion of the Offer shall be good delivery under such Offer and after payment of the consideration therefor to the former holder of the Exchangeable Securities such holder shall cease to have, any rights as a holder of Exchangeable Securities or Units to the extent that the Units issuable upon the conversion, exercise or exchange of such Exchangeable Securities have been taken up by the Offeror. For the purposes of the remainder of this Section 14.7, unless the identical Offer referred to above is made, a reference to **“Units”** will be deemed to include Units issuable upon the conversion of Exchangeable Securities.
- (c) If an Offer for all of the Outstanding Units (other than Units held by or on behalf of the Offeror or an affiliate or associate of the Offeror) is made and, by such Offer, the Offeror agrees to be bound by the provisions of this Section 14.7, and:
- (i) if within 120 days after the date of the Offer, the Offer is accepted by Unitholders representing at least 90% of the Outstanding Units, other than the Offeror’s Units;
 - (ii) the Offeror is bound to take up and pay for, or has taken up and paid for the Units of the Unitholders who accepted the Offer; and
 - (iii) the Offeror complies with Sections 14.7(d) and 14.7(f);
- the Offeror is entitled to acquire, and the Dissenting Unitholders are required to sell to the Offeror, the Units held by the Dissenting Unitholders for the same consideration per Unit payable or paid, as the case may be, under the Offer.
- (d) Where an Offeror is entitled to acquire Units held by a Dissenting Unitholder pursuant to Section 14.7(c), and the Offeror wishes to exercise such right, the Offeror shall send by registered mail within 30 days after the date of termination of the Offer a notice (the **“Offeror’s Notice”**) to each Dissenting Unitholder stating that:

- (i) Unitholders holding at least 90% of the Units of all Unitholders, other than Offeror's Units, have accepted the Offer,
 - (ii) the Offeror is bound to take up and pay for, or has taken up and paid for, the Units of the Unitholders who accepted the Offer;
 - (iii) Dissenting Unitholders must transfer their respective Units to the Offeror on the terms on which the Offeror acquired the Units of the Unitholders who accepted the Offer within 21 days after the date of the sending of the Offeror's Notice; and
 - (iv) Dissenting Unitholders must send their respective Unit Certificate(s) (or, in the case of Exchangeable Securities, the certificates representing such Exchangeable Securities) to the Trust within 21 days after the date of the sending of the Offeror's Notice.
- (e) A Dissenting Unitholder to whom an Offeror's Notice is sent pursuant to Section 14.7(d), shall, within 21 days after the sending of the Offeror's Notice, send his or her Unit Certificate(s) (or, in the case of Exchangeable Securities, the certificates representing such Exchangeable Securities) to the Trust, duly endorsed for transfer, if such certificate has been provided.
- (f) Within 21 days after the Offeror sends an Offeror's Notice pursuant to Section 14.7(d), the Offeror shall pay or transfer to the Trustees, or to such other person as the Trustees may direct, the cash or other consideration that is payable to Dissenting Unitholders pursuant to Section 14.7(b).
- (g) The Trustees, or the person directed by the Trustees, shall hold the cash or other consideration it receives under Section 14.7(f), but such cash or other consideration shall not form any part of the Trust's property. The Trustees, or such persons, shall deposit cash in a separate account in a Canadian chartered bank, and shall place other consideration in the custody of a Canadian chartered bank or similar institution for safekeeping.
- (h) Within 30 days after the date of the sending of an Offeror's Notice pursuant to Section 14.7(d), the Trustees, if the Offeror has complied with Section 14.7(f), shall:
