

Consumer Receivables Investment

Project Details

- Industry award-winning Canadian Fintech lender
- The firm offers point of sale financing for large furniture, computer, and jewellery retailers.
- The Fintech currently has 1,500 merchants and is projected to continue rapid growth in the coming years, based on a strong and validated pipeline.

Investment – \$13.5 million Financing

- Centurion Financial Trust arranged and structured a \$13.5 million, 12-month senior secured bridge term loan, successfully syndicating \$7.25 million to Co-Investors.
- 10% yield on the secured bridge term loan further enhanced from portion of syndication fee revenue.
